The Paw Print

Greetings Maltby Parents,

We are two weeks into the last trimester of the school year! Wow, time goes quickly! Please note that report cards will be going home with students this Friday- please sign the envelope acknowledging you have seen the report card so your student can return it to their homeroom teacher. We hope everyone has a safe and restful Spring Break!

COVID Reminders...

- *Students with pending COVID-19 tests should stay home until test results are available.*
- *It is also recommended that students with in-home family members or close contacts that have tests pending stay home as a precaution until test results are available.*
- *All students sent home with possible COVID-19 symptoms or students that are reported as having a test pending are still required to submit a physician's note or negative test result copy prior to return to school.*

This week at Maltby, we had no instances of school-related quarantines. If you have any questions regarding COVID-19, please feel free to visit our district's COVID-19 transparency site at <https://www.brightonk12.com/Page/8729>

**** Some students may be under precautionary quarantines that are unrelated.**

Middle School Math Information...

For the majority of incoming 7th graders, the most developmentally appropriate math placement is Pre-Algebra (7th Grade Math). Then in 8th grade, students who have met the placement criteria will be invited to take High School Algebra 1. To ensure the most appropriate math placement for each student, multiple data points are used to determine which math course will best meet your student's needs. A small percentage of students may be ready to advance into High School Algebra 1 in 7th grade. To be certain that prerequisite understandings and skills are in place, an Algebra 1 Placement test will be administered to qualifying students.

- Due to the fact that any student taking High School Algebra 1 in 7th grade will be skipping two full years of foundational middle school mathematics, the criteria for the Algebra 1 Placement Test is very rigorous:
 - a) Students must have earned an Advanced or Proficient score on the Quartile Benchmark (as measured by Imagine Math).
 - b) Students must have also scored in the 90th percentile or higher on the nationally normed NWEA (Measure of Academic Progress).
- For students who meet the criteria, an invitation letter to take the Algebra 1 Placement test will be sent home on Friday, April 9, 2021.
- During the school day on April 22, 2021, the Algebra 1 Placement test will be administered by the BAS Math Coach and MIS teachers.
- BVA students who qualify for the math placement test will be receiving an email on April 9th.

Scheduling for Current 5th Grade...

It is that time of year again! Your child will need to select the Year Long Encore they would like to participate in for next school year as a 6th grader. I have included directions on how to access the Google Form on our Maltby Homepage. Please make sure you click on the form that says **CURRENT** 5th grader. The Year Long Encore Google Form is due by Friday, March 26th. **How to select your Year Long Encore for 2021-2022 school year:**

- Go to the Brighton Area Schools website.
- At the top of the page go to "Select a School" and choose Maltby Intermediate.
- Once you are on the Maltby Website, scroll down until you see the brownish column on your left.
- Please select "Current 5th Graders (Rising 6th Graders) Year Long Encore Selection Sheet".
- A Google form will appear that gives you a brief summary of the 4 classes being offered.
- Once you and your child have decided which year-long encore is the best fit, please fill in each section of the form and press submit at the bottom of the form.

*If you have any questions please contact Mrs. Anderson at: andersj@brightonk12.com

Enhanced Wednesday Information...

Our Enhanced Wednesdays are scheduled to start on April 14th and we will communicate what changes that will entail when we return from Break.

Yearbooks!!!...

Our Maltby Yearbook link is live and ready - see the information in this newsletter to get yours ordered!

NWEA Scores...

Our students just finished the final round of NWEA assessments in Reading and Math for the year- we will be sending home those reports right after break!

Small Town Big Hearts Initiative...

We at Maltby are proud to be a part of the Small Town Big Hearts Initiative to support our local community. Please see the detailed section in this newsletter for a description of activities.

Kind Regards,
Mr. Brenner & Mr. Aten

The PTO is a parent teacher organization where all Maltby parents are members. We welcome your ideas and participation!

The Maltby Auction is almost here! The auction is scheduled to go live **Friday 4/2/2021** and will run through **Sunday 4/11/2021**. Please watch your email and the Maltby parent FB page for details.

The PTO had a shamrock raffle for both lunch areas - thanks to the student helpers that sold tickets! In addition, each classroom teacher was provided with a themed mason jar for a fun guessing game. Congratulations to the winning students!

The Maltby PTO has open board and committee chair positions for 2021/22. Our call for nominations will occur at our next meeting. Please contact Jennifer Marks jennifermarks04@gmail.com for more information.

Our next PTO meeting is scheduled for Monday 4/19 at 9 AM in the Maltby conference room. Please join us!

Future meeting date: May 17

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones can present a distraction

for your student and/or others in their classes.

Therefore at MIS our students:

Turn off cell phones at the beginning of the day and place them in their backpack. Refrain from texting friends or parents during school hours.

Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby

a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day. Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600. **Please call before 3:05pm to ensure your child receives the message!**

Thank you!

The McKinney Vento Act

The Brighton Area Schools is part of a consortium to serve students in temporary living situations that provides financial support for educational needs, referral for housing, clothing and other needs, general support and technical assistance. To ensure compliance with federal law, all school staff must help identify student living in the following situations: emergency shelters/transitional housing, motels/hotels, car, parks or public spaces, shared housing due to a loss of housing or economic hardship, or living temporarily with non-parent or guardian.

The district's homeless liaison is Starr Acromite and each building has trained staff members to assist in the endeavor. Our consortium contact at the Livingston Educational Service Agency is Candice Uyttendaele.

Please contact your building principal or Starr Acromite at 810-299-4040 for information/assistance.

Masks are a requirement this school year, so please make sure your student comes to school wearing one!

Office Reminders

- You can deposit money into lunch account(s) via Parent Connect. For questions regarding your child's lunch account, please email gandola@brightonk12.com or call (810) 299-4175.
- Parents may drop off medication (in the original bottle) in the office along with the medication form signed by the doctor by appointment. Please do not send the medication in with your student.
- Maltby and Brighton spirit wear is available to purchase from Ivory Vines (www.ivoryvines.com) or Kensington Valley Varsity (www.kvarsity.com).
- Masks are required and must be worn while at school. Please work with your student to make sure they are prepared and know what to do and what not to do with their masks.

Go to our home page at www.1stAgency.com

From there, go to "Find Your School"; select the state; hit "Go"

A Word From The Special Education Department

Brighton Area Schools provides a variety of learning options for eligible students with disabilities by offering a continuum of educational environments, from generalized education class placements with special services to pull out programs in specialized classrooms. Special education programs and services are operated and administered in the local school buildings in collaboration with the Livingston Educational Service Agency.

If staff members or parents believe a student is struggling academically, socially, or behaviorally, a referral should be made to the C.A.R.E. Team through his/her general education teacher or the school administration.

Attendance & Office Procedures

If your student is going to be absent from school please use our convenient twenty-four hour absence call-in line **(810) 299-3688**.

- Please obtain a doctor's note to receive a medically excused absence.
- Please call when your student will be coming in late.
- You must call in each day that your child is absent.
- Please call no later than 9:00 a.m. on the day of the absence.
- Students arriving late to school should be dropped off at the flag pole door.
- **Do not** drive off until your student has rang the doorbell and is **inside** the building.
- Students arriving late to school **must** report to the office to sign in. **Parents cannot come inside.**
- Please send in a note for early dismissal and have it signed by office personnel.
- Please call when you arrive and we will send your student out. You do not need to come in.
- **We will only allow students to be signed out by people who are listed on the emergency card.**
- If you need an in-person meeting with a Principal or with staff, we ask that you please call and make an appointment.

Small Town, Big Hearts ---- April 6th- May 5th ---- *Be here. Be You. Belong.*

We are so excited to announce that we have been asked to be a part of Brighton Small Town, Big Hearts Initiative from the DDA. Please join in on the fun and support our community. All proceeds go to the Small Town, Big Hearts campaign and BHS Senior Survivor.

BRIGHTON BULLDOGS FOOTBALL & CHEER NEW PLAYER CAMP

When: April 13 & 14 6:00-8:00 PM check-in 5:45 PM

Where: 2/42 community church, brighton

BBFC is hosting its two-day new player camp on April 13-14, 2021 at 2/42 Community Church, 7526 Grand River Ave., Brighton from 6:00 to 8:00 p.m. BBFC welcomes Brighton area families who are interested in having their child participate in tackle football or competitive cheer. The camp is free of charge and includes a free Brighton Bulldog spirit item.

BBFC football and cheer coaches will be on hand to demonstrate and teach introductory skills utilized by participants in their respective sport. A formal Q&A session is scheduled specifically for parent/guardians that will include an introduction to the BBFC organization, equipment demonstration, safety and next steps information.

Participant will need to wear athletic clothing suitable for outdoor activity, tennis shoes or cleats, masks, and provide their own water bottle.

To register please go to the BBFC website at <http://www.youthbulldogs.com>. Create an account, log-in and select "New Player Camp". Download 2/42 waiver form and COVID protocol.

Mask Up Maltby

For the 2020-2021 school year, all Maltby students and staff will be required to wear a face covering while in the classroom and in shared areas of Maltby. **It must be over the mouth and nose to be used effectively.** Below are some considerations for Maltby families to think about as we prepare to start school under these unusual circumstances.

1. Start talking to your student about wearing a mask.

- i. Explain why they are required at school
- ii. Answer your students questions with confidence and encouragement
- iii. Remind them this is not just about them, all students and staff will be wearing masks!

2. Ways to help your student wear a mask-

- i. Ask your child to wear it at home and in other social situations. Get used to taking it off and putting it back on efficiently.
- ii. Encourage your student to personalize their mask or pick out their own.

3. Students will be required to wear masks at school.

a. The Back to School Roadmap states that in Phase 4 students will be required to wear mask in their classrooms and shared spaces within the school building

- i. If your student refuses to wear a mask at school:
 1. A disposable mask will be offered to the student and a warning given.
 2. The second time a student is found without a face covering, the student's parents will be notified and the student will be sent home.
 3. If the behavior continues, disciplinary action will be taken and a parent meeting will take place.
- ii. The only times students will not be required to wear masks is when they are eating/drinking or at recess/outside with their class cohort.

Here is a helpful article about masks and kids:

<https://www.healthline.com/health-news/from-toddlers-to-teens-how-to-talk-to-kids-about-wearing-masks>

LIVINGSTON COUNTY
Health Department

FOR IMMEDIATE RELEASE

New Drive-Thru COVID-19 Testing Site in Brighton to Provide Saliva Testing

HOWELL, Michigan. - (March 19, 2021) The Livingston County Health Department (LCHD) is excited to announce with LynxDx and the 2|42 Community Center, a new drive-thru COVID-19 testing site in Brighton opening today, Friday, March 19. This new site offers contactless saliva testing and is open to all Michigan residents with or without insurance. COVID-19 continues to spread in the community, and more recently, the B117 variant was discovered in Livingston County. Access to COVID-19 testing is an important tool in helping identify cases and prevent further community spread of COVID-19.

“This new testing site will benefit our entire community,” says Juan Marquez, MD, MPH, medical director at LCHD. “We’re grateful to partner with Lynx and the 2|42 Community Center in bringing more accessible, faster testing to our county. Additionally, we know there has been a lot of interest in saliva testing. We’re excited to bring this no-contact saliva testing option to our community members.”

Anyone with COVID-19 symptoms should immediately seek testing. If you were potentially exposed but do not have symptoms, LCHD recommends self-quarantine and waiting at least 5 or more days before testing. If you are in quarantine and develop symptoms, testing is recommended. Symptoms may take up to 14 days after exposure to appear, and individuals are considered contagious two days before symptoms appear.

Anyone getting tested should stay away from others until they get their results. Anyone with symptoms should stay home unless they are getting medical care or testing and limit all contact with others in their household.

Testing Site Information

The testing site opens Friday, March 19. Testing will be available on Mondays and Fridays from 8:00 am to 6:00 pm in the parking lot at the back of 2|42 Community Center/Church, 7526 Grand River Ave., Brighton, MI 48114. The site is drive-thru only. Tests will be contactless and saliva-based (no nasal swabs required). Results will be sent to your email or phone within 48 hours.

Who Can Get Tested?

Testing is open to all Michigan residents. You do not need to have symptoms to get tested. You do not need a doctor’s note or order to get tested. Pre-registration is required. Register for a test at <https://lynxdx.health/register>.

Testing is available with or without insurance. Please bring identification when you arrive for testing. If you have health insurance, please bring your card. There should be no out-of-pocket fees for individuals needing testing. Many insurance providers have already waived copays for COVID-19 testing. If you do not have insurance, testing staff will ask for your social security number to verify that you do not have insurance. Once you arrive on-site for testing, LynxDx will verify your identity and other information. They will then provide a self-testing kit to collect your saliva sample.

About LynxDx

LynxDx, Inc. is a privately held diagnostics company headquartered in Ann Arbor, which spun out of the University of Michigan. LynxDx currently operates a high-complexity molecular diagnostics laboratory, and is focused on commercializing diagnostic tools, including a qPCR assay for COVID-19 and a urine assay to aid in diagnosing prostate cancer (MyProstateScore).

Assessing Close Contacts in Schools

What is a Close Contact in an Educational Setting?

A close contact is most often someone that has been within 6 feet of a contagious person for at least 15 minutes of cumulative time.*

Classroom

Classmates would be considered close contacts of a contagious individual if their desk is within 6 feet*. This is typically desks within two rows on all sides of the contagious individual.

If a teacher is contagious and spends time with a student providing one-on-one instruction or walks throughout the classroom during instruction, students may be considered close contacts.

Teachers should be consulted for classroom close contacts in order to assess distance, contact duration, and absences. Seating charts are recommended to help identify close contacts.

Sports

During practice or games, individuals within 6 feet* of the contagious individual are considered close contacts. This includes individuals from opposing teams. The type of sport and player position are additionally considered when assessing close contacts.

Lunch and Snack Time

If students/staff are sitting within 6 feet* of a contagious individual, they are considered close contacts. Lunch is a higher risk activity, as face coverings cannot be worn.

Outdoor Mask Breaks and Recess

During outdoor mask breaks and recess, if individuals are within 6 feet* of the contagious individual, they are considered a close contact, unless interactions are consistently kept brief and no common items are shared. Mask breaks are a higher risk activity, as masks are not worn.

Electives

In electives, such as music class, close contacts may need to be assessed on a case-by-case basis. In general, close contacts are individuals within 6 feet* of a contagious individual.

Transportation

Bus riders are considered close contacts of a contagious individual if they sit within 6 feet*. This includes bus riders, as well as the bus driver. It is advised that seating charts are employed to aid in the assessments of close contacts.

Bus drivers should be consulted for bus close contacts in order to assess contact duration and absences.

Special Considerations

Environmental and activity-related factors may play a role in determining close contacts. When assessing close contacts in schools, please consider:

- The proximity of the case to contacts
- The duration of exposure
- The symptoms of the case
- Type of interaction or activity

- * LCHD may determine that distances beyond 6 feet can still result in high-risk exposures based on other considerations and circumstances in each particular case.

Please contact the Livingston County Health Department for advice on close contact identification in schools. 517-546-9850

There is now a web-based COVID-19 self-reporting form for school staff members and parents/guardians to use on the Livingston County Health Department site!

The hope is that the use of this form will help expedite case investigation and confirmation and also decrease call volume for case-related matters.

[COVID-19 Self-Reporting Form Livingston County](#)

COVID-19 STAFF AND STUDENT AT-HOME SCREENING CHECKLIST FOR SCHOOLS

Monitor your health each day prior to arriving at school or work. If you have symptoms of COVID-19, stay home, contact the school, and consult your medical provider.

An electronic version of this screening form can be filled out at the MI Symptoms App: <https://bit.ly/2Xl5oSA>

01 Have you had any of these symptoms?

Check any current symptoms that developed within the last two weeks.

- Chills
- Loss of taste or smell
- Sore throat
- Shortness of breath
- Diarrhea
- Congestion or Runny Nose
- Cough
- Headache
- Nausea or vomiting
- Muscle aches without recognizable cause

02 Do you have a fever or feel feverish?

- Yes If yes, please enter your body temperature °F
- No A fever is a temperature above 100.4°F

03 Have you had close contact with someone who was diagnosed with COVID-19 in the last two weeks?

- Yes
- No

04 Have you been diagnosed with COVID-19 in the past two weeks?

- Yes
- No

IF YOU ANSWER **NO** TO **ALL** OF THE QUESTIONS ABOVE, YOU HAVE PASSED THE HEALTH SCREENING

IF YOU ANSWER **YES** TO **ANY** OF THE QUESTIONS ABOVE:

- Stay home!
- Notify the school
- Consult your medical provider

For more information, visit www.lchd.org. Questions? Call the COVID-19 hotline at 517-546-9850.
