VOLUNTEERS NEEDED

We are in need of volunteers to help sort pizza kits on **October 11th**. The kits should be dropped off at approximately noon. Any time you can volunteer would be greatly appreciated whether it is one hour or the entire time. Call Jan at 810 299-3600 if you can help out.

Parents can pick up orders any time from 3:30-7:00. If you arrive at dismissal, please let your child know if you are picking them up that morning.

Greetings Maltby Parents,

This has been another great Maltby Bullpup school year kickoff! We have a fantastic group of 5th and 6th graders! Thank you to our parents for your patience during our morning drop-off and afternoon pick-up.

Curriculum Nights...

Thank you to all of our parents who attended Curriculum Night for their 5th and 6th graders. We really enjoy the opportunity to meet our parents and discuss the year's curriculum.

Bullpups at BHS Varsity Football Games...

We love to see our Bullpups at the BHS Varsity home football games! - please remember that the 5th and 6th graders must be accompanied by an adult to get in to the game. Thanks and as always GO DOGS!!

Student Drop-Off and Pick-Up...

Please remember our "**7 Second**" drop off target time if you are dropping your student off at Maltby in the morning. Having the kids ready to go and out of the car quickly helps the line move efficiently with well over 200 student drop offs! Just a reminder that students are **not** permitted to walk to our sidewalks from the interior parking spaces- please make sure you escort your student to and from the sidewalks if they cannot get out directly onto a sidewalk.

Thank you for your cooperation and patience in the morning and afternoon. We realize how busy we all are but we must all take the time to ensure our children are safe in the parking lot by following the guidelines.

5th Grade Camp Fundraiser...

Our 5th grade Little Caesar's Pizza Kit fundraiser sales will wrap up this weekend. Order forms are due on Monday, October 1st to homeroom teachers. For the last nine years our 5th grade has been the top selling group for the month of October and among the top 5 selling groups in the **nation** for the year!!

Please remember:

- **Please have your Pizza Kit Purchasers write checks to you and you then write 1 check to Maltby for the total or pay online.**
- **Please make sure your child is accompanied by an adult during their sales if they go door to door.**
- **Selling approximately 19 kits will completely cover the cost of camp.**
- **Please review your entire order carefully to make sure it is accurate.**
- **Pizza kit pick up will be on October 11th starting at 3:30pm; please plan to pick up your order before 6pm. We still need volunteers to help us sort and distribute kits!! Call the office at 810 299-3600 if you can help.**

NWEA...

This year Maltby will again be using the Northwest Evaluation Association test for Measures of Academic Progress (MAP). This test will measure student growth in reading and math for our 5th and 6th graders. We will be administering the test three times this year. Our first testing window is slated for October. NWEA has an outstanding Parent Resource Guide- it can be accessed on the Maltby home page.

Pink Week...

Thank you to our families and staff for once again demonstrating their generosity for our annual BAS Pink Week! Our Pink Week was resounding success here at Maltby and we were able to contribute about \$7500 to our district Pink Week initiative! Students had an assembly featuring former MSU and NFL player TJ Duckett as well as Derek Kevra from Fox news. In addition we had a pink out on Friday and lots of our Bullpups showed up to "Pink Out" the BHS Dog Pound for the football game! Many thanks to our incredible PTO Pink Week Chairperson, Amy Kato, for an outstanding and inspirational week!

Colder Weather...

It's coming soon!! Please make sure your child has a coat or jacket with them as the weather turns. Sometimes the clothes that enable them to get through the car or bus ride to school on a chilly day are not adequate for 20 minutes of outside recess! Thank you for your cooperation let's keep our Bullpups warm and healthy!

Kind Regards,
Scott Brenner

Notes Are Appreciated

If you are picking your child up early, please send a note in with them. The office and your child's teacher is then informed of any changes in your child's schedule.

Please be sure to discuss your pick up plans with your student **before** they leave for school. Writing it in your child's planner is also a great idea, as they sometimes forget their plans by the end of the day. This helps cut down on the amount of calls we receive at the end of the day regarding pick up plans.

If an unexpected change of plans does arise, please call before 3:20, as that is when we do our announcements.

Medical

Head Lice Reminder...

Please make it a habit to check your child's head/hair weekly for signs of head lice. Nits (eggs) are more easily found than live adult lice. The nits are firmly glued to the hair shaft and must be pulled off with fingernails-they cannot be flicked off like dandruff. The color of the nits varies-old empty nit casings appear white and are usually ½ inch and further from the scalp. Darker nits close to the scalp are viable. Look behind the ears, at the temples and the nape of the neck.

A live louse is the shape and size of a sesame seed. They are light brown, move quickly and are often hard to see. If you find evidence of lice, call your doctor for advice on the best over the counter treatment to use. The CDC website has very good information on the detection and treatment of lice.

We very much appreciate a phone call when you discover that your child has lice.

TIP: Although direct head to head contact is the most common mode of transmission-try putting your child's coat, hat and backpack in the dryer after school for 20 minutes.

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones

can present a distraction for your student and/or others in their classes.

Therefore at MIS our students:
Turn off cell phones at the beginning of the day and put them in their locker.
Refrain from texting friends or parents during school hours.
Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day. Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600.

Thank you!

IMPORTANT INFORMATION FOR PARENTS CALLING IN SICK STUDENTS

The Livingston County Health Dept. relies on the public schools to accurately report trends in illness in our county. All schools submit a weekly Communicable Disease Report to the Health Dept. We report “numbers” of students with:

- Apparent flu: body aches, sore throat, generalized aching in the back or limbs.
- Viral gastroenteritis: diarrhea/vomiting without respiratory symptoms
- Strep throat
- Asthma
- Head lice
- Pink Eye

Please keep your child home if they are running a fever over 100.3 degrees, vomiting or have diarrhea, are non-stop coughing, have untreated head lice or have red draining eyes. If you have a child with symptoms that appear to be potentially contagious (ie; rash/lesions) but a medical professional has deemed it safe for your child to return to school, please send in a doctor’s note to the main office to prevent any concern. When leaving a message on the attendance line at school, please give specific information as why your child is absent.

Forming teams quickly is the most essential part of our season. Parent Co-coaches make the teams possible!! They are essential to forming teams! We invite all parents, grandparents, adult extended family and friends to help guide students during the season challenge event! The safety of your student is our main concern. This is why FIRST requires TWO adult co-coaches to facilitate a team. Having many willing co-coaches ensures we can have enough teams for all students to participate!! Please consider becoming a co-coach!
