Greetings Maltby Bullpup Families,

We have had an exciting week here at Maltby Intermediate!

Parents, we are asking your assistance with speaking to your Bullpup about appropriate behavior at school. We have had some students emulating things they have seen on TikTok and social media that involve disruptive and destructive behaviors that could land them in trouble! Please take a minute to discuss appropriate school behavior, and if your child uses social media, specifically TikTok, **we would encourage you to review what they are watching and discuss it with them- thank you.**

Bullpups at BHS Varsity Football Games...

We love to see our Bullpups at the BHS Varsity home football games! – PLEASE remember that the 5th and 6th graders must be accompanied by an adult to get into the game. Thanks and as always GO DOGS!!

5th Grade Camp...

Camp packets for 5th graders will be coming home next week. All directions for camp are explained in the forms. This year students will:

- Take their normal transportation means to school
- Leave school at approximately 9:30 to get out to Camp Ohiyesa
- Spend a great day at camp including Lunch and Dinner
- Return to Maltby each night at approximately 7pm for parent pick up.
- PLEASE parents, we ask that you be on-time to meet your student at Maltby each evening
- We are looking forward to camp!!!!

5th Grade Camp Fundraiser...

Our 5th grade Little Caesar's Pizza Kit fundraiser kicked off today with a visit to each homeroom by Little Caesar!! This year the fundraiser is completely online- all orders for your child will ship directly to the folks that order- no need to deliver those pizza kits!! Your student has a flyer with a QR code that will start the process for you.

Pink Week...

We have some fantastic Pink Week activities planned for next week thanks to BHS and our PTO!!

We will be having a lunchtime penny war between homerooms and five spirit days! Friday, September 24th will be our building Pink-Out and we hope to see all of our Bullpups at the BHS Varsity Football game wearing their pink and helping to Pink-Out the stadium! All proceeds from Pink Week are donated to fund Breast Cancer Research.

- **Monday is NEON DAY**
- **Tuesday is SPORTS SHIRT DAY**
- **Wednesday is WACKY HAIR DAY**
- **Thursday is HAWAIIAN DAY**
- **Friday is PINK OUT!! (Please no face make-up)**

Student Drop-Off and Pick-Up...

Thank you for your patience during these first weeks of school- there can be delays the first weeks as bus routes and processes continue to be adjusted. We would kindly request the following of our parents:

- Exiting our lot is a **Right Turn Only** for parent traffic- thank you.
- Please do not use the bus parking lot area- that lot is reserved for school bus access and has student foot traffic.
- Please do not pick up or drop off students in our lower lot behind the school.
- Please do not park on Bauer Road or the adjacent subdivision.
- Please remember our **"7 Second"** drop off target time if you are dropping your student off at Maltby in the morning. Having the kids ready to go and out of the car quickly helps the line move efficiently.
- Students are **not** permitted to walk to our sidewalks from the interior parking spaces- please make sure you escort your student to and from the sidewalks if they cannot get out directly onto a sidewalk.
- We have noticed there are times in the morning and afternoon when parents are waiting in a very long drop off line but there are spots open in the main lot- **if you wind up in the unfortunate circumstance that you are blocking traffic while waiting for the drop off line to move...please consider pulling into the main lot and parking and walking your student to the sidewalk or picking them up from the main lot.** Thank you for your cooperation and patience in the morning and afternoon. We realize how busy we all are but we must all take the time to ensure our children are safe in the parking lot by following the guidelines.

Thank you again for your consideration and we anticipate our traffic flow and bus arrival times will improve.

Sincerely,
Mr. Brenner
Mr. Aten

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones can present a distraction

for your student and/or others in their classes.

Therefore at MIS our students:

Turn off cell phones at the beginning of the day and place them in their backpack. Refrain from texting friends or parents during school hours.

Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby

a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day. Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600. **Please call before 3:05pm to ensure your child receives the message!**

Thank you!

The McKinney Vento Act

The Brighton Area Schools is part of a consortium to serve students in temporary living situations that provides financial support for educational needs, referral for housing, clothing and other needs, general support and technical assistance. To ensure compliance with federal law, all school staff must help identify student living in the following situations: emergency shelters/transitional housing, motels/hotels, car, parks or public spaces, shared housing due to a loss of housing or economic hardship, or living temporarily with non-parent or guardian.

The district's homeless liaison is Starr Acromite and each building has trained staff members to assist in the endeavor. Our consortium contact at the Livingston Educational Service Agency is Candice Uyttendaele.

Please contact your building principal or Starr Acromite at 810-299-4040 for information/assistance.

BRING IN YOUR LOOSE CHANGE ALL WEEK!

THE CLASS WHO RAISES THE MOST WILL WIN A PRIZE

September 16, 2021

Dear Parent/Guardian,

This year, your child will be using Lexia® PowerUp Literacy®, a computer-based program that tailors instruction to their specific needs. The reading activities in PowerUp support and build on our English language arts classroom curriculum, focusing on three areas essential to becoming a proficient reader: word study, grammar, and comprehension.

Your reader began the PowerUp program at a starting point specific to his/her needs. The starting point is established from his/her performance on the placement assessment, which was completed earlier this year.

Every week, your student receives a log indicating the number of minutes needed to reach his/her weekly target, which is typically between 115-145 minutes/week. The weekly target can also be seen on the student dashboard when they login to PowerUp, which can be accessed through Clever.

The PowerUp program engages your student in online activities throughout the week in each of the three essential areas mentioned above. Online activities include direct instruction and immediate feedback as your reader learns new skills. Progress and performance are reported directly to teachers so extra help can be provided when needed.

This is a great program that has produced great outcomes, if students are putting in the time and effort needed. You can expect that your student will have the opportunity to access PowerUp lessons from school 30 minutes a week. Therefore, it's important for students to access this program at home in order to reach their weekly minutes and progress through the program learning the essential skills they need to become a proficient reader.

Here's how you can set your reader up for success:

- Students should complete the tasks on their own. That means no hints or tips from grown-ups, friends, or siblings! This is important because PowerUp provides extra support and instruction if students struggle with a task, and alerts teachers when further help is required.
- Try to provide a quiet space for learning. Students have found headphones to be useful in blocking out distractions and also for listening to directions, which are often provided auditorily.
- Encourage your reader to access PowerUp throughout the entire week. Completing the entire week's minutes in one or two days is not ideal, as too much time on educational software in one sitting can be counterproductive.
- You can encourage and celebrate your child's progress via the Your Progress tile found on the PowerUp student dashboard.

We hope you share in our excitement about this program!
