
Parking Permit/Driving Eligibility

Students may complete the online application for a parking permit beginning in early August. Seniors (12th grade) who complete the application, pay the associated fee, and schedule a vehicle inspection by the first Friday of September are guaranteed a parking permit. Juniors (11th grade) who complete the application by the second Friday of September will be entered into the lottery to receive a permit the third week of September. Students must be prepared to enter specific vehicle, insurance, and driver's license information when applying for a permit.

All students who apply for a parking permit must meet the eligibility requirements:

- Be a junior (11th grade) or senior (12th grade) at the time of application.
- Have no outstanding fines.

To apply for a parking permit, you must complete the appropriate online application, pay the associated fee, and submit to a walkaround/visual vehicle inspection.

Vehicles must be properly licensed in the state of Washington, must have both a front and rear license plate correctly installed and displayed ([RCW 46.16A.030](#) and [RCW 46.16A.200](#)), and must have proof of current state minimum insurance.

All drivers must provide evidence of a current, valid Washington driver's license.

Parking permits will be installed by Eastlake personnel on dates to be determined. Appointments may be required for installation; missing two appointments may result in the forfeiture of the permit. Permits will be issued to a vehicle and ***may not be removed from the vehicle to which it is assigned.***

11th and 12th grade students who do not receive a lottery award, as well as 9th and 10th grade students may not park on the Eastlake campus. Alternate parking may be found at Regeneration Church – please see their website <https://regenerationclb.org/eastlake-parking> for details and pricing.

Parking Citations of \$15.00 will be issued for the following:

1. Parking without a valid and visible parking permit.
2. Using another student's permit.
3. Improper parking of vehicle. This includes not properly parking in stalls (i.e., taking more than one place or blocking accessibility) and parking in restricted areas (i.e., fire lanes, bus lanes, handicap only parking, staff, and visitor parking, and along curbs).

Moving Citations of \$30.00 will be issued for the following:

Moving violations (i.e., speeding, reckless endangerment) are subject to disciplinary sanctions which may result in the loss of parking privileges for both driver and rider.

This includes:

- Transporting any person or persons in the bed of a truck.
- Transporting passengers in the trunk of, on top of, outside of, or underneath any vehicle.
- Not wearing seatbelts **at all times** on campus while in a moving vehicle.
- Not yielding to all school buses, pedestrians, and bicycle riders.
- Distracted driving (i.e. cell phone use)
- Failure to follow posted signage on campus, including speed limit signs

Accumulation of multiple parking citations and/or moving citations may result in loss of parking privileges.

Fines for parking citations and moving citations will be automatically added to student accounts. It is the family's responsibility to regularly review their account online via the Payment Portal.

In addition to fines, **vehicles parked without displaying an appropriate permit and/or parked incorrectly may be issued a written warning and/or be fitted with a temporary wheel lock (“boot”).**

Lake Washington School District Parking/Driving Permit Policy:

“By issuance of the permit, Lake Washington School District does not assume liability for any property damage to any private automobile parked on its property. The owners-operators of all private vehicles accept responsibility for their own property and agree that they are parking at their own risk.”

Eastlake High School Parking/Driving Permit Policy:

All students who park their vehicle(s) on Eastlake High School’s campus during normal school hours must have a visible and valid parking permit for the current school year displayed on their vehicles. A parking permit is to be used only by and for the car and driver to whom it is issued. The parking permit is not transferable and may not be resold by students. Misuse, theft, or loaning out a permit may result in additional disciplinary action.

Cars are not to be entered or used in any way other than transportation to and from school without expressed permission from the principal or designee.

Official school personnel have the responsibility and authority to cite students for unsafe driving on campus, neglecting to have a valid and visible parking permit, and driving a non-compliant vehicle. If you feel you have been cited unfairly, you have two weeks to make an appointment with the associate principal to dispute the ticket. No consideration will be made for students who neglect to make an appointment after two weeks.

Parking Fees	
Full-Time Permit: 3+ classes at EHS	\$60 (up to two vehicles)
