

SHELLEY SQUIRES COMPTON

ANGEL TREE FUND

Dear Brighton Parent:

When our friend and colleague, Shelley Squires Compton died, a fund was established in her name to assist families with one or more children at the kindergarten through fourth grade level who may need temporary assistance. This fund is available to anyone in the Brighton Area Schools who might be in need. Last year, monies were provided for children needing physical, social and emotional support. Shelley's Fund helped families with housing needs, food, clothing, learning materials and medical care.

Just as Shelley hoped to make a lasting difference in young children's lives, we are asking you to help make her legacy live on through contributions to this worthy and meaningful cause. Your Angel Tree sponsorship will support us in our fund endeavors. If you feel you and your child would like to make a small donation to the memorial fund, an angel attached to this letter can be cut out and decorated by your child and brought back to school where it will be put on the angel tree. The tree will be in your school beginning **Monday, December 5 through Tuesday, December 20**. If you are sending a check, please make it payable to the "Shelley Squires Compton Memorial Fund." You are also invited to our event, **Jump for The Angel Tree on Thursday, December 8 from 4pm to 8pm at Brighton Skyzone**. We would love for your family to join us.

This is really a "kids helping kids" project and any small donation will be greatly appreciated. Thank you for your help! You will enable us to help many more families in need.

Sincerely,
Suzanne Johnson
