

Sophomore Checklist

August/September

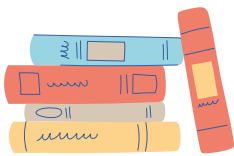

- Attend registration
- Get ASB Card
- Set up academic planner
- Check A-G requirements met so far

October

- Join a club or activity
- Check-in with the College and Career Center

November

- Attend Parent Teacher Conferences
- Seek academic support if necessary

December

- Start preparing for final exams
- Enjoy Break

January

- Final exams!
- Second Semester Begins – Start strong
- See your counselor for any questions regarding 2nd semester classes, and other questions.

February

- Create a California State University (CSU Mentor) account. 1st semester grades are completed and students can input those grades into their profile. [CSU Apply](#)
- Fill out your course selection sheet for next semester. Make sure you sign up for A-G courses.
- Monitor student's grades on Aeries and contact teachers with academic concerns, if any.
- Check for graduation requirements

March

- Meet with your Counselor and turn in your course selection sheet.
- Be sure to discuss registering for Honors and/or AP (Advanced Placement) courses next year. Advanced Placement courses grant college credit for exams taken in high school.
- Monitor student's grades on Aeries and contact teachers with academic concerns, if any.

April

- Start or continue your family college discussion: What, Where, How?
- Consider participating in a summer program.

May

- Study for Finals and finish the year strong!
- Monitor student's grades on Aeries and contact teachers with academic concerns, if any.
- AP Exams begin for students who registered.

June

- Finals!
- Attend summer school, if you are missing credits to stay on track
