My Ride K-12 App

To access student routing information through the My Ride K-12 mobile app, do the following:

1. Download **My Ride K-12** mobile app on iOS or Android.

2. Search for **St. Bernard Parish**.

3. Once St. Bernard Parish is selected, you'll be presented with the login page. If you don't already have a login, click "Register".

4. After registering, you'll receive an email confirmation.

5. Log in. Add your child by going to **My Students** and selecting the "**+**" button. This will present the **Find a Student** screen.

6. Enter your student's school ID number (7 digit number). Repeat this step to find additional students.

7. When all children are added, you can then view transportation information for each of your children.

If you'd like to share a student link with another person:
1. Go to My Students and either long-press for Android or left-swipe for iOS.
2. Choose which students to share, then enter the email address of the person you'd like to share with. That person will receive a confirmation email which will then automatically link the student to that user. They will be required to register with My Ride K-12 if they haven't already done so.
