Greetings Maltby Parents,

Thank you to all of our incoming 5th grade parents who attended our information night last Thursday. We had a great turn out and we are looking forward to a new group of Bullpups next year! The end of our 2nd trimester was March 4th. Trimester #2 Report Cards will be coming home with students on March 18th. Please remember to sign your child's envelope and have them return it to the homeroom teacher- thank you.

Thank you to the Maltby PTO and GDP Landscape Supplies for the amazing new Maltby Spirit Rock!! It is right behind our flagpole in the front and we couldn't be happier to have it- thank you!!!

March is Reading Month...

We had a fantastic assembly with Author Bryan Chick of the Secret Zoo series of books last Friday! It was an amazing opportunity for our students to meet him. This year for March is Reading month our students will again have the opportunity to compete in the "Battle of the Books" contest! This year's Battle of the Books will take place on April 29th. Students choose a team of friends to participate, read the books, and compete in a book quiz challenge against other teams! It is a great experience and lots of fun for the students! Students also have been following the March Madness Book Battle brackets as weekly we get to vote on books- thank you to our PTO for sponsoring this fun event!

6th to 7th Grade Scheduling for Next Year...

Our Scranton Middle School Counselors visited our 6th graders on Tuesday to begin the process of selecting classes for 7th grade! This is an exciting process for our 6th grade Bullpups as they look forward to transitioning to Middle School! The counselors discussed all of the required and elective classes and sent information home with our students to assist them in selecting their classes. In addition, our 6th graders will get to visit Scranton on March 23rd and 24th!!

5th to 6th Grade Scheduling for Next Year...

Our 5th graders will be scheduling for next year's classes after Spring Break. Look for more information in our next newsletter.

Exciting Encore News for Next Year...

We are excited to announce Maltby will be incorporating STEAM (Science, Technology, Engineering, Arts, Mathematics) as one of our Encore classes for 5th and 6th grade students next year! With the construction of our amazing new STEAM Center this summer we are looking forward to offering this exciting curriculum to all of our students. Our year-long Encore choices for 5th and 6th graders will remain the same (Band, Music, Orchestra, Year-Long PE) but our trimester Encore classes will now become quarterly classes and will be as follows:

5th Grade: Art, PE, Technology, STEAM

6th Grade: Art, PE, Spanish, STEAM

New Maltby and Hornung School Resource Officer...

We are excited to welcome Officer Mike Mitchell to Maltby Intermediate School as our new School Resource Officer!! Officer Mitchell (Retired officer from the Brighton City Police) - was formerly the police liaison for the Brighton Area Schools and has worked at Scranton in a security role for the past few years. He will be assigned to Maltby beginning on April 5th and he will also assist with Hornung.

Parking Lot...

Just a reminder to please be safe in the parking lot. Please DO NOT put your own need to hurry before the safety of our students in the morning and afternoon! We all need to work together and follow the traffic patterns to help keep kids safe. Dropping students off in areas other than the crosswalks or cutting through rows of parking spots are simply not acceptable. If you see dangerous driving in our lot please note the plate number and vehicle description and call our office. PLEASE - if you have a student that walks home- reinforce the need for them to cross at the crosswalks AND look both ways before crossing!! If you witness bad driving behavior in our lot, please let us know!

Kind Regards,
Mr. Brenner & Mr. Aten

Middle School Math Information 2022:

For the majority of incoming 7th graders, the most developmentally appropriate math placement is Pre-Algebra (7th Grade Math). Then in 8th grade, students who have met the placement criteria will be invited to take High School Algebra 1. To ensure the most appropriate math placement for each student, multiple data points are used to determine which math course will best meet your student's needs. A small percentage of students may be ready to advance into High School Algebra 1 in 7th grade. To be certain that prerequisite understandings and skills are in place, an Algebra 1 Placement test will be administered to qualifying students.

- Due to the fact that any student taking High School Algebra 1 in 7th grade will be skipping two full years of foundational middle school mathematics, the criteria for the Algebra 1 Placement Test is very rigorous:
 - Students must have earned an Advanced or Proficient score on the Quantile Benchmark (as measured by Imagine Math).
 - Students must have also scored in the 90th percentile or higher on the nationally normed NWEA (Measure of Academic Progress).
- For students who meet the criteria, an invitation letter to take the Algebra 1 Placement test will be sent home on Friday, April 8, 2022.
- During the school day on April 27, 2022, the Algebra 1 Placement test will be administered by the BAS Math Coach and MIS teachers.

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones can present a distraction

for your student and/or others in their classes.

Therefore at MIS our students:
Turn off cell phones at the beginning of the day and place them in their backpack. Refrain from texting friends or parents during school hours.
Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby

a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day. Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600. **Please call before 3:05pm to ensure your child receives the message!**

Thank you!

The McKinney Vento Act

The Brighton Area Schools is part of a consortium to serve students in temporary living situations that provides financial support for educational needs, referral for housing, clothing and other needs, general support and technical assistance. To ensure compliance with federal law, all school staff must help identify student living in the following situations: emergency shelters/transitional housing, motels/hotels, car, parks or public spaces, shared housing due to a loss of housing or economic hardship, or living temporarily with non-parent or guardian.

The district's homeless liaison is Starr Acromite and each building has trained staff members to assist in the endeavor. Our consortium contact at the Livingston Educational Service Agency is Candice Uyttendaele.

Please contact your building principal or Starr Acromite at 810-299-4040 for information/assistance.
