

College Counseling Program

The OES college counseling team collaborates with students to make the college search process a thoughtful, well-informed experience. Our goal is to help students find colleges where they will flourish based on the needs and ambitions of each student. The OES college counseling program is personalized, comprehensive, and well-structured.

OES COLLEGE COUNSELING HIGHLIGHTS

- The college counselors guide students and families through all phases of the process: developing college lists, researching options, college visits and interviews, college admission testing, college applications and essays, paying for college, and selecting a college.
- From January of junior year through the end of senior year, students have unlimited access to college counseling support.
- Over 100 college representatives visit OES each fall to meet with interested juniors and seniors.
- OES has a long history with many colleges across the United States and beyond. We engage with our college colleagues when they visit OES and through professional development opportunities.
- Through college counseling presentations, students and families in grades 9 and 10 receive timely guidance that helps them navigate high school in relation to college. Although much of our time is devoted to juniors and seniors, we welcome questions and conversations with students and parents/guardians in earlier grades as needed.
