APPENDIX A: BID ITEM SPECIFICATIONS

The Ballston Spa Central School District seeks bids to perform both interior and exterior patching and painting on an as-needed

Specifications:

As-needed patching and painting services for building interior and exteriors

- Prepare surfaces by patching holes and sanding to paint-ready condition.
- Apply primer coats as needed to prepare surfaces for painting
- Apply paint to primed surfaces, the number of coats to be applied as determined by finished coverage.

Work areas to paint will be available after 4:00 P.M. Monday through Friday and weekends during the school year.

Work areas to paint outside of the academic year will be available for access at any time.

All work scheduled work to be performed must be pre-coordinated with the Facilities Department.

Paint will either be provided by the School District, or the contractor. If the paint is provided by the contractor, the cost of the paint is to be included into the unit price for providing patching and painting services.

Any paint provided by the contractor for application must be pre-approved by the School District.

SDS hazard sheets must be supplied to the School District prior to product application.

Floors and furniture must be covered and protected during painting and patching operations to protect from splatters and drips. Splatters and drips on glass are to be removed by the contractor as a component of the job.

This is a Public Works project and New York State Prevailing Wages apply for all work performed applies.

A certified payroll is required prior to the release of any payments.

Written estimates for painting are required prior to approving work to be completed. The District reserves the right to seek additional outside proposals for work, as deemed necessary.

Job estimates shall include all travel, labor and; materials, if the contractor is providing all materials.

This is a New York State public works prevailing wage job.

This is a one year (12-month) contract, that may be extended up to two additional one-year terms upon agreement between the District and vendor.
