\* All elementary buildings, Maltby Intermediate School and Scranton Middle School will be closed mid-June through the beginning of August. For assistance, visit the building website or call the main offices when they are open.

\* Brighton High School is open all year round, including the summer, to assist you. Contact the Counseling Office for enrollment or scheduling information (810) 299-4151. For general questions, please contact the main office at (810) 299-4100.

\*The Bridge/Alternative High School is open all year round as well – please contact the office at (810) 299-4049.

If your child has a medical condition that requires medication administration during school hours (on a daily basis or on an as needed basis), you must complete a medication authorization form. The form must be signed by both a parent/guardian **and** a doctor, **even for over the counter medication.** [MEDICATION AUTHORIZATION FORM](#)

If your child has a life-threatening **FOOD ALLERGY** that may require epinephrine administration, we must have a food allergy emergency plan on file that is signed by a parent/guardian **and** a doctor. You must provide an epinephrine auto-injector and any other medications listed in the plan (i.e. Benadryl), to keep in the main office. [FOOD ALLERGY & ANAPHYLAXIS EMERGENCY CARE PLAN FORM](#)

If your child has **SEIZURES**, we must have an emergency action plan on file signed by a parent/guardian **and** a doctor. [SEIZURE ACTION PLAN FORM](#)

If your child has **DIABETES**, we must have a [DIABETIC MEDICAL MANAGEMENT PLAN](#) on file that is signed by a parent/guardian **and** a doctor, as well as a Glucagon kit in the main office. It is also recommended that you send extra snacks and juice to be kept in the office for hypoglycemic episodes. Parents are to provide all diabetic needs/supplies.

If your child has **ASTHMA**, we must have an inhaler on hand at school. The medication authorization form must be completed and signed by a parent/guardian **and** a doctor. Your child may carry their inhaler on his/her person if the doctor indicates so on the medication authorization form. [STUDENT ASTHMA ACTION CARD.](#)

\*When an emergency action plan is completed, it is NOT necessary to complete a separate Medication Authorization form for any medication already included in the plan (i.e. inhaler, EpiPen, Glucagon, Diastat, Benadryl).

- **All medication** must be given to the school in its **original bottle/container.**
- Please **check expiration dates** on medications before turning them in to the office.
- A new medication authorization form and/or emergency plan is required **yearly.**

**Please discuss your child's immunization status with his/her Physician to ensure your child is up to date for the upcoming school year.**

If your child is going into **Junior Kindergarten, Kindergarten, 7th grade or if your child is new to the district** and is not up to date on his/her immunizations, the State of Michigan requires you to obtain a nonmedical **immunization waiver** from the [Livingston County Health Department](#). The waiver should be submitted with enrollment documents prior to your student starting school. All new incoming Junior Kindergarten and Kindergarteners, must have their **vision screened** prior to starting school.

[Student Health webpage](#) ... for forms, information and access to the Livingston County Health Department (LCHD) appointment link.

Please contact either of us with any questions, concerns or needs.
