

CITIZENSHIP

Our graduates will demonstrate an understanding of global cultures, lead with integrity, embrace diversity to foster an inclusive environment, and act in the best interests of others.

PERSEVERANCE

Our graduates will adapt to situations, overcome obstacles, and embody resiliency to achieve goals.

EMPATHY

Our graduates will demonstrate kindness, compassion, and respect while recognizing the perspectives and feelings of others.

COMMUNICATION

Our graduates will be active listeners and will effectively and respectfully express thoughts and ideas using oral, written and non-verbal skills.

CRITICAL THINKING

Our graduates will analyze and evaluate information with an open mind and find creative solutions to overcome complex challenges.
