

What is PBIS?

Positive Behavioral Interventions and Supports (PBIS) is an evidence-based, data-driven framework proven to reduce disciplinary incidents, increase a school's sense of safety, improve school climate, and support improved academic outcomes for **ALL** students.

What does PBIS look like at T.J. Connor?

- A small number of clear expectations are posted throughout the school.
- Teachers continuously teach and review expectations throughout the year.
- Students are acknowledged for meeting expectations.

Implementation Plan

Faculty and staff participate in ongoing training of behavior expectations. Information is turnkeyed during faculty meetings to ensure clear and consistent implementation. In addition, supporting resources and recommendations are shared school-wide.

PBIS Mission & Vision

The PBIS mission of T.J. Connor Elementary is to help all students reach their greatest potential by utilizing a proactive systems approach and maintaining a safe and effective learning community where our students will learn to demonstrate respect, ownership, a positive attitude, and responsibility.

What Can You Do At Home?

Together the home, school, and community are responsible for developing good citizens. Parents, teachers, and students must collaborate to reinforce a safe environment. Parents can help by doing the following:

- Review the PBIS expectations matrix with your child and post it at home.
- Keep in touch with your child's teacher.
- Discuss our R.O.A.R. character traits and provide appropriate examples.

Classroom Expectations

Respectful

- Stay in your personal space
- Value property of the school and others

Ownership

- Leave it cleaner than you found it
- Be an active listener
- Be accountable for yourself only

Attitude

- Be helpful
- Use kind words

Responsible

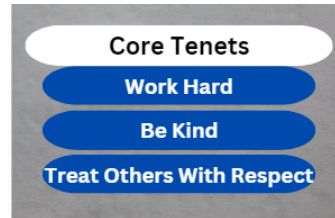

- Come to class prepared and ready to learn!

Clear Expectations & Rules

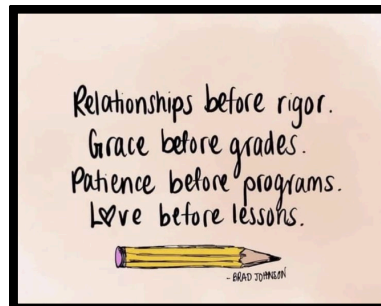

Throughout the year, students are taught how to behave according to the 3 Core Tenets and R.O.A.R.

Teachers help students learn what the expectations “look” and “sound” like in every setting during the school day.

Faculty & Staff Commitment

Faculty and staff are committed to building trusting relationships with their students. Through this, we are able to maintain and implement appropriate behavior interventions that best meet the needs of the students, while aligning to school-wide expectations.

Behavior Matrix

The Behavior Matrix is a detailed description of expected behavior in each setting of the school. The matrix and additional posters can be found throughout the building.
