- A 90 - 100
- B 80 - 89
- C 70 - 79
- D 60 - 69
- F 59 and below

TRA does not rank based on GPA calculations, with the exception of the Top 10.

CURRICULUM

Students follow an A/B block schedule. Offerings include College Prep, Honors and Dual Enrollment courses.

Tipton-Rosemark Academy has been equipping students for higher education and for life since 1965. For over 50 years, we have produced graduates who exemplify our four pillars: Faith, Academics, Character and Service.

Our campus covers 23 pastoral acres where we provide an environment that offers our students opportunities to build strong friendships as they gain confidence and leadership skills. We also give our students an opportunity to live their faith through participation in prayer, devotionals, biblical instruction and chapel.

Our students leave well prepared for the rigors of college life. In addition, our award-winning fine arts and competitive athletic programs give students the chance to forge a balance between academics, the arts and athletics.

GRADUATION REQUIREMENTS

PORTRAIT OF A GRADUATE

TRA graduates are empowered to walk confidently in their faith; while they exhibit strong character, empathy for their fellow man, and the ability to adapt courageously to the academic and life challenges ahead.

Faith: Our students stand firm in their faith, have a strong Christian foundation, and are continually seeking God's direction in all aspects of their lives.

Academics: Tipton-Rosemark Academy instills in our students a love for learning and the ability to think critically, analytically, and creatively.

Character: Our students are persons of integrity, who live honorably and have a profound respect for the self-worth of others.

Service: Our students are equipped with the desire to assist others and have a heart for serving their community with intention and purpose.

OUR MISSION

Providing a culture grounded in Christian values, Tipton-Rosemark Academy is dedicated to guiding students toward their full potential. Using a personalized, technology-driven curriculum with high academic standards, TRA develops students who are bound for college. Preparing students for life through participation in a variety of extracurricular and service activities, TRA shapes leaders for a global society.
