POWDER PUFFS BATTLE IT OUT

The 1970-71 Powder Puff game got under way with two great teams: the Babylonians, coached by Blaine Babb, and the SuperMacs, coached by Howard MacMurray.

When the game was over the SuperMacs had defeated the Babylonians, 16 to 6.

This year's "queen", Tommy Wilson, who was escorted by Marvaneen Foster, gave us a scenic half-time show.

More than 40 girls participated in this annual clash. The co-captains were Patty Maness and Cathy Johnson, of the SuperMacs; and Vicki Littlejohn and Pat McCoy, of the Babylonians.

Generating enthusiasm were the cheerleaders, Tony Heaven, Gary Scott, Brent McIntosh, Fred Marshall, and Jeff Singer.

Coach, Advisor, and Teacher, Sappenfield Retires

The 1971 Twister is dedicated with pride to a man who has devoted his life to young people. Harold Sappenfield, debate coach and yearbook sponser, is a man who has given many hours, both in and out of class, to his students. And yet he has remained essentially out of the limelight, preferring to let his kids take the full credit, modestly attributing his successes not to himself, but to his pupils.

Mr. Sappenfield's outstanding teaching career began with his graduation from Kansas State University at Manhattan with a degree in Journalism, and graduate work done at the University of Southern California. He has taught in Kansas for 36 years, 32 of which have been spent in Coffeyville. For 24 years he has sponsored the editing of the Tornado Times, and for 22 he has been yearbook mentor. Since becoming debate coach his teams have won countless trophies and carried home the State Championship in 1964. In 1962, '63, and '64 his toungesters won the Sweepstakes trophy, giving them permanent possession.

The Twister staff is grateful to have had such a man as their sponser and wishes him many wonderful years of relaxation to which he is entitled.

"Up the Down Staircase"

The auditorium became another classroom when F. K. H. S. players presented "Up the Down Staircase", the fall theatrical production. Under the direction of Mrs. Vickie Cook, the play dealt with the problems of a new teacher and her attempts to reach one of her students. Cast in leading roles were Theresa Angleton, Ed Keith, Patricia McBride, and Derrick Morris.

This was the first production for Mrs. Cook at Field Kindley, and it proved to be a marvelous success.

Secretaries

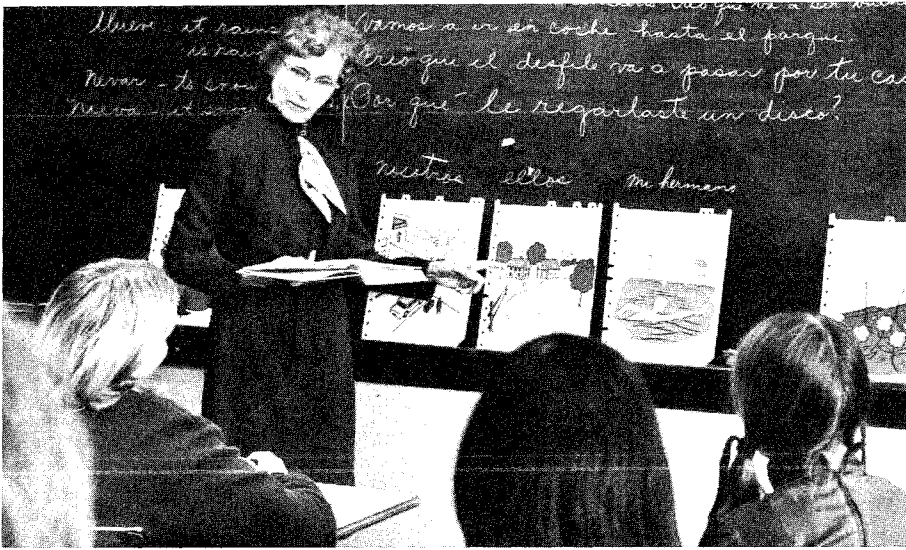

Amid the hustle and bustle of students' questions, teachers' problems and administrative technicalities, the office staff provided the foundation for an efficiently run school.

John Harvey, Bill Carey, Don Hill.

Custodians

Faced with the unsurmountable task of keeping our building and grounds clean and tidy, is our able custodian staff.

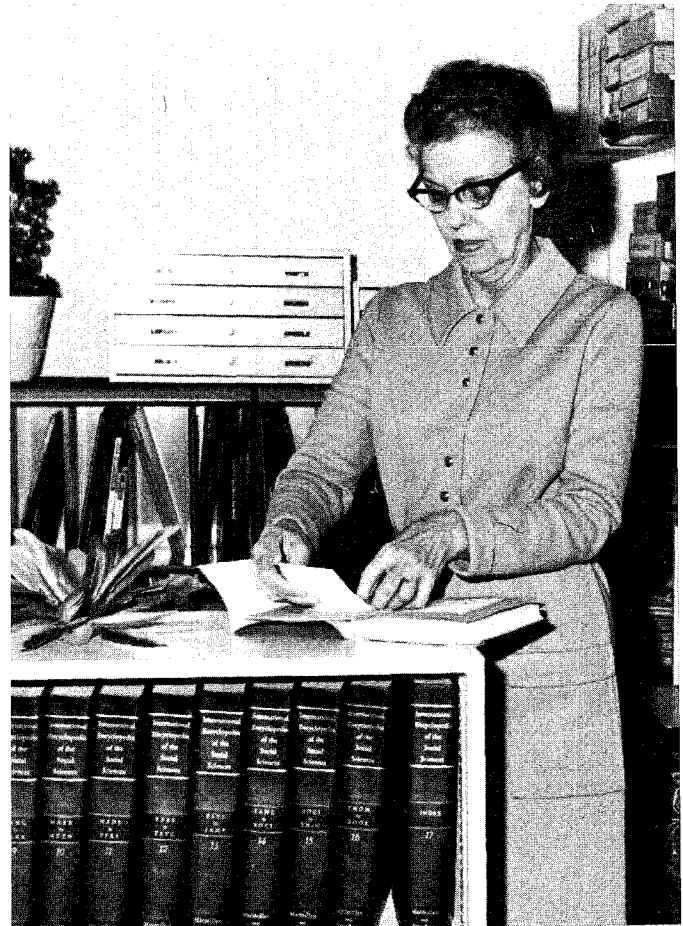

MRS. LYDIA BUTTERFIELD. Mrs. Lydia Butterfield's first year of teaching was at Roosevelt Junior High in 1935. A year later she came to Field Kindley for six years before going to a position at the University of Wyoming; then followed a period at Stevenson College in Missouri. She returned to Coffeyville in 1954 and has had a total of fifteen years in this building. She has been an instructor in speech, dramatics, Latin, and Spanish. The Thespians were organized under her direction.

FKHS Salutes

MRS. CLEO RUSH. Mrs. Cleo Rush has been Librarian in CHS since 1946-7 and has put in 25 years of making improvements in this department. There are 8638 books in the shelves at present, three times as many as when she took over. Other additions include new carpeting, drapes, tables and chairs, a Colonial clock, card carrels, many film strips, records, and Atlas stand, card catalog, etc. Mrs. Rush has done a fine job in making the library a good looking place to read and study.

Big Year For Band

Under the field leadership of Carla Pevehouse, drum major, the band made a good showing this year.

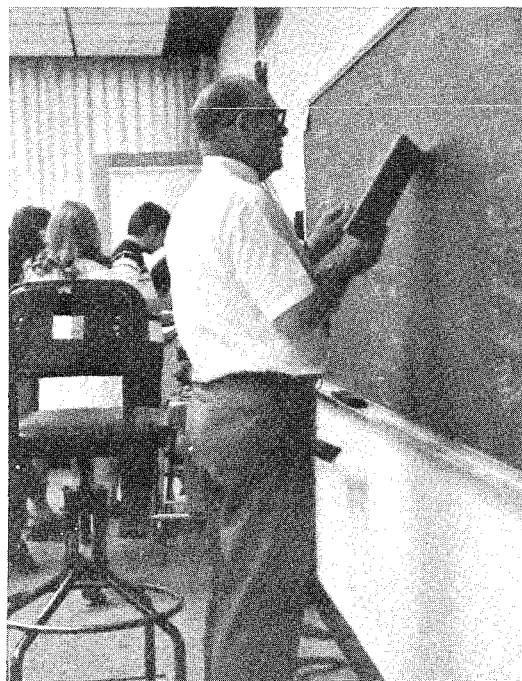

After two weeks of 7 a. m. rehearsals the marchers put on a fabulous half-time show during the Parsons game. The next morning at 4 o'clock the entire organization boarded buses to go to the Band Day festivities at KU. Lawrence sported good weather for the first time in several years.

Other highlights of the year included a half-time show during the basketball season, the annual concert, and a trip to Pittsburg for the S. E. K. band festival.

Small Orchestra Makes Big Music

The FKHS Orchestra, under the direction of Harvey Lewis, made a fine showing this year. Although few in number, they made up for their small size through good play ability.

TORNADO
DRUM

The 36th Field Kindley Drum and Bugle Corps got underway in June of 1970. Practicing long and hard hours in the morning in preparation for their forthcoming events, as they do every year, their first event was the Rodeo Parade. Following this came the regular drills for football and basketball. This year the Drum Corps showed up with a brighter look due to the new uniforms which had been purchased and had arrived in time for them to be displayed during the annual Indy-FKHS football game.

Their annual alumni drill was held Dec. 29th. This year's banquet theme was "Bridging the Years." At this time Pam Knight was named the new Drum Major for next year.

Robed Choir Sings Out

The Robed Choir, under the direction of Glenn Finney has had a very busy year. Numerous concerts and programs were given by the choir, especially just before Christmas, when it visited four grade schools and the Medicalodge in Coffeyville. The Robed Choir was also featured in the program of Christmas music presented to our student body on December 22.

Other plans included an overnight tour of regional high schools in April.

I wonder why Rick uses window cleaner on his pants?

Madrigals were first organized in 1967 by Mr. Gary Gregg. In 1968, the group's name was changed to The Volk Sleid Singers, and again changed back to Madrigals in '69 when Mr. Glenn Finney became the new instructor. This year the group has the new title of "The Folk Singers."

The Folk Singers is a select group from the robed choir. Some of the Folk Singers performances include a Christmas program at the Country Club and the fall concert at Field Kindley High School.

Their music consists of selections from Peter, Paul, and Mary, and folk songs in general.

Seventeen members and three guitarists make up this special group of singers.

Mixed Choir

The mixed choir did an excellent job performing at assemblies this year. Led by Mr. Finney they also engaged in a tour of out of town schools in which they were very successful.

This was the first year Field Kindley has had a boys choir for a long time. They performed at assemblies as well as Lions Club meetings.

Girls Choir Sings Out

The Girls Choir and Ensemble have performed on many occasions for the student body and for the public. In the fall, they held a concert in the school auditorium. These girls have sung for many elementary schools through the year.

The Ensemble is a group of girls selected from the choir by Glen Finney, the instructor. Most of their performances were scheduled for the spring of 1971.

Twister Staff Works Hard

These twelve people had the responsibility of producing the 1971 Twister. We all had a part in the making of the '71 annual. There was a lot of hard work involved, but we all pulled together to get it done. With the help of one another, we completed the book and had a lot of fun doing it.

The Twister is the students' book, made with you in mind, so we hope you enjoy the '71 annual.

Debaters Do Well

The 1970-71 debate team was small in numbers which made intra-squad practice a problem, but it was a good year nevertheless.

Ray Pile and Patricia McBride won a third place trophy at the 80-team, 40-school Wichita Heights tournament. Later in the season, Pile and Adrian Morgan brought home the second place trophy from the Winfield Invitational.

Steve Collie and Marcy Davenport narrowly missed trophies in the Olathe and Wichita Heights tourneys. Bruce McKinney, George Owens, and Mark Muncy also came close to winning awards in the novice section.

Marcy led the varsity in speaker ratings for the regular season followed by Patricia McBride. Adrian Morgan headed the novice in speaker ratings as well as in wins, having had a 17-8 record. Pile led the entire squad in this department with 22 wins-8 losses.

Actors Have Busy Year

This was a busy year for the Thespians under the direction of Mrs. Vicki Cook. Many new members were gained in fall and spring initiations. To become a Thespian, initiates were required to dress up as fictional characters.

The Thespians also ushered at Coffeyville Community Little Theater productions.

Officers for the 1970-71 year were Derrick Morris, President; Teresa Angleton, Vice-President; Patricia McBride, Secretary.

Stuco Active

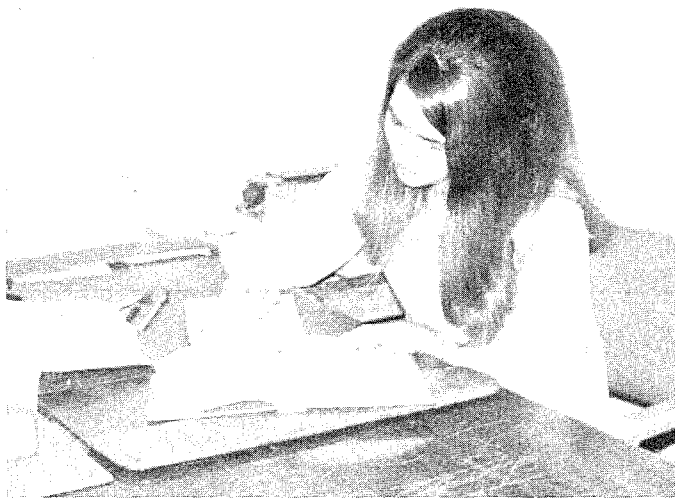

The Student Council, in one of its more active years in recent times, went to a great deal of expense and effort to sponsor and promote many and varied activities. They started off the year with a visitation meeting and luncheon including guests from Altamont and Iola. Mr. McClure and Mr. Hamm also attended. This was followed by such ventures as the football homecoming, including the dance and assembly; the sending of flowers and cards to the sick; Indy week activities; big bonfire at Pfister Park; 40th anniversary celebration of Field Kindly High School, which was open to the community; the many assemblies of the year; and several other items on the agenda. Topping off this sort of activity the Stuco was also busy about the time-honored business of denouncing school rules and regulations and was one of the mainstays in the movement to change the dress code.

An avid interest in their professional future led many progressive girls to join Gregettes. Under the leadership of Delores Johnson, Kay Hurd, and Mark Paulson, the novice secretaries made a trip to the 3M Building in Tulsa, to witness the functions of a large business first hand. In December a mother-daughter party was held. Demonstrations in make-up and fashion rounded out full year for our Gregettes.

Kayettes Serve School and Community

Under the leadership of Mrs. Mary Stover, the Kayette organization has performed many useful services for our school and community. They held a party for our teachers in early December, and another for children just before Christmas. The Kayettes were responsible for decorations at the Thanksgiving assembly and in the library and on the doors at Christmas . . . All in all, the 1970-71 school year has been a busy and rewarding one for the Kayettes.

The Kayette Board

The Candy Stripers Organization is made up of girls who may wish to become nurses some day, or may just want to help out. The members do small jobs around the hospital, and in so doing, get to see how such an institution is run from the inside.

Recently, boys were allowed to join the organization and are called Redcoats.

C-Club Active

The C-Club, completing its fourth year in existence, accomplished many things in 1970-71. A few of these were: the boys escorted the football fans to their reserved seats during the season. They put out the annual student directory with all the names and addresses of the students and teachers in Field Kindley. To make money for the Club, a team of girl basketball players from Texas played a man's team from the Industrial League. All in all the C-Club had a very progressive program the past year.

The 1970-71 pep club was ranking high in enthusiasm as they got in style with new purple and gold pantsuits. Under the direction of Miss Mayer, the organization has attended both home and out-of-town games, financing these trips by holding several bake sales. One highlight of the year was a three-day trip to Dodge City to boost our basketball team in the Tournament of Champions. This year the club was very large in number, boosting the teams along with approximately 120 girls.

FFA Builds Better Farmers

The Future Farmers of America is an organization designed to train boys in leadership, co-operation, and community service. The regular classroom work of studying animal science, crop production, farm mechanics, and farm management is supplemented with various shows and events. This year the FFA teams attended the Inter-State Fair, the Kansas Spring Barrow Show at Ark City, the Hutchinson State Fair, the National Hampshire Swine conference at Ark City, Aggie Day at Miami, and Ogeechee Ranch at Fairland, Oklahoma. The boys were honored for their achievements at the annual Parent-Son Banquet and the District FFA Banquet. Funds were raised primarily through the sale of advertising on the FFA calender, and supplemented by helping the Kiwanis Club on their annual broom sale. The members also presented two safety programs for KGGF, and others for civic clubs. Officers for 1970-1971 were: Steve O'Brian, President; Tim Lackey, Vice President; Dan Mavers, Secretary; Dan Hill, Treasurer; Walter Brashear, Reporter; and Jay Slater, Sentinel.

Nado's Neely nets big gain against Columbus.

Field Kindley's football team not only upheld Coffeyville's fine tradition of winning football, but came out this season as co-champions of the league. The team had a quick hitting offense and a well balanced defense. Pittsburg, who shared the crown this year with C.H.S. had to settle for second fiddle on the all S.E.K. team. Coffeyville dominated this team with nine players, while Pittsburg had four. This year's team also had the best quarterback in the state, Rick Blue. Blue had a host of fine receivers headed by Maurice Elias, Bernie Vargas, Phil Neely, and Craig Reddins. The aerial game was the mainstay of the offense. The team record was a respectable 7-1-1 with the only defeat to Arkansas City plus a tie with Pittsburg. Harry Allen, who showed great promise as fullback in the opener with the Titans, was injured at Ark City and lost for the season.

The basketball team, basking in last year's second place in the state tournament, has come through with a brilliant season. The Tornado became S. E. K. champs on Feb. 16 with two games yet to be played. The round-ballers had an eye-opening opener, almost doubling the score against Iola. This was followed by the closest test of the year with Parsons holding CHS to just a six point victory. A new school record was set Feb. 5 when the Tornado trounced Altamont 103 to 48. The widest margin saw the 'Nado scoring 64 more points than Columbus. In January the cagers won the huge first place trophy in the Tournament of Champions at Dodge City defeating the hosts 65-36, Kingman 53-45, and a great Marysville team 60-48. The combination of Marshall, Heaven, Pauzauskie, Elias, Blue, aided by Scott, Bowman, McCullough, Long, Barrett, McIntosh and Lemos displayed too much speed, defense, and point making for their opponents-winding up the regular season with 19 wins and no losses. Most of the year the Tornado was ranked as #1 in Kansas and, at the time of this writing, was favored to win the regional as well as the state.

Breeze Follows Through

Three of the sophomore players were on the B team: Terry Beeson, Phil Neely, and Jon Graham. However, they played sophomore ball, also, and helped the team to a 7-2 record. The sophomores ranked high in the S. E. K. standings, and really played good ball all year. With the experience and skill these boys gained this year, it is hoped that they can keep the Golden Tornado in its top position next year.

Baseball's Beginnings

Baseball was in its initial season this year at F. K. H. S. Nonetheless, it was expected that the Coffeyville batmen would put in a good season. The first game was with Joplin Parkwood. As can be detected from the schedule, the players faced a tough and varied agenda.

Swimmers Break Even

During the 1970-71 season the Tornado Tankers won five and lost five dual meets. The swimmers competed with teams from Oklahoma as well as Kansas in their meets. The fin-men stood up against some very tough opponents. Losing only to Bartlesville Sumner and College High, who were two of the top swim teams in Oklahoma. Then one to Wichita, one to Topeka, and one to Tulsa Edison.

The Nado sent six men to the state meet at Lawrence. At the time of this writing the results were not known. The six men qualifying for state were: Andy Smith, 60-yard freestyle; Greg Wentworth, 100-yard breaststroke; Bill Frazee, 100-yard backstroke; Tim Logan, 160-yard individual medley; Dale Bowser, 100-yard and 200-yard freestyles; and Ron Enloe, 400-yard freestyle.

Cross Country Shows Outstanding Ability

Using Hillcrest golf course as a track, the FKHS cross-country runners raced against many other such teams from the SEK area. Under the coaching of Bob Cleeland, the long-distance men sprinted on courses varying from 2 to 3 1/2 miles. Senior Tony Heaven broke records at the Coffeyville and Bartlesville Invitational Tournaments, and holds the school record, along with winning 4 individual first-place awards during the season. The teams won 1 trophy and 12 medals during the season. 1970 lettermen were Tony Heaven, Ron Barrett, Walter Collins, Jim McCullogh, Joel Cambron, Jeff Jackson, Steve Spatz, and Chuck Nutter.

Tracksters Look For Big Year Under New Coach

About 40 interested Track personnel turned out for the first day of practice last March for new head coach Bob Cleeland. Fourteen of these men are lettermen. They are: Don Barker, Kevin DePointer, Mark Dempsey, Steve Borum, Rick Ellis, Tony Heaven, Jim McCullough, Bill Meyers, Ray Neale, Tony Pauzauskie, John Preble, Andy Smith, Bernie Vargas, and Ron Barrett.

The Thinclads faced a tough seven meet schedule, with the most challenging being the Fort Scott Invitational and the S. E. K. League Meet. The Nado looked equally strong in the weight and running events. Looking strongest in the track events at the time of this writing were, Jim McCullough in the 880, Don Barker and Ron Barrett in the Mile and Two Mile, and Ray Neale, Steve Borum, and Bernie Vargas in the dash events. Looking strong in the weight events are John Preble and Mark Dempsey in the discus, Terry Beeson and John Jackson in the Shot Put, Andy Smith and Tony Pauzauskie in the High Jump, Brent Drum and Bill Meyers in the Javelin.

'71 Golf: Up To Par

After a successful season last year, coach Harold Thomas looks forward to bright horizons in golf this year. The team is bolstered by returning lettermen John Isaacs, Tom Tatman, Jim Criswell, Jim Beeson, and Bob Boelzke. With these fine men returning and a good crop of newcomers, the golf team should distinguish itself this year on the greens.

Netmen Have Successful Season

The 1971 season bears with it omens of success for FKHS in tennis this year. With five returning lettermen—four seniors and one junior—the team should have depth as well as exceptional talent on the court. Returning senior lettermen are Ron Enloe, Jim Fehring, Charles Hare, and John Neale. The solitary returning junior letterman is Paul Funk.

With a winning singles title at the SEK last year and a favorable debut at Regionals, the "Tornado Racqueteers" should carry through the season without losing a single "case at court".

Practice makes perfect!

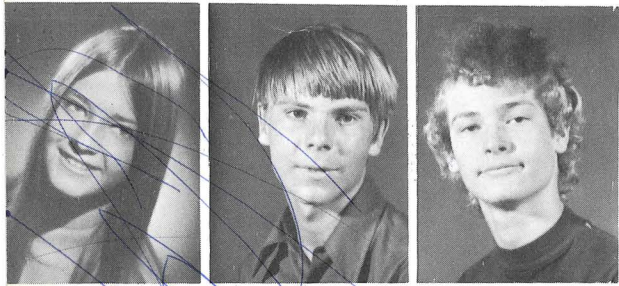

Bewildered by the new environment but determined to make the most of the high school and its opportunities, 256 sophomores enrolled at Field Kindley this year. Without exception they looked forward to the day when they would be "upper classmen." While serving their apprenticeships as sophomores, they carried their share of responsibility in the classroom, on the field, and in extra-curricular activities.

Sophomores, are ya with us?

Last But Not Least — The Administrators

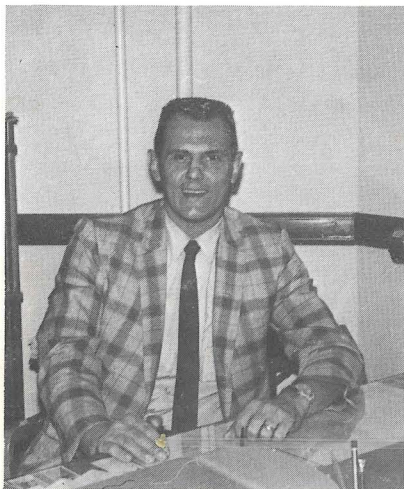

The students of Field Kindley High School are fortunate in having an administration composed of three men who work together on issues and matters that concern us all. These men, who take Field Kindley's interest to heart, always succeed in ironing out the difficult problems which concern the educational needs of the students. For their honest and sincere efforts in dealing with the education of our community, we extend our deepest gratitude. Congratulations to these invaluable men.

Amid all the confusion of PSAT, SAT, and ACT, our able counselors did a fine job in their work with the students.

They always found time to listen as well as give advice.
