TICKS ARE HERE

Check your kids thoroughly for ticks on their clothing and skin after playing outdoors. Common places for ticks to nestle; under the arms, ears, inside the belly button, back of neck, in and around hair, between the legs, around the waist. If a tick is found, remove it as soon as possible. See www.cdc.gov/ticks/removing_a_tick.html. If your child develops a rash or fever, seek medical attention.

Greetings Maltby Parents,

Parking Lot...

Just a gentle reminder, students are not permitted to walk in the parking lot themselves. Please meet your student on the sidewalk at pickup if you are parked in the middle of our lot. We also ask that you please be patient and drive slow around our school- this is the time of year that many of our students who live close begin walking home again. Please do not use the handicap parking spots at the front of our lot to drop your student unless you have a handicap sticker- thank you

Dress Code...

The warmer weather is close (but not today!!!) Please make sure your student's attire is in compliance with our dress code. The biggest challenge we have this time of year tends to be shorts that are just a little too short for school. Mid-thigh is a good gauge for dress code compliance with shorts. Thank you for your assistance.

Maltby Movie Night... Thank you to the Maltby PTO for another great movie night last Friday. The students watched "The Greatest Showman on Earth" and we had many of our future Bullpups from 4th grade attend! The students were well-behaved and we are looking forward to next year's incoming Bullpups!

6th Grade Send Off... This year we are again holding our 6th grade "Send Off" during the last day of school at 10:00am. We will be recognizing students for academic and attendance awards as well as a balloon release sponsored by our PTO!! Parents are welcome to attend if they wish to. The Send Off will be held outside (weather permitting) at the soccer fields- parents are welcome to park and proceed out to the fields to watch. Parent attendance is certainly not required and our Send- Off will be informal and brief but fun!! We are very proud of our 6th grade Bullpups! Thanks you once again to the PTO!

Field Day...

This year's Field Day will be held on June 7th. Our Field Day committee has been hard at work planning another fantastic day for our Bullpups.

7th Grade WEB Program... I am excited to let our outgoing 6th grade parents know that Scranton Middle School is continuing the WEB Program (Where Everyone Belongs.) The WEB 7th grade transition program is designed to welcome and support 7th graders by assigning them an 8th grade WEB Leader mentor. Your 7th grader will be invited to an orientation day in late August where they will tour the building, check out the lockers, and have their questions answered. It will be a great middle school start for our 7th graders! Please look for the informational flyer in our 4th quarter Report Card mailing.

August Orientation/ Registration Dates...

5th Grade: August 21st 9 to 1pm in the Maltby Gym

6th Grade: August 22nd 9 to 1pm in the Maltby Gym

- Parents/ students are welcome to attend either day if the designated day does work for their schedule.

5th Grade M-Step... Congratulations and thank you to our 5th and 6th grade students for completing this year's M-Step testing. All of our Maltby Bullpups were focused and well-behaved; we are always appreciative of the effort they give when they take our state assessments!! 6th graders are in the process of completing their M-Step testing.

NWEA... We will begin the Spring NWEA assessments next week- these assessments are growth-based measures and are normed with results from 10,000,000 students who take the same assessments. Student results for our Spring assessment will included in the report cards mailed home at the end of the year. Ask your child what their year-end goal is for NWEA growth- they should be able to tell you!

Kind Regards,

Mr. Brenner

ALL 6TH GRADE PARENTS/GUARDIANS

For all students entering the 7th grade, it is required by law that their immunization status be reported to our local health dept. With that being said, all children who attend school in Michigan are required by state law to be fully immunized to their standards. Please review your child's immunization status with their Physician prior to the start of the 2018-2019 school year to ensure compliance. Note that the Meningococcal and Tdap vaccinations are required for children 11 years of age or older upon entry into 7th grade. If you have a personal objection to immunizations, please contact the Livingston County Health Department **as soon as possible** to set up an appointment to obtain a certified immunization waiver (517 546-9850).

If your student is not fully immunized in accordance with the Michigan law OR does not have a certified immunization waiver on file by the first day of the 2018-19 school year, **THEY WILL BE EXCLUDED FROM ATTENDING SCRANTON MIDDLE SCHOOL** until compliance is met. Please feel free to contact me with any questions.

DESTINATION IMAGINATION MICHIGAN

The *DI Dabbers* are a team of 4th and 5th graders from Hornung and Malby who just earned **first place** in Michigan's Destination Imagination State Tournament! Destination Imagination is a leading educational nonprofit dedicated to teaching students the skills needed to succeed in school, their careers and beyond. The kids compete in programs that blend STEM (science, technology, engineering and mathematics) education with the arts and social entrepreneurship.

For their Destination Imagination service project, the team chose to collect items, fill backpacks and distribute them to two homeless shelters in Ann Arbor. Their dedication, creativity, and teamwork has earned them a trip to **Global Finals** in Knoxville, TN on May 23-26. But to make this opportunity a reality, they need support from our community.
