

The Paw Print

Greetings Maltby Parents,

We have had a great return from Spring Break here at Maltby! The students are enjoying our new "Spirit Rock" in the front of the school and our Bullpups attended an awesome "Artrageous" assembly last Friday thanks to Brighton Community Ed and our PTO! Thank you once again to Ginger Timney and our PTO for some excellent Spring building decorations! Our 5th and 6th grade student completed their ELA M-Step testing this week and we have Math testing coming up. We also had a wonderful time hosting all of our BAS 4th graders last week and this week so they could see our Encore classes first-hand before they make their choices.

5th to 6th Grade Scheduling for Next Year...

Our 5th grade families need to go to the Maltby website and choose their year-long Encore selection (Band, Music, Orchestra, or Year-Long PE) by **April 22nd**. The Google Form can be found in the middle of our [Maltby Homepage](#) on a black bar.

6th Grade Howell Nature Center Field Trip...

Our 6th grade Bullpups will be visiting the Howell Nature Center in late May to participate in their Team Challenge, Pond Study, and Global Villages programs! We are really looking forward to this trip- parents please look for permission slips and required forms to come home next week to be filled out and returned by May 9th! More about this next week!

Exciting Encore News for Next Year...

We are excited to announce Maltby will be incorporating STEAM (Science, Technology, Engineering, Arts, Mathematics) as one of our Encore classes for 5th and 6th grade students next year! With the construction of our amazing new STEAM Center this summer we are looking forward to offering this exciting curriculum to all of our students. Our year-long Encore choices for 5th and 6th grade will remain the same (Band, Music, Orchestra, Year-Long PE) but our trimester Encore classes will now become quarterly classes and will be as follows:

5th Grade: Art, PE, Technology, STEAM

6th Grade: Art, PE, Spanish, STEAM

New Maltby and Hornung School Resource Officer...

We are excited to welcome Officer Mike Mitchell to Maltby Intermediate School as our new School Resource Officer!! Officer Mitchell (Retired officer from the Brighton City Police) - was formerly the police liaison for the Brighton Area Schools and has worked at Scranton in a security role for the past few years. He started at the Maltby building April 5th and he will also assist with Hornung.

New Maltby Counselor...

We are excited to announce the addition of a 2nd counselor for our Maltby Bullpups! Ms. Alexis Joseph has joined Ms. Anderson in our Maltby Counseling Office to help ensure all of our Bullpups are have a great year! Ms. Joseph comes with some outstanding school counseling experience and we are excited to welcome her.

Parking Lot...

Just a reminder to please be safe in the parking lot. Please DO NOT put your own need to hurry before the safety of our students in the morning and afternoon! We all need to work together and follow the traffic patterns to help keep kids safe. Dropping students off at areas other than the crosswalks or cutting through rows of parking are simply not acceptable. If you see dangerous driving in our lot, please note the plate number and vehicle description and call our office. PLEASE if you have a student that walks home- reinforce the need for them to cross at the crosswalks AND Look both ways before crossing!! PLEASE if you witness bad driving behavior in our lot let us know!

Kind Regards,
Mr. Brenner & Mr. Aten

Middle School Math Information 2022:

For the majority of incoming 7th graders, the most developmentally appropriate math placement is Pre-Algebra (7th Grade Math). Then in 8th grade, students who have met the placement criteria will be invited to take High School Algebra 1. To ensure the most appropriate math placement for each student, multiple data points are used to determine which math course will best meet your student's needs. A small percentage of students may be ready to advance into High School Algebra 1 in 7th grade. To be certain that prerequisite understandings and skills are in place, an Algebra 1 Placement test will be administered to qualifying students.

- Due to the fact that any student taking High School Algebra 1 in 7th grade will be skipping two full years of foundational middle school mathematics, the criteria for the Algebra 1 Placement Test is very rigorous:
 - Students must have earned an Advanced or Proficient score on the Quantile Benchmark (as measured by Imagine Math).
 - Students must have also scored in the 90th percentile or higher on the nationally normed NWEA (Measure of Academic Progress).
- For students who meet the criteria, an invitation letter to take the Algebra 1 Placement test will be sent home on Friday, April 8, 2022.
- During the school day on April 27, 2022, the Algebra 1 Placement test will be administered by the BAS Math Coach and MIS teachers.

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones can present a distraction

for your student and/or others in their classes.

Therefore at MIS our students:
Turn off cell phones at the beginning of the day and place them in their backpack. Refrain from texting friends or parents during school hours.
Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby

a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day. Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600. **Please call before 3:05pm to ensure your child receives the message!**

Thank you!

The McKinney Vento Act

The Brighton Area Schools is part of a consortium to serve students in temporary living situations that provides financial support for educational needs, referral for housing, clothing and other needs, general support and technical assistance. To ensure compliance with federal law, all school staff must help identify student living in the following situations: emergency shelters/transitional housing, motels/hotels, car, parks or public spaces, shared housing due to a loss of housing or economic hardship, or living temporarily with non-parent or guardian.

The district's homeless liaison is Starr Acromite and each building has trained staff members to assist in the endeavor. Our consortium contact at the Livingston Educational Service Agency is Candice Uyttendaele.

Please contact your building principal or Starr Acromite at 810-299-4040 for information/assistance.
