Spring sports practice has begun. There are six spring sports played at FKHS: girls swim, softball, boys tennis, boys golf, track, and baseball.

The girls swim team currently has 18 girls with four seniors: Emma Viets, Victoria Froelich, Dani Hanna and Abigail Smith. The team is preparing for their first meet on April 2 by practicing hard on techniques, conditioning, perfecting strokes, and getting stronger.

“The season will go well if everybody can make it to practice and consistently show up,” swim coach Tracey Childress said.

The softball team consists of 29 players with five seniors: Carley Braschler, Sydney Coons, Kenzie Green, Makayla Green, and Leah Martinez. The weather has limited the girls to indoor practices so they are currently working on hitting.

“I am excited for this season. We have a great group of returning players combined with a pretty solid group of first years,” head softball coach Shelli Stanley said.

The boys tennis team is starting the season off with one player. At practice he is working on fundamentals, serving, and agility. He will continue to work on those things until the first meet on April 1.

“Any boys that would like to join the team, please see Mr. Nagle. It’s not too late!” tennis coach Brian Nagle said.

The boys golf team currently has nine golfers with one senior, Josh Phillips. The weather is also effecting the golf team so they are working on putting, chipping, and fundamentals. When the weather gets better they will be playing a lot more golf to prepare them better for the season.

“We have a young team that doesn’t have a lot of experience but they are hungry and want to learn. I think if they work hard they could have a good season,” golf coach Mike Peck said.

“I am looking forward to what these guys can do. Josh has been with me for four years and this year he has the opportunity to do well. I hope he finishes his senior season off right,” Peck said.

Track and baseball information was not available by press time.

## News Briefs

The Coffeyville FFA has been busy this Spring competing at various contests. Recently at the Southeast District banquet several students earned district proficiency awards.

First place district winners were: Owen Carr, beef placement; Will Huff, ag mechanics and repair; Emily Swiger, horse entrepreneurship and vet science; Elayna Newton, ag education; Amelia Maulsby, nursery operations.

All the above first place district winners will represent the Southeast district at State.

Second place district winners were: Taylor Isle, agricultural services; Ani Rexwinkle, beef entrepreneurship; Deziree Lee, swine entrepreneurship; and Hannah Carr, exotics and wildlife.

Third place District winner was Torrie Shufeldt in ag mechanics and design.

While at the district banquet Swiger earned the title of district Star placement for her Supervised Agricultural Experience (SAE), and she was also elected district Treasurer.

more canned foods than Independence High School. We collected 147 non-perishable food items and IHS only collected 47.

All of the food collected will be donated to the local Salvation Army to help restock their food pantry.
