Beneath bright Kansas skies of blue,
Our Alma Mater Stands in view.
A name received in freedom's cause for justice and its laws.
Her guiding spirit, o'er us, we strive to bring her fame.
And proudly now we sing this song, in honor of her name.

In high school there are so many memories to be made, no matter where you are. Whether it's a tailgate, a dance, a basketball game, a club, or a class trip, there are lots of new things that you get to experience and many new lessons to learn. High school is such a short time in your life, but some of the most important years you will go through. What you are involved in determines the person that you are made into: a leader, a follower, or just another face in the crowd. So make the right choices and do anything and everything that you ever dreamed of doing. Make the most out of your high school years because they will fly by.

About Academics:

As students, we could all agree that battling class work, homework, tests and finals can be very hectic. Though at times it may seem pointless, our time spent learning will soon pay off. As we know, Field Kindley High School offers a wide variety of core classes as well as electives. Whether you're into physics, calculus, computers, history or art, FKHS is the place for you. The students here are as dedicated to learning as the teachers are to teaching. Week to week, day to day and block to block, students work hard to achieve a higher level of academic success. From dissecting a cow's eyeball, finding the derivative of a calculus equation, or simply learning how to say "May I go to the restroom" in another language, students here are learning things that will open their minds, strengthen them, and broaden their horizons. Without these educational essentials, how would we ever be able to find Our Space in the world?

Golden Tornado Boys Basketball

Our Nado Boys had a very good season this year. They hoped to take Interstate and Sub-State this year, and came very close, but didn't reach their dream. They hope to do better next year. The best thing that the nado boys had this year was the way they came together as a family.

Cheer

The NADO cheer squad is and always has been a prominent unit at Field Kindley High School. Whether they're cheering at season games, tournament games, or simply performing at half-time, they work to show team spirit. Softball 2008

Another softball season here and gone, but the devoted seniors this year can't say "oh we'll get 'em next year." This season ended different than most, with more wins than in a long time and double from last year. Nado softball ended the '08 season 10-11. The last game was a hard one to lose but the girls gave all they had and put more expectation on the sport. Teamwork is important and the closeness of this team will be missed next year but Lady Nado softball is now something to be proud of.

About Portraits:

The profile of students at FKHS is very complex. Some are outgoing, others are solemn, several are brains, while others are athletic. We have short, tall, thin, thick, nerdy, gothic, and everything in between. But the one thing that makes us all equal is our school: Field Kindley High School. The place that allows us to be ourselves, but also gives us a place to unite and be one in the same: A Golden Tornado.

Seniors Back in the Day

Rough Riders

Stopping for a break in between races, a group of friends get together for a picture. "Eighth grade track meets were the best," senior Lacey Kriebel said.

Catch me if you can

Making a silly face, Drew Davis enjoys a typical afternoon with his friends.

Say Cheese

Taking a field trip to The Exploration Center in Wichita, Yusif Abudu takes a break from all the fun.

Time to chow down

Smiling for a snap shot, a crowd of friends get ready for recess after lunch. "The old RMG days were awesome," Trent King said.

Happy Birthday

Posing before they blow out the candles, Kyle Bell, Drew Davis, Tommy Moses, Luke Briggs, and Zach Malone can't wait to chow down.

Oh OO

Displaying the eggs thrown at the school, Micha Brown, Courtney Shald, and Kristen Davenport pose around it.

Happy Halloween

Showing her fantastic work, Sam Wise laughs about her great mummy wrapping. "We had so much fun wrapping each other up with toilet paper," Wise said.

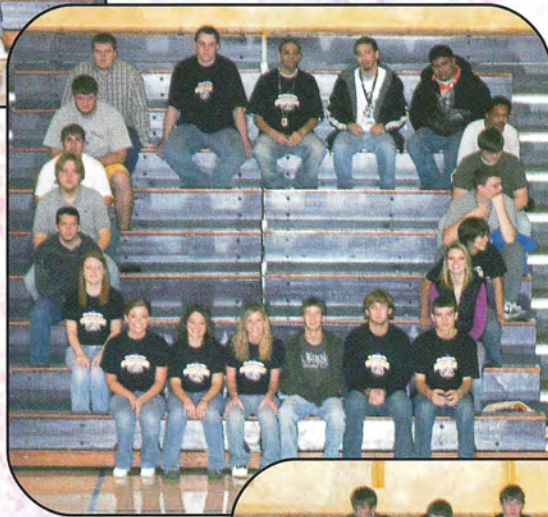

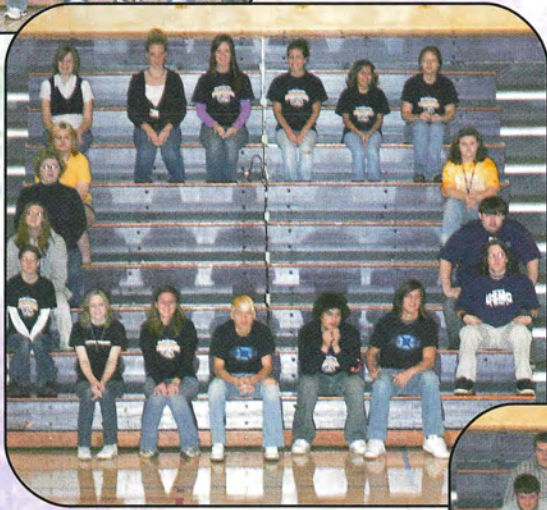

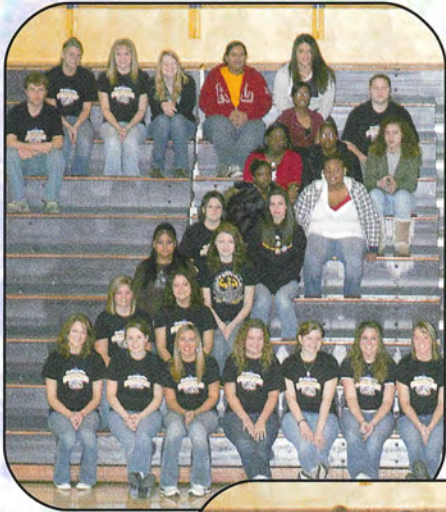

Congratulations

Walking around with pride, David Northup and Lindeey Roberts graduate from Kiddie College.

Time to play

Playing with their toys, Miranda Schockey and Katie Nicholson get together for a fun picture.

If tears could build a stairway

If tears could build a stairway
and memories a lane,
I would walk right up to Heaven
and bring you back again.
No farewell words were spoken
no time to say "goodbye",
you were gone before I knew it
and only God knows why.
My heart still aches with sadness
and secret tears still flow,
what it meant to love you-
no one can ever know.
But now I know you want me
to mourn for you no more:
to remember all the happy times,
life still has much in store.
Since you'll never be forgotten,
I pledge you today-
a hollowed place within my heart
is here you'll always stay.

Class of 2008

Joseph Dale Moley

May 5, 1989-November 26, 2001

It's not suppose to go like that. -Rascal Flatts

People came from miles to say goodbye,
to the Moley's son.
His innocent life had just begun.

It's not suppose to go like that,
it's not intended to end that way.
Life is a journey, constantly turnin'
down an unknown path
but it's not supposed to go like that.

Sydney Elizabeth Tracy

November 15, 1989-November 10, 2006

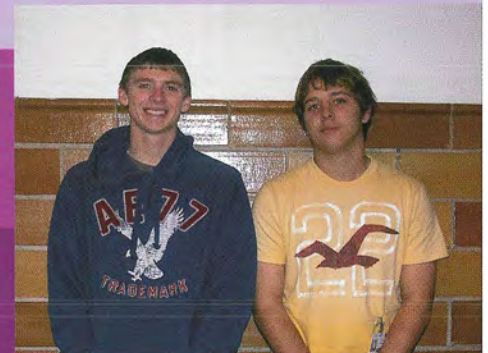

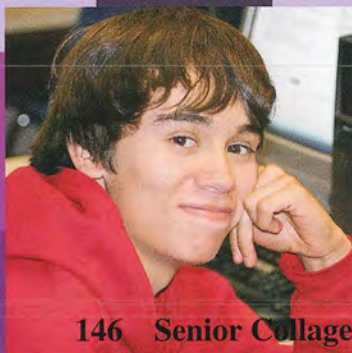

Indescribable

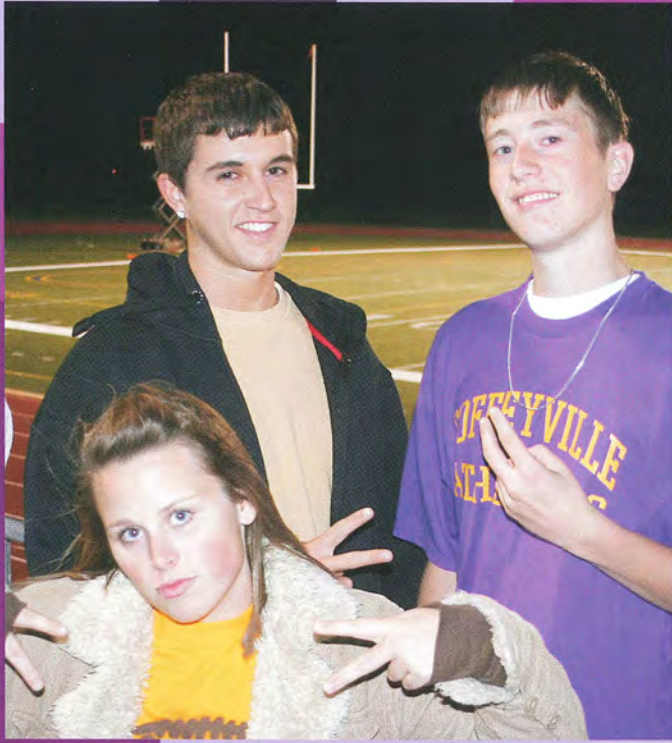

We love you Syd
-Sam West & the class of 2008

Life without Sydney is life without a beautiful girl, without a daughter, without a best friend, without a student leader, without a joyful laugh, without a little sister, without a NADO fan, without a classmate, without those bright blue eyes, without a granddaughter, without a cheerful smile, without a loving niece, without a friend to ride shotgun, without a helping hand, without a devoted christian, without a cousin, without all the inside jokes, Life without Syd is indescribable.

Dear Reyna:

*Your childhood years have quickly passed by,
Your trials and errors have made me laugh and sometimes cry.*

*As your senior year comes to an end; I am amazed to see,
What a beautiful young woman stands before me.*

*Wherever you go, whatever you do,
Always know I am extremely proud of you.*

*There are not enough ways to show or words to say;
That express all my love I have for you on graduation day.*

*I truly believe how the old saying goes;
A son is your son, until he takes a wife.
A daughter is your daughter, all of her life.*

I love you Reyna, mucho, mucho, mucho!

Micha,

My family has always been my greatest joy, THANKS for making mine so incredibly special. You have brought a level of happiness and pride into my life that I have never known. I treasure our relationship more than words can describe. It has been my motivation in my darkest hour, and one of my greatest treasures. I could only hope that you have received as much from me, as I from you.

Keep your faith strong, and God will guide you. No matter what you choose to do, I will always be your biggest fan.

No matter where you are geographically, you are always in my heart. Graduation is anything but an ending, it is the beginning. Go get 'em! Mom xo

Micha,

Thank you for showing me the best part of fatherhood. I am so lucky to have you for a daughter. I am very proud of you and I love you more than any father could love a child.

Skylar...

We don't know why God chose us . . .
 But we're glad he did!
 To be the parents of that little boy with blue glasses.
 We always knew you would be safe
 with Striker by your side.

We watched you go from a clown, to Barney,
 to a Ninja Turtle, to eventually Batman.

You were an awesome little wrestler.
 You sacrificed your body for football.
 Then baseball took your heart!

You had the ability to do whatever your heart led you to do.
 Your love for your friends and family makes us proud.
 To love others will make your life complete!

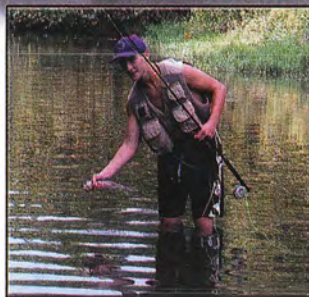

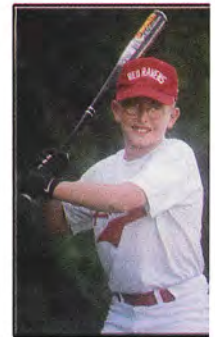

You're a hunter, a fisherman, with a great love for the outdoors!

Words cannot express how proud we are
 of the young man you have become.

We believe in you. We have faith in you.
 We honor you on this graduation day!

Chicken George, We Love You!

About the Yearbook:

The 71st Volume of Field Kindley High School Twister yearbook was printed by Jostens. The theme "MyNadoSpace" was chosen by the Twister Staff. The cover was designed by the Twister staff along with Josten representatives. Body Captions and Heading varied by sections, while all captions were Tekton, eight point and caption titles were Tekton Bold, ten point. The 2007-2008 Twister was designed in the FKHS journalism room using Jostens online design program. Photographs and team photos were taken by the Twister Staff, and mug shots were provided by Lifetouch. Each Twister yearbook was sold for \$35. The cost of the book was paid by book sales and advertisements.
