

# 6th Grade Social Studies

Below are the Mastery Learning Targets, or priorities for all students to be successful when they advance to 7th Grade Social Studies. **Mastery** (M) of these skills means the student has met the grade-level standard and is independently performing on grade level. Mastery may take time to reach, as foundational skills progress throughout the school year.

## **INQUIRY SKILLS**

- Creates thought-provoking questions about the development of ancient civilization.
- Creates questions that help students research and learn about the development of ancient civilizations.
- Develops claims using sources to answer questions.
- Compares evidence from sources to assist in answering questions.
- Constructs explanations using relevant information concerning the development of civilizations.
- Constructs arguments using evidence from multiple sources.
