Advance to GO! Collect Class of 2006

As the saying goes, "A Change Would Do You Good." 2006 marks as the year for that. For the first time in history, students will be the first to have an all color yearbook. Each memory was captured fully and not hidden behind the shadows of the black and white photo. There are so many colors out there, and so many to be seen. We just hope that they are ready to be seen. Each memory has been *Collected in this Class of 2006 Twister edition.*

It's all about the **SENIORS!**

After squirming out of fear at the sight of an upperclassman during freshman year, counting the days until being classified as an "upperclassman" during sophomore year, or bearing the pain of those agonizing college bound standardized tests during junior year, the long journey to senior year was well worth it. Many classify senior year as the best year of high school, as many changes occur with the important transition from childhood to adulthood. New friendships and new insights on personal decisions are often discovered during senior year. The decisions made during senior year make a lasting imprint for the future. Senior year doesn't just signify the end of high school, but instead marks the beginning of the end of something great.

Student Life You inherit \$100.00

High school is only what we make of it. The life of a student can be a hectic one for students battling schoolwork, extracurricular activities, after school jobs, teachers, and family. But whenever we have that one moment to spare, there are always your friends to make it worthwhile.

The start of the school year begins with the memories we shared during our last moments of summer. Our friends were there to experience it all with us, whether it was cheering on the home team at Homecoming, breaking out a trendy dance move at the dance, or listening to us talk about our day at work. To everyone who stuck around and made high school better, for you friend, "You inherit \$100."

Details:

The 69th Volume of Field Kindley High School Twister yearbook was printed by Walsworth Publishing Company. The theme "Advance to Go, Collect the Class of 2006." was chosen by the Twister Staff. The cover was designed by the Twister Staff along with Walsworth representatives. Body caption and headlines varied by sections, while all captions were eight point AWPC Helvetica and caption titles were ten point AWPC Helvetica Bold. The 2005-2006 Twister was designed in the FKHS journalism room using Adobe Indesign CS. Photographs were taken by Twister staff. Team photographs were taken by Sherry Hurlbutt, Darla Long, and Larry Murdock. Mug shots were provided by Lifetouch. Each Twister yearbook was sold for \$35. The cost of the book was paid for by book sales and advertising. This is the first year that the whole yearbook is printed in all color. Enjoy!
