Greetings Maltby Parents,

We are off to an excellent February and like all of our months here at Maltby it is a busy and fun one!

March is Reading Month...

We are planning an exciting March is Reading Month for our Maltby Bullpups with a career focus to give our students some exposure to the multitude of career pathways they can pursue when they get older! We are looking for any parents who would be interested in coming in and doing a "Hot Seat" interview during our lunches where we would ask you about details of your career, how you chose it and chose it, and what preparation it required. We have a limited number of spots for March but please know we would be interested in continuing other sessions later in the year if we get a large response. Please use the link below to let us know if you would be interested- thanks! [Hot Seat Parent Interview](#) (Open the link using a Chrome browser. If you still have issues, contact Alexis Joseph at josepha@brightonk12.com.)

"When to Worry About Your Child's Worries" Presentation...

BAS Parent University is hosting another session on February 28th from 6:30-8pm at Brighton High School Media Center. Dr. Heather Schmitt from Thriving Minds will present on children and anxiety. Please see the flyer in the newsletter to register.

Upcoming NWEA Assessments...

Our 5th and 6th graders will start the Spring round of NWEA assessments the week of March 6th. Students take Reading and Math assessments over 2 weeks in their classrooms. These assessments are computer designed and provide some outstanding student growth information for parents, students, and teachers. Both assessments take about an hour for students to complete. We are planning on sending home results in early April. If you would like more information on NWEA assessments please access our Parent Guide to NWEA on the Maltby website under Parent Resources.

Parent Information Night for Incoming 5th Grade Parents...

Our annual Parent Information Night for incoming 5th grade parents will be held on Thursday, March 2nd at 6:30pm. If you have an incoming 5th grade student please plan on joining us for our parent orientation where we will be presenting information on scheduling, curriculum, Encore classes, lockers, lunch, bussing, and much much more!!

Please note this event is for parents not students- thank you.

6th Grade Scheduling for Next Year...

Our Scranton Middle School Counselors are visiting our 6th graders on March 6th to begin the process of selecting classes for 7th grade! This is an exciting process for our 6th grade Bullpups as they look forward to transitioning to Middle School! The counselors will discuss all of the required and elective classes and send information home with our students to assist them in selecting their classes. In addition, our 6th graders will get to visit Scranton on March 20th and 23rd!! Student schedule selections for Scranton will be due to their homeroom teachers on March 17th- parents are required to sign the course selection sheet- please make sure you discuss your child's course selections with them.

Scranton's Spotlight Night for incoming parents will be held March 19th at 6:00pm!

Parking Lot...

Just a reminder to please be safe in the parking lot. Please DO NOT put your own need to hurry before the safety of our students in the morning and afternoon! We all need to work together and follow the traffic patterns to help keep kids safe. Dropping students off in non-designated areas or cutting through rows of parking are simply not acceptable. Please do not park people in if you are in the often lengthy line for the student pick-up. If you see dangerous driving in our lot please note the plate number and vehicle description and call our office. PLEASE if you have a student that walks home- reinforce the need for them to cross at the crosswalks AND Look both ways before crossing!!

Kind Regards,
Mr. Brenner & Mr. Aten

Sucker Pull

We will be having our February Sucker pull at each lunch on February 16h and 17th to help raise money for recess bags for each classroom. Each pull is \$1 and you get to keep the sucker and have a chance to win another sweet treat!

Kindness Week is February 20-24 and orders for Kindness shirts are now available!

Ivory Vines has generously decided to donate a portion of all sales back to the school (we will use the money to do something fun for the kids) . So make sure you note that the order is for Maltby. Order from the link or visit Ivory Vines downtown Brighton.

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones can present a distraction for your student and/or others in their classes.

Therefore, at MIS our students:

Turn off cell phones at the beginning of the day and place them in their backpack.

Refrain from texting friends or parents during school hours.

Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby a distraction-free learning environment by following these

procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day.

Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600.

Please call before 3:05pm to ensure your child receives the message!

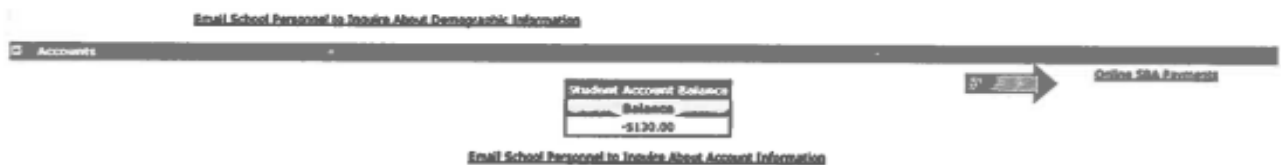

Thank you!

Have you paid for 5th Grade Camp yet? Please do so now!

How to pay for Camp Ohiyesa on Parent Connect

1. Log into your Parent Connect account from the Maltby webpage.
2. Select your fifth grader.
3. Click the "Account" tab on the left hand side.
4. You will then see something like this:

5. Select "Online SBA Payments" on right.
6. Select your student from the Drop down menu.
7. Then in the Item drop down, select "5th grade camp Fee"

8. Add the fee to the cart. If you are a chaperone, you may find another charge in that drop down menu. Add that to your cart also.
9. Proceed to checkout and manage the payment through PayPal.

You must do this on a computer, it will not work on a cellphone.

If you have any questions regarding the Pizza Kit sales and Camp payment, please contact Mr. Aten at atend@brightonk12.com.

Call the school office if you need financial assistance.

Hearing and Vision Screening

What Schools and Parents Need to Know about Michigan's Hearing & Vision Screening Programs

Scheduled 2/13-2/17!

LIVINGSTON COUNTY Health Department

2300 East Grand River Avenue, Suite 102
Howell, MI 48843-7578
(517) 546-9850

Finding hearing problems is very important to a child's development of speech and progress in school. Here are some facts about hearing screening services:

Michigan law requires *preschool* children be screened for hearing at least once during ages 3-5, and that *school-age* children be screened in grades K, 2, and 4.

Hearing technicians receive two weeks of training in both preschool and school-age settings.

Hearing technicians participate in the Technician Observation Program (TOP) which is designed to promote hearing screening quality assurance through technician observation and assessment.

About 90% of children who receive their first screening are found to have normal hearing . . . which is great! The other 10% will receive a follow-up screening or audiogram (a graphic display of a child's hearing levels).

About 50% of those children receiving a second screening are found to need medical attention for their suspected hearing loss.

Immediate treatment, upon diagnosis by a doctor, increases the chance of correcting short-term problems and preventing them from becoming permanent problems.

Each child with hearing problems will receive continued services yearly until two normal hearing tests are obtained or they are no longer in elementary school.

Michigan's Public Health Code (Act 368 of 1978) requires local health departments, with the help of the state, to conduct free and periodic hearing and vision screening services to preschool and school-age children.

- VISION -

Children do not know how well they should see. Eyes grow as children grow and may develop problems at any stage of growth. These are some facts about vision screening services:

Michigan law requires *preschool* children be screened prior to entering kindergarten, and that vision screening of *school-age* children take place in grades 1, 3, 5, 7, and 9 **or** grades 1, 3, 5, 7, and driver training.

Vision technicians receive one week of training in both preschool and school-age settings.

Vision technicians participate in the Technician Assessment Program (TAP) which is designed to promote vision screening quality assurance through technician observation and assessment.

Impaired vision is one of the most common health problems affecting children, and between 20-25% of children in Michigan have a visual defect.

Amblyopia (lazy eye), which is the leading cause of partial permanent vision loss in the United States and affects approximately 2 or 3 out of 100 children, can be prevented if treated early. Crossed eyes or unequal vision between the two eyes are the most common causes. Vision technicians are trained to screen children for lazy eye.

Visual acuity, or clearness of vision, has proved to be the best way to determine the possible presence of a visual problem. Vision technicians are able to administer Visual Acuity/Two-Line Difference Tests to preschool and school-age children.

Did you know?

The Hearing and Vision Screening Programs, managed by the Michigan Department of Health and Human Services (MDHHS), and implemented by 45 state-wide county health departments, have been in place for more than sixty years!

In Michigan, over 1 million children are screened each year for hearing and vision problems. Over 79,000 children are referred for further evaluation.

The Michigan Hearing and Vision Screening Programs have long been recognized as ideal models for other states to follow. Both programs are carefully standardized so that each child screened, regardless of where they reside, receives consistent screening, referral, and follow-up services.

In Livingston County, the Health Department conducts hearing and vision screening according to the following schedule. Please call for further information.

INFORMATION FOR SCHOOL-AGE YOUTH

IF YOU LIVE IN ANY OF THE FOLLOWING SITUATIONS:

In a shelter

In a motel or campground due to the lack of an alternative adequate accommodation

In a car, park, abandoned building, or bus or train station

Doubled up with other people due to loss of housing or economic hardship

You may qualify for certain rights and protections under the federal McKinney-Vento Act.

Eligible students have the right to:

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in school and attend classes while the school gathers needed documents.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is their preference and is feasible.
 - * If the school district believes that the school selected is not in his/her best interest, then the district must provide the student with a written explanation of its position and inform the student of his/her right to appeal its decision.
- Receive transportation to and from the school of origin, if requested.
- Receive educational services comparable to those provided to other students, according to the students' needs.

If you believe you may be eligible, contact the local liaison to find out what services and supports may be available.

Free School Meals for All Students Has Ended

When the 2021-2022 school year ended, so did free meals for every student. While the federal government funded a program that allowed all students access to free meals during the COVID-19 pandemic, Congress has declined to continue funding this program.

We understand this change may cause you to worry. However, **there are important steps you can take NOW to be sure your student receives the meals they need for the 2022-2023 school year.**

If your student qualifies for free or reduced meals, they can still receive them this fall, but you **must take action** to make it happen. Please complete the **2022-2023 online application**, which is available at <https://www.brightonk12.com/Page/7665> or go paperless with an online application on ParentConnect. Paper applications are also available at the school where your child attends.

If you do not qualify for free or reduced meals, you may begin depositing money into student accounts at any time to prepare for the cost of school lunches next year. Information on meal prices for the 2022-2023 school year are listed below;

	Breakfast Meal Price	Lunch Meal Price
Elementary	\$2.50	\$3.00
Middle School	\$2.50	\$4.00
High School	\$2.50	\$4.00

If your student has a negative lunch account balance, we encourage you to pay it off as soon as possible and then begin depositing money into the account to prepare for the 2022-2023 school year.

Completing an application is the **only way** to be considered for free or reduced meals next school year. **Please take action now.**
