

## AHERA Annual Notification

July 1, 2024

Dear Parents and Guardians of Pleasanton Unified School District Students:

On October 22, 1986, the President signed into law the Asbestos Hazard Emergency Response Act (AHERA) which requires that the District annually notify employees, building occupants or their legal guardians and outside vendors regarding AHERA-related activities. This includes building inspections, re-inspections, response actions and post-response action activities, including periodic re-inspections and surveillance activities that are planned or are in progress.

The three year re-inspections were completed in 2023 for the following school sites: Alisal ES, Amador HS, Donlon ES, Fairlands ES, Foothill HS, Harvest Park MS, Lydiksen ES, Valley View ES, Vintage Hills ES, and Walnut Grove ES. All reports are stored at the District Office.

As the designated person responsible for AHERA compliance for Pleasanton Unified School District, any further questions may be directed to me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Mehdi Rajabzadeh".

Mehdi Rajabzadeh  
Executive Director of Operations
