Greetings Maltby Parents,

We have had another fantastic two weeks here at Maltby Intermediate! Thank you to our wonderful PTO for sponsoring an awesome science assembly last week- Hagerman The Science Wizard presented for our 5th and 6th graders on May 9th!

BAS has some fantastic summer learning opportunities for our Bullpups- please see the flier included in this newsletter for more details.

M Step...

Our 5th and 6th graders have concluded their M Step testing - thank you to all of our Maltby Bullpups for their efforts on the assessments.

Dress Code...

Parents, this is the time of year that we ask your help in ensuring our dress code standards are met by students - this can be a challenge depending on what the clothing stores are selling in any given year and what the current fashion trends are! Please help us by looking to see that your student is dressed appropriately for the school day - thank you.

6th Grade Howell Nature Center Field Trips...

Our 6th grade homerooms will begin their Howell Nature Center visits this week! Students will have the opportunity to experience the Teams Challenge and Pond Study Course, and the Global Village component of the HNC. We are very excited for this group of 6th graders to have this opportunity, as they unfortunately did not get to participate in 5th grade camp last year.

5th Grade Reproductive Health Unit...

Parent permission slips for our 5th grade reproductive health unit will be coming home in the next 2 weeks. This unit is taught to our 5th grade students in late May/ early June and students are separated into boys and girls groups.

We will be holding a virtual preview on **May 19th at 7pm** so parents can preview the videos in the event they would like to do so. We will send out a separate communication with that link. All of the teaching materials used in our reproductive health unit are approved by the district Health Advisory Committee.

5th grade parents, we will be sending out a detailed email prior to the 19th with the links for you to preview the Health videos.

Parking Lot...

Parents please remember that left turns out of our lot are not permitted except for busses during the posted times. We have had a few instances of parents ignoring our signs and waiting to turn left on to Bauer Road which has caused significant back up in the exit line. Please be safe and vigilant in our lot and on the surrounding streets - thank you.

Kind Regards,

Mr. Brenner & Mr. Aten

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones can present a distraction

for your student and/or others in their classes.

Therefore at MIS our students:

Turn off cell phones at the beginning of the day and place them in their backpack. Refrain from texting friends or parents during school hours. Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby

a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day. Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600. **Please call before 3:05pm to ensure your child receives the message!**

Thank you!

The McKinney Vento Act

The Brighton Area Schools is part of a consortium to serve students in temporary living situations that provides financial support for educational needs, referral for housing, clothing and other needs, general support and technical assistance. To ensure compliance with federal law, all school staff must help identify student living in the following situations: emergency shelters/transitional housing, motels/hotels, car, parks or public spaces, shared housing due to a loss of housing or economic hardship, or living temporarily with non-parent or guardian.

The district's homeless liaison is Starr Acromite and each building has trained staff members to assist in the endeavor. Our consortium contact at the Livingston Educational Service Agency is Candice Uyttendaele.

Please contact your building principal or Starr Acromite at 810-299-4040 for information/assistance.
