

The Paw Print

Greetings Maltby Parents,

Some big changes this week with regards to our process for student quarantine. Please see the details in Dr. Outlaw's update: [An Arm's Length Away From a Smooth Finish.](#)

COVID Information...

- *Students with pending COVID-19 tests should stay home until test results are available.*
- *It is also recommended that students with in-home family members or close contacts that have tests pending stay home as a precaution until test results are available.*
- *All students sent home with possible COVID-19 symptoms or students that are reported as having a test pending are still required to submit a physician's note or negative test result copy prior to return to school.*
- *** The Livingston County Health Department has changed our required quarantine days back to 10**

This week at Maltby, we had 0 instances of school-related quarantines. If you have any questions regarding COVID-19, please feel free to visit our district's COVID-19 transparency site at <https://www.brightonk12.com/Page/8729>"
** Some students may be under precautionary quarantines that are unrelated.

M Step...

Our 6th graders have concluded their M Step testing- thank all of our Maltby Bullpups for their efforts on the assessments.

Dress Code...

Parents, this is the time of year that we ask your help in ensuring our dress code standards are met by students- this can be a challenge depending on what the clothing stores are selling in any given year and what the current fashion trends are! Please help us by looking to see that your student is dressed appropriately for the school day- thank you.

Reproductive Health for 5th Grade Face to Face Students...

Parents, please make sure you sign the permission slip for your student and send it back to their homeroom teacher.

Reproductive Health for 6th Grade Face to Face Students...

Please make sure you have signed the permission slip and sent it back to your student's teacher- we need a slip back for each student indicating they are opting in or opting out. **The video link will be emailed directly to our students who have opted in to the health unit.**

We will be showing the reproductive health videos for students on the afternoon of Wednesday, **May 26th at 12pm** (a virtual Wednesday).

We will have separate virtual video showings for the boys and girls- and students will be provided with a link where they can ask any questions they have based on the unit material- our certified health teachers will be reviewing the questions and we will be communicating back answers to their questions.

Reproductive Health for our BVA 5th and 6th Grade Students...

Please make sure you have signed Mr. Vecchioni's Google Form virtual permission slip. Each student's family must indicate if they are opting in or opting out.

Our 5th and 6th grade BVA students are invited to participate in the **May 26th 12pm** showing of the health videos as outlined above. **The video link will be emailed directly to students who have opted in to the health unit via the virtual permission slip.**

Parking Lot...

Parents, please remember that left turns out of our lot are not permitted except for busses. We have had a few instances of parents ignoring our signs and waiting to turn left onto Bauer Road which has caused significant back up in the exit line- thank you.

Kind Regards,

Mr. Brenner & Mr. Aten

Dates To Remember

May 17	PTO Meeting
May 24	Band Concert
May 27	BMX Assembly
May 31	NO SCHOOL
June 2	Face to Face (not virtual)

The PTO is a parent teacher organization where all Maltby parents are members. We welcome your ideas and participation!

During Staff Appreciation week, on behalf of Maltby parents and students, the PTO provided breakfast and a smoothie truck for Maltby staff. Thank you to our Staff Appreciation committee for organizing these fun events!

The Field Day committee is hard at work planning an exciting field day for face-to-face students June 10th! Please watch your email and our Facebook page for a Sign-Up Genius to volunteer on June 10th.

Please join us for our last PTO meeting of the year and elections for 2021/2022 PTO board, Monday May 17 at 9 AM at Maltby.

Upcoming Events: BMX performance May 27th; Hot Dog Lunch June 9th; Field Day June 10th; 6th Grade Graduation June 11th.

Jennifer Marks – President; Ginger Timney – V.P.; Angel Hamilton – Treasurer; Katie Tierney – Secretary

5th -1:35-2:30

6th -2:35-3:27

ARE YOU MOVING OR NOT ATTENDING BAS SCHOOLS?

If you are moving before the end of the school year, PLEASE be sure to contact the office and your child's teacher. **We do have a check out procedure that includes making sure classroom and media center books are turned in.**

IF YOU ARE MOVING AT THE END OF THE SCHOOL YEAR, please contact the office as soon as possible at 810 299-3600.

If your child is NOT going to be attending Brighton Area Schools next year, please let us know that as well by calling the office at 810 299-3600.

SUNSCREEN

If you feel your child needs sunscreen on during the school day for any reason, please apply it before school. Please **DO NOT** send a bottle of sunscreen to school with your child. For additional sun protection, you may send a hat.

- Spots open in **all grades** for 21-22, no experience necessary
- We teach violin, viola, cello and bass
- Contact fernandezs@brightonk12.com

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones can present a distraction

for your student and/or others in their classes.

Therefore at MIS our students:
Turn off cell phones at the beginning of the day and place them in their backpack. Refrain from texting friends or parents during school hours.
Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby

a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day. Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600. **Please call before 3:05pm to ensure your child receives the message!**

Thank you!

The McKinney Vento Act

The Brighton Area Schools is part of a consortium to serve students in temporary living situations that provides financial support for educational needs, referral for housing, clothing and other needs, general support and technical assistance. To ensure compliance with federal law, all school staff must help identify student living in the following situations: emergency shelters/transitional housing, motels/hotels, car, parks or public spaces, shared housing due to a loss of housing or economic hardship, or living temporarily with non-parent or guardian.

The district's homeless liaison is Starr Acromite and each building has trained staff members to assist in the endeavor. Our consortium contact at the Livingston Educational Service Agency is Candice Uyttendaele.

Please contact your building principal or Starr Acromite at 810-299-4040 for information/assistance.

Student Insurance is available online. If you are interested in enrolling, please follow the instructions below. Thank you!

How to Find the Brochure PDF and/or enroll online:

Go to our home page at www.1stAgency.com

From there, go to "Find Your School"; select the state; hit "Go"

A Word From The Special Education Department

Brighton Area Schools provides a variety of learning options for eligible students with disabilities by offering a continuum of educational environments, from generalized education class placements with special services to pull out programs in specialized classrooms. Special education programs and services are operated and administered in the local school buildings in collaboration with the Livingston Educational Service Agency.

If staff members or parents believe a student is struggling academically, socially, or behaviorally, a referral should be made to the C.A.R.E. Team through his/her general education teacher or the school administration.

Attendance & Office Procedures

If your student is going to be absent from school please use our convenient twenty-four hour absence call-in line **(810) 299-3688**.

- Please obtain a doctor's note to receive a medically excused absence.
- Please call when your student will be coming in late.
- You must call in each day that your child is absent.
- Please call no later than 9:00 a.m. on the day of the absence.
- Students arriving late to school should be dropped off at the flag pole door.
- **Do not** drive off until your student has rang the doorbell and is **inside** the building.
- Students arriving late to school **must** report to the office to sign in. **Parents cannot come inside.**
- Please send in a note for early dismissal and have it signed by office personnel.
- Please call when you arrive and we will send your student out. You do not need to come in.
- **We will only allow students to be signed out by people who are listed on the emergency card.**
- If you need an in-person meeting with a Principal or with staff, we ask that you please call and make an appointment.

Michigan's Five Most Common Ticks

Ticks are significant carriers of pathogens that cause human and animal disease. Listed here is a ranked order of the ticks most likely to bite humans in Michigan.

1. American dog tick (*Dermacentor variabilis*)

Distribution: Widespread throughout Michigan forests and grassy areas

Key Facts: These ticks are active from early May-November, and will bite both humans and companion animals.

Diseases: Diseases associated with the American dog tick are rare in Michigan, but may include [Rocky Mountain spotted fever](#) and [tularemia](#).

2. Blacklegged tick (*Ixodes scapularis*)

Distribution: Emerging in

Michigan, see map at right

Key Facts: Found on low forest vegetation, often along human and animal trails.

Diseases: [Lyme disease](#) is the most common tick-borne disease in Michigan. Other rare diseases include: [anaplasmosis](#), [babesiosis](#), [deer-tick virus](#), and [ehrlichiosis](#).

3. Lone star tick (*Amblyomma americanum*)

Distribution: Occasionally found in wooded and grassy areas across the state

Key Facts: An aggressive biter of humans and companion animals, adult females have distinctive "Lone Star" mark

Diseases: [Ehrlichiosis](#), [rocky mountain spotted fever](#), [tularemia](#)

4. Woodchuck tick (*Ixodes cookei*)

Distribution: Found most commonly on pets throughout Michigan

Key Facts: Usually found near dens of skunks and woodchucks, will bite companion animals near animal dens and occasionally humans

Diseases: [Powassan encephalitis](#)

5. Brown dog tick (*Rhipicephalus sanguineus*)

Distribution: Occasionally found in Michigan.

Key Facts: can uniquely survive and breed in indoor environments, has been associated with kennel, shelter, and breeding facilities. Good hygiene practices can prevent indoor infestations.

Diseases: [Rocky mountain spotted fever](#), [canine babesiosis](#), [canine ehrlichiosis](#)

Tick Bite and Tick-Borne Disease Prevention

- Use insect repellents containing no more than 30 percent DEET.
- Use repellents that contain permethrin on clothing.
- After spending time outdoors, check your skin and clothes for ticks.
- See your healthcare provider if you have symptoms of fever, rash, body aches or fatigue.

B 2021 Brighton Baseball Summer **B**
Skills Camp #1 (grades 3rd-9th)
w/ Coach Christner, his staff & players
June 21st, 22nd, & 23rd (June 24th rain out date)

Players will learn the fundamentals of: Hitting, Fielding, Catching, Pitching, and Base Running from Coach Christner, along with current and former Brighton Baseball players, including BHS alumni playing college baseball and current coaches. This year's camp will take place in our half million-dollar baseball complex. It is one of the top 5 baseball complexes in the entire state, and this is your chance to play on our field of dreams. **This year each camper will receive a Brighton Baseball t-shirt.**

Ages: Players entering 3rd-6th Grade, 7th-9th Grade

Time: *Session 1* (3rd-6th) June 21st, 22nd, & 23rd 10:00-12:00am

Session 2 (7th-9th) June 21st, 22nd, & 23rd 12:15-2:15pm

Dates: June 21st, 22nd, & 23rd (June 24th make up rain out date)

Cost: \$90.00

Location: Brighton High School Baseball Field

Equipment: baseball glove, bat, helmet, athletic wear, and cleats or tennis shoes

Contact: Coach Christner, if you have any questions at ChristC@brightonk12.com

Please email the completed form to the above email in order to receive a spot in the camp. Check / money order (**payable to BYBSP**) or credit card will be accepted.

You can mail registration and check to 5540 N. Nicholson Rd. Fowlerville, MI 48836

Mask Up Maltby

For the 2020-2021 school year, all Maltby students and staff will be required to wear a face covering while in the classroom and in shared areas of Maltby. **It must be over the mouth and nose to be used effectively.** Below are some considerations for Maltby families to think about as we prepare to start school under these unusual circumstances.

1. Start talking to your student about wearing a mask.

- i. Explain why they are required at school
- ii. Answer your students questions with confidence and encouragement
- iii. Remind them this is not just about them, all students and staff will be wearing masks!

2. Ways to help your student wear a mask-

- i. Ask your child to wear it at home and in other social situations. Get used to taking it off and putting it back on efficiently.
- ii. Encourage your student to personalize their mask or pick out their own.

3. Students will be required to wear masks at school.

a. The Back to School Roadmap states that in Phase 4 students will be required to wear mask in their classrooms and shared spaces within the school building

- i. If your student refuses to wear a mask at school:
 1. A disposable mask will be offered to the student and a warning given.
 2. The second time a student is found without a face covering, the student's parents will be notified and the student will be sent home.
 3. If the behavior continues, disciplinary action will be taken and a parent meeting will take place.
- ii. The only times students will not be required to wear masks is when they are eating/drinking or at recess/outside with their class cohort.

Here is a helpful article about masks and kids:

<https://www.healthline.com/health-news/from-toddlers-to-teens-how-to-talk-to-kids-about-wearing-masks>

Middle School Vaccination Requirements - Action Required

For all students entering the 7th grade, it is required by law that the school district reports their immunization status to the local health department. With that being said, all children who attend school in Michigan are required by state law to be fully immunized to their standards.

Please review your child's immunization status with their medical provider *prior to the start of the 2021/2022 school year* to ensure compliance. Note that the Meningococcal and Tdap vaccinations are required for children 11 years of age or older upon entry into 7th grade. State of Michigan vaccine requirements can be viewed here:
https://www.michigan.gov/documents/mdhhs/School_Req_for_Schools_553548_7.pdf

If you have a personal objection to immunizations, please contact The Livingston County Health Department ASAP to set up an appointment to obtain a certified immunization waiver, 517-546-9850. Original waivers, not copies, must be submitted to the school. **If you have obtained an immunization waiver in the past for your student(s), please note that a new, updated waiver is required for 7th grade entry.**

In accordance with Michigan law, your student(s) must be fully vaccinated OR have an updated certified immunization waiver on file before the first day of the 2021/2022 school year in order to attend. Exclusion is not desired but will be enforced if necessary.

Please feel free to contact nursing with any questions.

Thank you for your cooperation,

FOR IMMEDIATE RELEASE

New Drive-Thru COVID-19 Testing Site in Brighton to Provide Saliva Testing

HOWELL, Michigan. - (March 19, 2021) The Livingston County Health Department (LCHD) is excited to announce with LynxDx and the 2|42 Community Center, a new drive-thru COVID-19 testing site in Brighton opening today, Friday, March 19. This new site offers contactless saliva testing and is open to all Michigan residents with or without insurance. COVID-19 continues to spread in the community, and more recently, the B117 variant was discovered in Livingston County. Access to COVID-19 testing is an important tool in helping identify cases and prevent further community spread of COVID-19.

“This new testing site will benefit our entire community,” says Juan Marquez, MD, MPH, medical director at LCHD. “We’re grateful to partner with Lynx and the 2|42 Community Center in bringing more accessible, faster testing to our county. Additionally, we know there has been a lot of interest in saliva testing. We’re excited to bring this no-contact saliva testing option to our community members.”

Anyone with COVID-19 symptoms should immediately seek testing. If you were potentially exposed but do not have symptoms, LCHD recommends self-quarantine and waiting at least 5 or more days before testing. If you are in quarantine and develop symptoms, testing is recommended. Symptoms may take up to 14 days after exposure to appear, and individuals are considered contagious two days before symptoms appear.

Anyone getting tested should stay away from others until they get their results. Anyone with symptoms should stay home unless they are getting medical care or testing and limit all contact with others in their household.

Testing Site Information

The testing site opens Friday, March 19. Testing will be available on Mondays and Fridays from 8:00 am to 6:00 pm in the parking lot at the back of 2|42 Community Center/Church, 7526 Grand River Ave., Brighton, MI 48114. The site is drive-thru only. Tests will be contactless and saliva-based (no nasal swabs required). Results will be sent to your email or phone within 48 hours.

Who Can Get Tested?

Testing is open to all Michigan residents. You do not need to have symptoms to get tested. You do not need a doctor’s note or order to get tested. Pre-registration is required. Register for a test at <https://lynxdx.health/register>.

Testing is available with or without insurance. Please bring identification when you arrive for testing. If you have health insurance, please bring your card. There should be no out-of-pocket fees for individuals needing testing. Many insurance providers have already waived copays for COVID-19 testing. If you do not have insurance, testing staff will ask for your social security number to verify that you do not have insurance. Once you arrive on-site for testing, LynxDx will verify your identity and other information. They will then provide a self-testing kit to collect your saliva sample.

About LynxDx

LynxDx, Inc. is a privately held diagnostics company headquartered in Ann Arbor, which spun out of the University of Michigan. LynxDx currently operates a high-complexity molecular diagnostics laboratory, and is focused on commercializing diagnostic tools, including a qPCR assay for COVID-19 and a urine assay to aid in diagnosing prostate cancer (MyProstateScore).

There is now a web-based COVID-19 self-reporting form for school staff members and parents/guardians to use on the Livingston County Health Department site!

The hope is that the use of this form will help expedite case investigation and confirmation and also decrease call volume for case-related matters.
