

life is a highway

Life Is A Highway

Life is a highway that is filled with many pit stops. One of those pits stops throughout your journey is high school. High school is one of the most important times in your life. All the memories you make with your friends will follow you forever. So capture all those memories in photographs and still frames to keep them in your mind forever. When life is moving too fast on your highway just remember to slow down because your pit stop to high school will be over before you know it .

Students X-ing

High school is just one pit stop on the road of your life, but it will have a huge impact on who you will become. It is a time to make many lifetime friends and also to make many lifetime memories. There are some ups and downs along the way but no matter what happens it is an experience you will always remember. From the time you attend your first dance until the time you walk across the stage at your graduation, all the fun times you had in between will become a huge part of your life.

Although you will eventually move on in your life, the bumps in the road will keep testing your character. All you can do is learn from them and never give up. There will be times during your high school career when you can't wait to get out but don't wish this unforgettable time away. Remember life is a highway, don't drive too fast.

School Work Ahead

There are many roads to success: you could become a rocket scientist, an actor, find the cure for cancer, or you could even win the lottery. No one knows what road they will take and where it'll take them but the common road for all is education. FKHS provides many skills needed to learn how to navigate the road that is life, from learning how to dissect a frog, to algebra, to learning the meaning of 'Guten Tag'. The amount of classes offered is endless. The time we spend in school takes a majority of our day and while we may seem to think it's pointless at the time, the knowledge we gain will help us on our road to success. You can't start driving if you don't obtain a driver's license so earn that "driver's license" at FKHS and travel the highway and choose your road to success.

One Way To Get Involved

One way to get involved in high school is to join a club. Field Kindley offers many different clubs that spark unique interests. From agricultural clubs to clubs that show off high grade point averages, anyone can find a club that is right for him/her. If the decision is tough, no need to worry---there is no limit as to how many clubs you take part in.

Not only is it fun to be active in at least one club, but it also teaches responsibility. Each club has a student member as the president and others as officials that are elected by the club as a whole. This usually takes place after the first couple of meetings. Having student officers lets them be more in charge, which gives them a better sense of leadership.

Many clubs volunteer to help out their community. Delivering Meals on Wheels, helping park cars at the annual Fair and Rodeo, bell-ringing for the Salvation Army during the Christmas season, and helping with pancake feeds are only a few of the generous activities. Clubs do this work without pay but earn their money by making members pay dues at the beginning of the year.

The clubs offered at Field Kindley are: ACTS, Allies, Art Club, Chess Club, Cub Brit, Drama Club, FBLA, FCA, FFA, French/German Club, Friends of Rachel Club, HOSA, Key Club, Native American Club, NHS, Prom Committee, SkillsUSA, Spanish Club, and Stuco.

Warning!!! Entering Nado Sports

People don't play sports because it's fun. Ask any athlete, it's just a part of them. It's what they live for. They live for the practices, parties, cheers, long bus rides, invitationals, countless pairs of shoes, water, Gatorade and the coaches you hate but appreciate. They live for the way it feels when they beat the team by one point in overtime, and you realize those two extra sprints you ran in practice were worth it. They live for the way you become a family with your team and all the songs you sing in your head when you are running all those suicides during practice. They live for the competition, the friends, the practices, the memories, and the pain, it's who they are. Time flies...slow down...and live for it.

Working Together

The Nado soccer team puts a block together against the Indy Bulldogs.

Golden Tornado Soccer

The Golden Tornado Soccer team put out a lot of effort this year. They hustled, worked hard, and finished the season with a record of five wins, nine losses, and two ties. "I am very proud of the growth that this team made this season. The seniors will be missed!" coach Mark Bunt said.

Having A Ball

Setting his eye on the goal, senior Jake Hayden dribbles the ball down the field.

Half Time

Walking into the locker room at halftime, the varsity soccer boys stay focused and ready for the second half. "We had a good season, but we were still unsure about the line-up and we didn't work together as well as we could have," senior Kenny Roberts said.

Hard Work Pays Off

The Nado boys walk off the field happily after winning against Columbus.

What's Goin' On?

Hangin' out on the field, junior Austin Thompson is ready for the ball to come his way. "This year was really fun although we could have done a lot better but at least we had the best record out of the fall sports, and I'm going to miss the seniors," Thompson said.

Break Time

Relaxing before the tennis match, the girls tennis team takes time for a quick picture.

Girls Tennis

The Girls Tennis team had a group of very talented young ladies this year. The team had one lone senior, Olivia Finley, who brought both leadership and laughs to the team. Also returning was sophomore Candace Chapman, who qualified as a freshman for state, placing 11th. Chapman was the lone state qualifier this year and finished in ninth place.

Goofing off!

Being silly after a match, the girls tennis team poses for a fun photo.

"The season started out slow, then we turned it around the rest of the year. I feel the season went fairly well but it could have been better," junior Caleb Scourten said.

"We were playing bad until after Interstate, then we started killing, but it was still a fun season," junior Mitch Rolls said.

Rebound that Basketball!

Waiting on the ball, senior Elijah Hershey waits for the rebound during the L.C. away game.

Dribble, Dribble

Driving through his opponent, junior Cody Stephenson goes in for a shot with great determination during the lola home game.

Go for it!

Trying to steal the ball from his opponent, sophomore Derek Davis prepares to make his move.

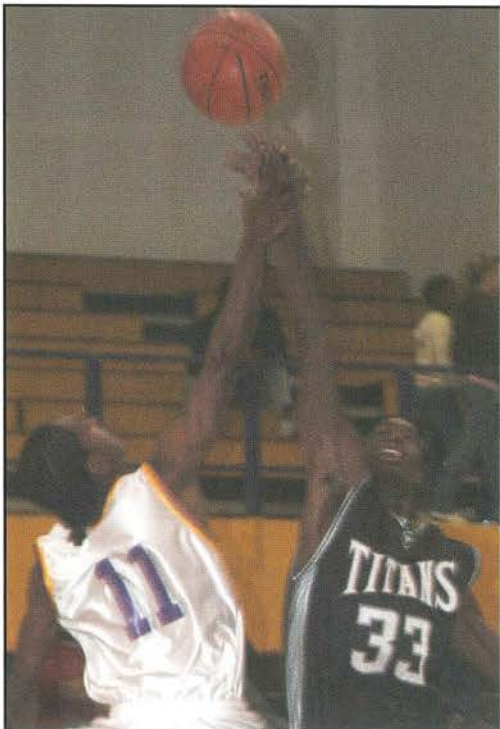

It's Game Time!

After warming up, the varsity team huddles up to figure out their strategy to net their next win.

Lets go NADO!!!

Working the crowd, senior Rob Burrows pumps up the fans at the Nado basketball games.

Boys Basketball

This year our boys basketball team pulled it all off. In the beginning they struggled to pull out the win, but eventually came together and showed their fans what they were made of and ended the season with a record of 13-10.

Let's Hustle!

Staying ahead of the game, sophomore Chris Caresio hurries to get down the court and set up for the next play.

We're Number 1!

After a big win against Labette County, the student section groups up to show that they have spirit too.

Reach for It!

Stretching for it, senior Adam Dean reaches for the ball to tip it to a fellow teammate.

Sixteen years old, such a short time,
To live on this earth, take everything in.
And yet for some reason, you left us so soon.
The thought makes my head spin.
How in so few years can a person,
Make a mark and leave us their face?
Leave us with memories, never forgotten,
Leave us with an aching void, their place.
Forever in our hearts,
though for too few years in our arms.
We'll never forget all you shared.
The way your smile shined,
or your laugh filled the room,
The way we always knew you cared.
We can't deny the hurt that we feel,
We can't say that we won't cry
The hurt hangs on and breaks our hearts,
Because we don't know how to say good-bye.
We thought we'd have
so much more time with you,
We thought we'd see you shine.
We will see you shine Syd, forever,
In all the wonderful things
that you've left us behind.
Sixteen short years, and now you're gone.
The thought steals my breath away.
I barely had time to say hello,
Before good-bye came knocking today.
So good-bye dear child,
Though my heart breaks,
Good-bye to the little girl you'll always be.
Farewell this vision of budding promise.
Good-bye to the young woman we were just
beginning to see.

And so our Sara's gone away, a
star in Heaven some would say.
Memories of her are wonderful you
see, a perfect vision of life that's
tree.

He uses us to fill his needs, to do his
work, to sow his seeds.
But sometimes God has other
plans, that's different from we
mortal man.
Her life was short but full of love,
for family, home and God above.
So short a time with us it seems,
no time to really fill her dreams.

She loved her family most of all,
but shared herself with all who
called, and had no prejudice, or
hate-but accepted life just on her
faith.
She shared with us with her style
and grace,
so lovely, slim with smiling face.
Her hair was golden brown, her
smile was warm, to see her was to
know her charm.

Our Sara

Details:

The 70th Volume of the Field Kindley High School Twister Yearbook was printed by Walsworth Publishing Company. The theme "Life Is A Highway" was chosen by the Twister staff. The cover was designed by the Twister staff along with Walsworth representatives. Body captions and headlines varied by sections, while all captions were AWPC Braddon, nine point, caption headings were AWPC Braddon Bold, 11 point. The 2006-2007 Twister was designed in the FKHS journalism room using Walsworth online design. Photographs were taken by the Twister staff. Team photographs were taken by Larry Murdock, and mug shots were provided by Lifetouch. Each Twister yearbook was sold for \$35. The cost of the book was paid for by book sales and advertisements.
