

# The Paw Print

Greetings Maltby Parents,

It is hard to believe we are jumping into May already! This year is really going by fast- it is great to see more sunshine! Thank you to our PTO for our fantastic summer themed decorations in the building- they are awesome!!

### COVID Information...

- *Students with pending COVID-19 tests should stay home until test results are available.*
- *It is also recommended that students with in-home family members or close contacts that have tests pending stay home as a precaution until test results are available.*
- *All students sent home with possible COVID-19 symptoms or students that are reported as having a test pending are still required to submit a physician's note or negative test result copy prior to return to school.*
- **\* The Livingston County Health Department has changed our required quarantine days back to 10**

This week at Maltby, we had six instances of school-related quarantines. If you have any questions regarding COVID-19, please feel free to visit our district's COVID-19 transparency site at <https://www.brightonk12.com/Page/8729>"

**\*\* Some students may be under precautionary quarantines that are unrelated.**

### M Step...

Our 5<sup>th</sup> graders have wrapped up their yearly M Step testing and our 6<sup>th</sup> graders will be assessed in ELA and Math starting May 4<sup>th</sup>.

### Dress Code...

Parents this is the time of year that we ask your help in ensuring our dress code standards are met by students- this can be a challenge depending on what the clothing stores are selling in any given year and what the current fashion trends are! Parents please help us by looking to see that your student is dressed appropriately for the school day.

### Enhanced Wednesday Information...

Our students and teachers are doing a great job on the Enhanced Wednesday format- thank you to our Maltby parents for the support you give the students at home! Please encourage your Maltby Bullpup to attend the Live Encore sessions in the afternoon for our remaining Enhanced Virtual Wednesdays!

### Reproductive Health for 5<sup>th</sup> Grade Face to Face Students...

Parent permission slips for our 5<sup>th</sup> grade reproductive health unit will be coming home on Monday with students. This unit is taught to our 5<sup>th</sup> grade students in late May/ early June and students are separated into boys and girls groups.

We are holding a virtual meeting on **May 10<sup>th</sup> at 7pm** so parents can preview the videos in the event they would like to do so. We will send out a separate communication with that link.

### Reproductive Health for 6<sup>th</sup> Grade Face to Face Students...

Parent permission slips for our 6<sup>th</sup> grade reproductive health unit will be coming home on Monday with students.

We will be hosting a virtual meeting on **May 10<sup>th</sup> at 7pm** so parents can preview the videos in the event they would like to do so. We will send out a separate communication with that link for our 6<sup>th</sup> parents.

We will be showing the videos for students on the afternoon of Wednesday, May 26<sup>th</sup> (a virtual Wednesday).

We will have separate virtual meets for the boys and girls- and students will be provided with a link where they can ask any questions they have based on the unit material- our certified health teachers will be reviewing the questions and we will be communicating back answers to their questions.

### Reproductive Health for our BVA 5<sup>th</sup> and 6<sup>th</sup> Grade Students...

Our 5<sup>th</sup> and 6<sup>th</sup> grade BVA students will be invited to participate in the May 26<sup>th</sup> showing of the health videos as outlined above. We will be working with the BVA Administration to distribute and collect permission slips.

Our BVA parents are welcome to attend the parent preview session on **May 10<sup>th</sup> at 7pm**. A link for that meeting will be distributed to our BVA parents in the next week.

### Small Town Big Hearts Initiative...

We at Maltby are proud to be a part of the Small Town Big Hearts Initiative to support our local community. Please see the detailed section in this newsletter for a description of activities.

### Parking Lot...

Parents please remember that left turns out of our lot are not permitted except for busses. We have had a few instances of parents ignoring our signs and waiting to turn left on to Bauer Road which has caused significant back up in the exit line- thank you.

Kind Regards,  
Mr. Brenner & Mr. Aten

### Dates To Remember

May 6	Career Day
May 7	Wear Be You, Be Here. Belong Shirt
May 17	PTO Meeting
May 24	Band Concert
May 27	BMX Assembly
May 31	NO SCHOOL
June 2	Face to Face (not virtual)
June 9	Face to Face (not virtual)
June 9	Hot Dog Lunch
June 10	Field Day (face to face students)
June 11	6 <sup>th</sup> gd Graduation
June 11	Last Day – ½ day

**G**

**Generosity**

**S**

**Solidarity**

**The PTO is a parent teacher organization where all Maltby parents are members. We welcome your ideas and participation!**

Maltby families, next week is Staff Appreciation Week! Please consider sending a note, card or email to a Maltby staff member in recognition of their dedication. In support of Maltby staff members, the Maltby PTO has two special events planned: Tuesday staff members will enjoy breakfast and Thursday staff members will be treated to smoothies during their lunch period.

Maltby PTO has open board and committee positions for the 2021/22 school year. Elections will be conducted at the May PTO meeting. If you are interested in serving on the board next year, please contact Jennifer Marks at [jennifermarks04@gmail.com](mailto:jennifermarks04@gmail.com)

Field day for in-person students at Maltby is scheduled for Thursday June 10th. Please make sure to **return the T-shirt order forms by May 7**. A copy of the order form is attached...see page 6.

Please join us for our last PTO meeting of the year and elections for 2021/22, Monday May 17 at 9 AM.

Upcoming Events: BMX performance May 27th; Hot Dog Lunch June 9th; Field Day June 10th; 6th Grade Graduation June 11th.

Jennifer Marks – President; Ginger Timney – V.P.; Angel Hamilton – Treasurer; Katie Tierney – Secretary

## Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones can present a distraction

for your student and/or others in their classes.

Therefore at MIS our students:

Turn off cell phones at the beginning of the day and place them in their backpack. Refrain from texting friends or parents during school hours.

Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby

a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day. Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600. **Please call before 3:05pm to ensure your child receives the message!**

Thank you!

## The McKinney Vento Act

The Brighton Area Schools is part of a consortium to serve students in temporary living situations that provides financial support for educational needs, referral for housing, clothing and other needs, general support and technical assistance. To ensure compliance with federal law, all school staff must help identify student living in the following situations: emergency shelters/transitional housing, motels/hotels, car, parks or public spaces, shared housing due to a loss of housing or economic hardship, or living temporarily with non-parent or guardian.

The district's homeless liaison is Starr Acromite and each building has trained staff members to assist in the endeavor. Our consortium contact at the Livingston Educational Service Agency is Candice Uyttendaele.

Please contact your building principal or Starr Acromite at 810-299-4040 for information/assistance.

Masks are a requirement this school year, so please make sure your student comes to school wearing one!

# Just a Reminder...

- 5/31: NO SCHOOL
- 6/1: 'A'
- 6/2: 'B' (face-to-face)

- 6/10: 'B'
- 6/11: LAST DAY...  
1/2 DAY AM!

## Office Reminders

- You can deposit money into lunch account(s) via Parent Connect. For questions regarding your child's lunch account, please email [gandola@brightonk12.com](mailto:gandola@brightonk12.com) or call (810) 299-4175.
- Parents may drop off medication (in the original bottle) in the office along with the medication form signed by the doctor by appointment. Please do not send the medication in with your student.
- Maltby and Brighton spirit wear is available to purchase from Ivory Vines ([www.ivoryvines.com](http://www.ivoryvines.com)) or Kensington Valley Varsity ([www.kvarsity.com](http://www.kvarsity.com)).
- Masks are required and must be worn while at school. Please work with your student to make sure they are prepared and know what to do and what not to do with their masks.

\*\*Last day could be altered if required by the State due to snow days

\*Virtual Wednesdays will continue to be reviewed and discussed monthly. At this time, please plan for virtual Wednesdays for any 5 day week.

### TICKS ARE HERE

Check your kids thoroughly for ticks on their clothing and skin after playing outdoors. Common places for ticks to nestle; under the arms, ears, inside the belly button, back of the neck, in and around hair, between the legs, around the waist. If a tick is found, remove it as soon as possible. See [www.cdc.gov/ticks/removing\\_a\\_tick.html](http://www.cdc.gov/ticks/removing_a_tick.html). If your child develops a rash or fever, seek medical attention.

PLEASE BE SURE TO CHECK YOUR CHILDREN DAILY...ticks are very prevalent this year.

**\*\*NOTICE \*\*\*\*FIRST AGENCY, INC.\*\*\*\*NOTICE**

Student Insurance is available online. If you are interested in enrolling, please follow the instructions below. Thank you!

How to Find the Brochure PDF and/or enroll online:

Go to our home page at [www.1stAgency.com](http://www.1stAgency.com)

From there, go to "Find Your School"; select the state; hit "Go"

**A Word From The Special Education Department**

Brighton Area Schools provides a variety of learning options for eligible students with disabilities by offering a continuum of educational environments, from generalized education class placements with special services to pull out programs in specialized classrooms. Special education programs and services are operated and administered in the local school buildings in collaboration with the Livingston Educational Service Agency.

If staff members or parents believe a student is struggling academically, socially, or behaviorally, a referral should be made to the C.A.R.E. Team through his/her general education teacher or the school administration.

## Attendance & Office Procedures

If your student is going to be absent from school please use our convenient twenty-four hour absence call-in line **(810) 299-3688**.

- Please obtain a doctor's note to receive a medically excused absence.
- Please call when your student will be coming in late.
- You must call in each day that your child is absent.
- Please call no later than 9:00 a.m. on the day of the absence.
- Students arriving late to school should be dropped off at the flag pole door.
- **Do not** drive off until your student has rang the doorbell and is **inside** the building.
- Students arriving late to school **must** report to the office to sign in. **Parents cannot come inside.**
- Please send in a note for early dismissal and have it signed by office personnel.
- Please call when you arrive and we will send your student out. You do not need to come in.
- **We will only allow students to be signed out by people who are listed on the emergency card.**
- If you need an in-person meeting with a Principal or with staff, we ask that you please call and make an appointment.

## Classroom Field Day Shirts!

Field Day T-shirts are a Maltby tradition. Each team will have a unique color within their grade level. Every student will receive a T-shirt, regardless of ability to pay. The PTO is requesting a \$6 donation per student to cover the T-shirt cost. Cash or checks payable to Maltby PTO. Any donation greater than \$6 will be utilized to ensure all students receive T-shirts.

T-shirt form and payment must be returned to your student's homeroom teacher by May 7, 2021.

# Mask Up Maltby

For the 2020-2021 school year, all Maltby students and staff will be required to wear a face covering while in the classroom and in shared areas of Maltby. **It must be over the mouth and nose to be used effectively.** Below are some considerations for Maltby families to think about as we prepare to start school under these unusual circumstances.

**1. Start talking to your student about wearing a mask.**

- i. Explain why they are required at school
- ii. Answer your students questions with confidence and encouragement
- iii. Remind them this is not just about them, all students and staff will be wearing masks!

**2. Ways to help your student wear a mask-**

- i. Ask your child to wear it at home and in other social situations. Get used to taking it off and putting it back on efficiently.
- ii. Encourage your student to personalize their mask or pick out their own.

**3. Students will be required to wear masks at school.**

a. The Back to School Roadmap states that in Phase 4 students will be required to wear mask in their classrooms and shared spaces within the school building

- i. If your student refuses to wear a mask at school:
  1. A disposable mask will be offered to the student and a warning given.
  2. The second time a student is found without a face covering, the student's parents will be notified and the student will be sent home.
  3. If the behavior continues, disciplinary action will be taken and a parent meeting will take place.
- ii. The only times students will not be required to wear masks is when they are eating/drinking or at recess/outside with their class cohort.

Here is a helpful article about masks and kids:

<https://www.healthline.com/health-news/from-toddlers-to-teens-how-to-talk-to-kids-about-wearing-masks>

## **ALL 6<sup>TH</sup> GRADE PARENTS/GUARDIANS**

For all students entering the 7<sup>th</sup> grade: it is required by law that their immunization status be reported to our local health dept. With that being said, all children who attend school in Michigan are required by state law to be fully immunized to their standards. Please review your child's immunization status with their Physician prior to the start of the 2021–2022 school year to ensure compliance. Note that the Meningococcal and Tdap vaccinations are required for children 11 years of age or older upon entry into 7<sup>th</sup> grade. If you have a personal objection to immunizations, please contact the Livingston County Health Department **as soon as possible** to set up an appointment to obtain a certified immunization waiver: (517) 546–9850.

If your student is not fully immunized in accordance with the Michigan law OR does not have a certified immunization waiver on file by the first day of the 2021–22 school year, **THEY WILL BE EXCLUDED FROM ATTENDING SCRANTON MIDDLE SCHOOL** until compliance is met. Please feel free to contact me with any questions.

Health Department

## FOR IMMEDIATE RELEASE

### New Drive-Thru COVID-19 Testing Site in Brighton to Provide Saliva Testing

HOWELL, Michigan. - (March 19, 2021) The Livingston County Health Department (LCHD) is excited to announce with LynxDx and the 2|42 Community Center, a new drive-thru COVID-19 testing site in Brighton opening today, Friday, March 19. This new site offers contactless saliva testing and is open to all Michigan residents with or without insurance. COVID-19 continues to spread in the community, and more recently, the B117 variant was discovered in Livingston County. Access to COVID-19 testing is an important tool in helping identify cases and prevent further community spread of COVID-19.

“This new testing site will benefit our entire community,” says Juan Marquez, MD, MPH, medical director at LCHD. “We’re grateful to partner with Lynx and the 2|42 Community Center in bringing more accessible, faster testing to our county. Additionally, we know there has been a lot of interest in saliva testing. We’re excited to bring this no-contact saliva testing option to our community members.”

Anyone with COVID-19 symptoms should immediately seek testing. If you were potentially exposed but do not have symptoms, LCHD recommends self-quarantine and waiting at least 5 or more days before testing. If you are in quarantine and develop symptoms, testing is recommended. Symptoms may take up to 14 days after exposure to appear, and individuals are considered contagious two days before symptoms appear.

Anyone getting tested should stay away from others until they get their results. Anyone with symptoms should stay home unless they are getting medical care or testing and limit all contact with others in their household.

#### Testing Site Information

The testing site opens Friday, March 19. Testing will be available on Mondays and Fridays from 8:00 am to 6:00 pm in the parking lot at the back of 2|42 Community Center/Church, 7526 Grand River Ave., Brighton, MI 48114. The site is drive-thru only. Tests will be contactless and saliva-based (no nasal swabs required). Results will be sent to your email or phone within 48 hours.

#### Who Can Get Tested?

Testing is open to all Michigan residents. You do not need to have symptoms to get tested. You do not need a doctor’s note or order to get tested. Pre-registration is required. Register for a test at <https://lynxdx.health/register>.

Testing is available with or without insurance. Please bring identification when you arrive for testing. If you have health insurance, please bring your card. There should be no out-of-pocket fees for individuals needing testing. Many insurance providers have already waived copays for COVID-19 testing. If you do not have insurance, testing staff will ask for your social security number to verify that you do not have insurance. Once you arrive on-site for testing, LynxDx will verify your identity and other information. They will then provide a self-testing kit to collect your saliva sample.

#### About LynxDx

LynxDx, Inc. is a privately held diagnostics company headquartered in Ann Arbor, which spun out of the University of Michigan. LynxDx currently operates a high-complexity molecular diagnostics laboratory, and is focused on commercializing diagnostic tools, including a qPCR assay for COVID-19 and a urine assay to aid in diagnosing prostate cancer (MyProstateScore).

# Assessing Close Contacts in Schools

## What is a Close Contact in an Educational Setting?

*A **close contact** is most often someone that has been within 6 feet\* of a contagious person for at least 15 minutes of cumulative time.*

### Classroom

Classmates would be considered close contacts of a contagious individual if their desk is within 6 feet\*. This is typically desks within two rows on all sides of the contagious individual.

If a teacher is contagious and spends time with a student providing one-on-one instruction or walks throughout the classroom during instruction, students may be considered close contacts.

Teachers should be consulted for classroom close contacts in order to assess distance, contact duration, and absences. Seating charts are recommended to help identify close contacts.

### Sports

During practice or games, individuals within 6 feet\* of the contagious individual are considered close contacts. This includes individuals from opposing teams. The type of sport and player position are additionally considered when assessing close contacts.

### Lunch and Snack Time

If students/staff are sitting within 6 feet\* of a contagious individual, they are considered close contacts. Lunch is a higher risk activity, as face coverings cannot be worn.

### Outdoor Mask Breaks and Recess

During outdoor mask breaks and recess, if individuals are within 6 feet\* of the contagious individual, they are considered a close contact, unless interactions are consistently kept brief and no common items are shared. Mask breaks are a higher risk activity, as masks are not worn.

### Electives

In electives, such as music class, close contacts may need to be assessed on a case-by-case basis. In general, close contacts are individuals within 6 feet\* of a contagious individual.

### Transportation

Bus riders are considered close contacts of a contagious individual if they sit within 6 feet\*. This includes bus riders, as well as the bus driver. It is advised that seating charts are employed to aid in the assessments of close contacts.

Bus drivers should be consulted for bus close contacts in order to assess contact duration and absences.

### Special Considerations

Environmental and activity-related factors may play a role in determining close contacts. When assessing close contacts in schools, please consider:

- The proximity of the case to contacts
- The duration of exposure
- The symptoms of the case
- Type of interaction or activity

- \* LCHD may determine that distances beyond 6 feet can still result in high-risk exposures based on other considerations and circumstances in each particular case.

Please contact the Livingston County Health Department for advice on close contact identification in schools.  
517-546-9850

There is now a web-based COVID-19 self-reporting form for school staff members and parents/guardians to use on the Livingston County Health Department site!

The hope is that the use of this form will help expedite case investigation and confirmation and also decrease call volume for case-related matters.
