

The Paw Print

Greetings Maltby Parents,

It has been a great week here at Maltby Intermediate!!

Please make sure to check out Dr. Outlaw's October Newsletter [here](#) for some great information on Productive Struggle, Social Media, and COVID updates.

NWEA...

This year Maltby will again be using the Northwest Evaluation Association test for Measures of Academic Progress (MAP). This test will measure student growth in reading and math for our 5th and 6th graders. NWEA assessments will begin the week of October 11th.

5th Grade Camp Little Caesar's Fundraiser...

Our fundraiser for 5th grade camp is continuing through **October 17th**. Student earn \$6 per pizza kit they sell to put towards camp! Please see the flyer on page 9 for more information.

Lexia Power Up...

We are excited that our Bullpups are using Lexia Power Up this year to work on word study, grammar, and comprehension. These are three areas that are essential to good reading...please see the Lexia Power Up letter to parents on page 6 for more information.

Student Drop-Off and Pick-Up...

Please remember our **"7 Second"** drop off target time if you are dropping your student off at Maltby in the morning. Having the kids ready to go and out of the car quickly helps the line move efficiently. Just a reminder that students are **not** permitted to walk to our sidewalks from the interior parking spaces- please make sure you escort your student to and from the sidewalks if they cannot get out directly onto a sidewalk.

We have noticed there are times in the morning when parents are waiting in a very long drop off line but there are lots of spots open in the main lot- if you wind up in the unfortunate circumstance that you are blocking traffic while waiting for the drop off line to move...please consider pulling into the main lot and parking and walking your student to the sidewalk. Thank you for your cooperation and patience in the morning and afternoon. We realize how busy we all are but we must all take the time to ensure our children are safe in the parking lot by following the guidelines.

Colder Weather...

It's coming soon!! Please make sure your child has a coat or jacket with them as the weather turns. Sometimes the clothes that enable them to get through the car or bus ride to school on a chilly day are not adequate for 15 minutes of outside recess! Thank you for your cooperation let's keep our Bullpups warm and healthy as things get chilly!

Kind Regards,
Mr. Brenner
Mr. Aten

Classroom shirts - Forms came home today! Class shirts are a Maltby tradition and we are looking forward to jump starting this year with the hopes that teams will be able to wear them all year long for any given activity that may arise aside from field day. Each team will have a unique color within their grade level. Every student will receive a shirt regardless of ability to pay. The PTO is requesting \$7 per student to cover the t-shirt cost. Any donation greater than \$7 will be utilized to ensure all students receive a t-shirt. T-shirt form and payment must be returned to your child's homeroom teacher, **no later than Thursday October 7, 2021.**

Pink Week - Thank you Maltby for making **Pink Week** a success! We raised **\$1, 975.85** to donate to the Brighton Cancer Center. The 5th graders won the coin wars and got their popsicle treat at lunch today. Way to go everyone and thank you for all of your support!!

Teacher Wish Lists - We have the **best** Teachers and Staff here at Maltby Intermediate School! Let's show them how much we appreciate them by fulfilling their wish list items. If you are able to, please consider donating the items listed on the signup genius (it will be kept updated throughout the year, so check back often!)...many can be found on amazon or here locally in the community. **Don't forget to use Amazon Smile as a portion of the sales goes back to the PTO!**

<https://www.signupgenius.com/go/10c0e4ca4a82ea7fe3-maltby2>

Please note that in lieu of selling products/merchandise, Maltby PTO will be accepting a \$25.00 per student (suggested donation) for the 2021-2022 school year to assist with all the activities and ways to support the school (students AND staff!) we have planned. We accept cash or checks (made out to Maltby PTO). Donations can also be made via [PayPal](#) to maltbypto@yahoo.com, or via [Venmo](#) to @MaltbyPTO.

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones can present a distraction

for your student and/or others in their classes.

Therefore at MIS our students:

Turn off cell phones at the beginning of the day and place them in their backpack. Refrain from texting friends or parents during school hours.

Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby

a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day. Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600. **Please call before 3:05pm to ensure your child receives the message!**

Thank you!

The Brighton Area Schools is part of a consortium to serve students in temporary living situations that provides financial support for educational needs, referral for housing, clothing and other needs, general support and technical assistance. To ensure compliance with federal law, all school staff must help identify student living in the following situations: emergency shelters/transitional housing, motels/hotels, car, parks or public spaces, shared housing due to a loss of housing or economic hardship, or living temporarily with non-parent or guardian.

The district's homeless liaison is Starr Acromite and each building has trained staff members to assist in the endeavor. Our consortium contact at the Livingston Educational Service Agency is Candice Uyttendaele.

Please contact your building principal or Starr Acromite at 810-299-4040 for information/assistance.

Dear Parent/Guardian,

This year, your child will be using Lexia® PowerUp Literacy®, a computer-based program that tailors instruction to their specific needs. The reading activities in PowerUp support and build on our English language arts classroom curriculum, focusing on three areas essential to becoming a proficient reader: word study, grammar, and comprehension.

Your reader began the PowerUp program at a starting point specific to his/her needs. The starting point is established from his/her performance on the placement assessment, which was completed earlier this year.

Every week, your student receives a log indicating the number of minutes needed to reach his/her weekly target, which is typically between 115-145 minutes/week. The weekly target can also be seen on the student dashboard when they log to PowerUp, which can be accessed through Clever.

The PowerUp program engages your student in online activities throughout the week in each of the three essential areas mentioned above. Online activities include direct instruction and immediate feedback as your reader learns new skills. Progress and performance are reported directly to teachers so extra help can be provided when needed.

This is a great program that has produced great outcomes, if students are putting in the time and effort needed. You can expect that your student will have the opportunity to access PowerUp lessons from school 30 minutes a week. Therefore, it's important for students to access this program at home in order to reach their weekly minutes and progress through the program learning the essential skills they need to become a proficient reader.

Here's how you can set your reader up for success:

- Students should complete the tasks on their own. That means no hints or tips from grown-ups, friends, or siblings! This is important because PowerUp provides extra support and instruction if students struggle with a task, and alerts teachers when further help is required.
- Try to provide a quiet space for learning. Students have found headphones to be useful in blocking out distractions and also for listening to directions, which are often provided auditorily.
- Encourage your reader to access PowerUp throughout the entire week. Completing the entire week's minutes in one or two days is not ideal, as too much time on educational software in one sitting can be counterproductive.
- You can encourage and celebrate your child's progress via the Your Progress tile found on the PowerUp student dashboard.

We hope you share in our excitement about this program!
