

Freshmen Year

August/September

- Attend registration
- Make sure all contact information is correct on Aeries
- Sign up for CCGI
- Get your ASB Card
- Use a set system (ex. planner or calendar) to keep assignments and homework organized.

October

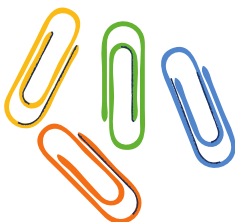

- Get involved in activities, clubs, the arts, and athletics. College admission officers look at student leadership in extracurricular activities when considering students. Plan on joining a club, sport, theatrical production, school publication, service learning project, or internship.
- Attend Back to school night.
- Contact the College and Career Center to get current updates.
- Monitor student's grades on Aeries and contact teachers with academic concerns, if any.
- Attend Parent Teacher Conferences

November

- Review A-G Requirements

December

- Maintain your GPA.
- Make time to relax over winter break.
- Monitor student's grades on Aeries and contact teachers with academic concerns, if any.

January

- Final exams!
- Second Semester Begins – Start strong
- See your counselor for any questions regarding 2nd semester classes, and other questions.

February

- Create a California State University (CSU apply) account. 1st semester grades are completed and students can input those grades into their profile. (CSU Apply)
- Start looking at programs or academies to join

March

- Meet with your counselor for course registration for the upcoming school year. Review the A-G and graduation requirements.
- If applicable, sign up for summer school to make up any D's or F's on your transcript. Register with your counselor.
- Apply for Honors/AP courses
- Apply for pathway or academy

April

- Enjoy Spring Break
- Keep up with your grades!

May/June

- Summer school begins – Make sure paperwork is turned in by the deadline, and attend if you are credit deficient
