

NJSLA: A REFLECTION ON PERFORMANCE

BRIELLE SCHOOL DISTRICT
October 18, 2023

Ms. Nancy Pearson, Supervisor of Curriculum & Instruction

Mrs. Stacie Poelstra, Superintendent/Principal

The New Jersey Department of Education (NJDOE) worked with local school districts to successfully implement the Spring 2023 NJSLA administration. The primary purpose of our statewide assessment program is to identify areas of curricular strength along with opportunities for improvement in each of the tested content areas. As per the NJDOE, districts are encouraged to determine the optimum mechanism to support learning and mastery of our state's rigorous standards.

- During Spring of 2023, NJSLA was administered in the following:

- English Language Arts and Literacy (ELA/L) grades 3–11
- Mathematics grades 3 – 8 and End of Course Assessments in Algebra I, Algebra II and Geometry.
- Science in grades 5 and 8

How Scores are Reported

Level 1: Not yet meeting grade-level expectations

Level 2: Partially meeting grade-level expectations

Level 3: Approaching grade-level expectations

Level 4: Meeting grade-level expectations

Level 5: Exceeding grade-level expectations

*There are four performance levels for Science, unlike ELA & Mathematics which have five levels
