Due to the rising cost of gas, vehicle maintenance, and LESA increasing their transportation fees, there will be a transportation fee added into the registration fee for our summer program. This fee will be for Moose-6th grade classrooms. This fee allows us to continue going on the wonderful field trips that everyone enjoys so much. We appreciate your understanding. If your child is in a classroom where you will be paying a transportation fee, you will have the option to break your registration fee into TWO payments 1/2 due at the time of registration and the other 1/2 due on May 31st.
