Greetings Maltby Parents,

Movie Night...

Maltby Movie Night is schedule for this Friday, we are watching, "A Wrinkle in Time" on the big screen in the gymnasium. Students can bring a pillow or bean bag or sit in the bleachers. Doors open at 6pm and the movie starts at 6:15. Cost to get in is \$2.00 and there will be pizza and concessions for sale. Pick up is at 8pm- PLEASE plan on coming into the building to get your student- we do not like to send our Bullpups out into a dark and busy parking lot! All proceeds benefit our awesome Maltby PTO!!

Cold Weather...

Parents PLEASE make sure your Bullpup is coming to school with appropriate cold weather clothing! We are fast approaching the days when a hoodie is no longer warm enough for a 20 minute recess period!

Michigan vs Michigan State Boxtops Contest...

We are in the midst of another exciting year in our Michigan vs MSU boxtop contest. The Office Staff will be wearing the Maize and Blue or Green and White to represent the winners of our contest. Thank you to the Maltby PTO for all of their time and effort in counting all those little boxtops!!

Activity Afternoon...

We have our first Activity Afternoon of the year on November 16th from 3:30pm to 5pm. This is a fun opportunity for our student to stay after school and play basketball in the open gym or enjoy music and pizza in the cafeteria! We also have video games set up and our Student Leadership Committee always hosts fun activities in our upper gym! We would love to see all of our Bullpups attend!

Parent – Teacher Conferences...

Parent-teacher conferences are being scheduled by our individual teaching teams- you should be receiving information from your child's teacher about conference times and format within the next few weeks.

The Maltby Encore staff will be holding conferences in our Media Center on November 8th from 4 to 7.

Parent -Student Drop Off and Pick-Up...

Please remember to exercise caution as you drive in our parking lot and in the school zone as we have some students who walk to school. Parents please obey the designated traffic patterns, especially as the mornings get a darker and the weather gets more challenging. I know mornings are busy for most of us, but collectively we can never be too busy to work together for the safety of our students. Please note the exit from the main parking lot is a double exit- one way only- we have changed the arrows to reflect that it is an exit only. Please do not attempt to turn back into the main lot from the main exit lane that leads to Bauer Road- thank you. Please-

- Do a thorough check around the vehicle before backing up
- Do not let your child walk unattended in our busy parking lot
- Proceed slowly at all times

Parent Connect...

We are at the midway point of our 1st trimester. The end of the first trimester is November 20th. If you have not accessed Parent Connect yet we would encourage you to do so as this is an up-to-date snapshot of your student's progress in their classes.

All of our parents can follow their student's academic progress via Parent Connect. If do not have an account yet please visit www.brightonk12.com to activate a Parent Connect account.

A handy feature to utilize in Parent Connect can be found under the "Email Notification" tab. Check the box for Assignments and Parent Connect will email you each time your child's assignments are updated.

Kind Regards,

Scott Brenner

If you are picking your child up early, please send a note in with them. The office and your child's teacher is then informed of any changes in your child's schedule.

Please be sure to discuss your pick up plans with your student **before** they leave for school. Writing it in your child's planner is also a great idea, as they sometimes forget their plans by the end of the day. This helps cut down on the amount of calls we receive at the end of the day regarding pick up plans.

If an unexpected change of plans does arise, please call before 3:20, as that is

Medical

Head Lice Reminder...

Please make it a habit to check your child's head/hair weekly for signs of head lice. Nits (eggs) are more easily found than live adult lice. The nits are firmly glued to the hair shaft and must be pulled off with fingernails-they cannot be flicked off like dandruff. The color of the nits varies-old empty nit casings appear white and are usually ½ inch and further from the scalp. Darker nits close to the scalp are viable. Look behind the ears, at the temples and the nape of the neck.

A live louse is the shape and size of a sesame seed. They are light brown, move quickly and are often hard to see. If you find evidence of lice, call your doctor for advice on the best over the counter treatment to use. The CDC website has very good information on the detection and treatment of lice.

We very much appreciate a phone call when you discover that your child has lice.

TIP: Although direct head to head contact is the most common mode of transmission-try putting your child's coat, hat and backpack in the dryer after school for 20 minutes.

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones

can present a distraction for your student and/or others in their classes.

Therefore at MIS our students:
Turn off cell phones at the beginning of the day and put them in their locker.
Refrain from texting friends or parents during school hours.
Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day. Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600.

Thank you!

IMPORTANT INFORMATION FOR PARENTS CALLING IN SICK STUDENTS

The Livingston County Health Dept. relies on the public schools to accurately report trends in illness in our county. All schools submit a weekly Communicable Disease Report to the Health Dept. We report "numbers" of students with:

- Apparent flu: body aches, sore throat, generalized aching in the back or limbs.
- Viral gastroenteritis: diarrhea/vomiting without respiratory symptoms
- Strep throat
- Asthma
- Head lice
- Pink Eye

Please keep your child home if they are running a fever over 100.3 degrees, vomiting or have diarrhea, are non-stop coughing, have untreated head lice or have red draining eyes. If you have a child with symptoms that appear to be potentially contagious (ie; rash/lesions) but a medical professional has deemed it safe for your child to return to school, please send in a doctor's note to the main office to prevent any concern. When leaving a message on the attendance line at school, please give specific information as why your child is absent.
