RTI

Matt Cox,
SRO

Katie Marbury,
Secretary/ Bookkeeper

**Meet Your Gadsden Elementary School Educational Staff
By Ron Barry**

[Second in an occasional series of photo compilations designed to introduce the teachers and administrators of the various schools in the Crockett County School District. The remaining individual district schools will be presented at various times during the first few months of the 2024-25 school calendar.]

Enabling the citizens of Crockett County to put the names and faces of district school educators together as a new school year begins, we present the staff of Gadsden Elementary School in this second installment. A previous installment featured the personnel of Maury City Elementary School.
