## Field Kindley High School

If I could relive those days  
I know the one thing that would never change

Every memory of looking out the back door  
I have the photo album spread out on my bedroom floor  
It's hard to say, time to say it  
Goodbye, goodbye.

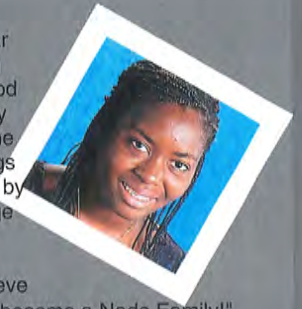

Every memory of walking out the front door  
I found the photo of the friend that I was looking for  
It's hard to say it, time to say it  
Goodbye, goodbye.

Look at this photograph  
Everytime I do it makes me laugh  
Everytime I do it makes me...

"I have had an amazing time here and I can't wait to be in the first class with a

formal graduation ceremony."  
-senior Tiffany Lin

"This year has been really good especially with all the new things enforced by Mr. Dodge and Mr. Vargis. I truly believe we have become a Nado Family!"  
-junior Tayita Abudu

"People should try and get involved as much as they can to have

the most fun at FKHS."  
- sophomore Brad Eastman

"My Freshman year at FKHS has been fun and hard. But still it's been great, can't wait

until next year."  
-freshman Ryan Childress

When time has passed and memories fade. You always have a glimpse back to the days of the Golden Tornado. This is why our theme is the song "Photograph" by Nickelback. Photos are what keep memories alive. We have made this your own personal scrapbook. So you can always remember the year of 2011.

Senior Abbie Kritz looks across the court for an open player.

The Lady Nado did an awesome job this season. Although there weren't as many wins as losses we can all say that they still did amazing. The senior starters for the season were Rebekah Nash, Darci Davis, Abbie Kritz, Katey Crane, and Jordan Roberts. Coach Downing had the girls work on how they played together and how they could be effective in different groups. The goal was to help them improve in both their strengths and weaknesses. As a team they played very much like a family, and that's what a team needs to be.

1. Freshman Devin Cosper and senior Darci Davis share smiles with their teammates at the last game of the season at Girard.
2. Senior Jordan Roberts is taking a shot and hoping to make it into the basket.
3. The team rallies together to get pumped up.

It's been said that swimming is a wimp sport, but swimmers don't see it that way. They don't get time outs, they don't get breaks in the middle of races to catch their breath. They can't roll on their stomachs and lie there, they can't ask for a substitution.

All the hard work the boys put into the season paid off and got them to state.

The student body at Field Kindley High School is made up of some unforgettable individuals. We have students with freckles, some with long hair, others with dimples, a few with piercings, and so on... In a school building full of diversity one thing holds them all as equal and that is that they are all Golden Tornadoes. Each student may leave this high school and achieve greatness, but their individuality is what will always make them truly memorable.

## **Skyler Congratulations!!**

**It's late at night and I am thinking about your graduating high school and want you to remember that for every ending there is a beginning and for every memory there are more memories to make. Always remember the people you have met and know there is a whole world of new people you will be meeting and that the whole world is just now opening wide for you to explore. Always keep an open and curious mind. Now a stroll down memory lane, for you and for me, the times we played and sang Christmas carols while we baked and decorated Christmas cookies, and the summers when we baked cakes, brownies and breads to enter into the Interstate Fair baking competition and how proud you were when you won your first blue ribbon and sold your baked goods what great memories. Then, there were the family trips that were enjoyed by all, blustery cold ski trips to Breckinridge, CO., hot humid trip to The Alamo and other sites we saw in Texas and the fourth of July trip to St. Louis, the Arch, the fireworks on the Mississippi River, the City Museum, Grants Farm, Six Flags, and the trip to Disney World in 2003! Going back a little further, fishing with Poppy, the baseball games, the walks down Roosevelt Drive, remember swinging on the vines that grew on the trees, your time involved with DeMolay, what a striking figure you were all decked out in suit and tie. Tulsa Zoo, learning to drive. These are just a few of the great memories we made with our blue eyed Skyman. We Love You and are So Proud of You.**

## ETHAN EARL "FARTNOCKER" SHAFER

You have been such a blessing straight from God since day one! We are so proud of the young man you have evolved into. It has been such a joy sharing the first 18 years of your life, son. We have watched you excel in every one of your life's adventures that you have set out to try...thru the speed skating, soccer, football, playdays, rodeos, cutting events, and yes... even the "Pokemon" stage with its cards and the tournaments you attended ( and won if you remember)! You have always approached the activities you have pursued in life with so much excitement and commitment. Watching you grow and evolve has been entertaining, exciting, and so rewarding, however, we are MOST proud of the sweet spirit you posses and the compassionate young man you have grown into. We know from your past track record, you will excel in the journey of life that is ahead of you, and that it holds much GREATNESS and SUCCESS for all your endeavors! Don't be afraid to approach life with a passion and excitement of your youth...NOTHING is too hard or so far out of your grasp, that you can't dream it and acheive it! We have always believed in you and will continue to do so in your future achievements as well.

WE LOVE YOU BUNCHES!!  
Mom and Dad

Brandi Jo-

The greatest gift we could ever receive is the happiness that shines from you now! We are very proud of you! You can do whatever you want to do in life, never settle for less!

Mikinzie Dawn... We're so thankful for you and beyond proud of your accomplishments. You love well and without reserve, and you are one of the hardest workers we know. Both are traits you get from your mama. You've blessed our lives, and we can't wait to see what God has in store for your future.

You're our Kinz, our Kinzi Doodle Dawner, our sister, our daughter, and our friend. We love you and pray great things for you!

Dad, Rene and Shane, Trevor, and Sydney

# Hannah,

When you were first born you was such a Blessing. You always scared us being sick, so fragile. So awnery, especially when you and Beth would team up on your mom and I when you wanted something. Just wish in my fathering I could be home to spend time with you more. It just seems here's my little baby all grown up and such a beautiful lady. I'm so proud of you. I know sometimes we butt heads but I love you very much. My little Hannah if you ever need anything I'm here for you.

Your loving daddy

Hannah you've been such a great sister to me and an even better friend to me. You have always been there when I needed you. You taught me things that no one else could have and you've always been caring to me. When you're gone I don't know how I'm going to live without you. I will miss you greatly but I know you're going to love what you're doing and I just wish you a happy life in whatever you decide to do with your life.

LOVE,  
YOUR BROTHER STEVEN COWARD

Hannah, even though we don't get along a lot, I'm glad you're my sister and I know I can always count on you no matter what happens.

Love,  
Your sister Elcora

Hannah you're an amazing sister and friend. We've been through a lot and I know I can count on you. We have so many inside jokes it's hard to count them. I love you Froyo. I wish you all the best and happiness in life.

Love,  
Bethany

Hannah,

As I write this letter, the year is quickly racing by. It seems like only yesterday, I was in full protective parent mode: from making sure Bethany didn't try to carry you around and drop you to allergen proofing your life. Oh, it was yesterday! No, just kidding. Seriously, though, I know that sometimes you thought I "kept you in my pocket" because I worried and fretted so much, but you never let that stop you. You've always worked hard. Even when you missed 21 days of school in first grade and missed all of your recesses for a month in 2nd grade to make up missed work that you weren't allowed to bring home, you didn't let it get you down. I've got to tell you, when your lips turned blue and I spent an hour just praying God wouldn't take you from me, all I wanted to do was put a special bubble around you so nothing could ever get through and harm you, but not you. As soon as you were able, you were up and more determined than ever. Oh, and by the way, you made straight A's your 1st & 2nd grade years. But back to the point, I guess what I'm trying to say is that you are and always have been one of my greatest treasures in life. God certainly smiled on me when he gave me you.

Though I'll always be here when you need me and I'd still like to "keep you in my pocket", I know it's time to let you begin your own path and I know that the determination you've always had is going to lead you into wonderful things. I am soooo proud of you. Just know that my love and prayers are always with you, even when I can't be.

Love, Mom

**Lucas,**

We are so proud of you!  
Good luck in  
your future.  
Set your goals high!

Love,  
Mom & Dad & Logan

**Rima,**

The sky is the limit  
but you can go  
beyond the sky too.

Your future is  
waiting for you.

You are beautiful  
inside and out and  
we will always be  
here for you.
