

Brielle Elementary PTO presents: READ-A-THON!

Read-a-thons actually get your child excited about reading and give friends and family the opportunity to encourage your child to read even more.

Our Read-a-thon starts Friday, April 1 and will run through Friday, April 15.

About one week before our Read-a-thon starts we will send home instructions on how to activate your reader's personal page. This is where you will be able to view and record their progress.

We encourage you to activate your reader's account TODAY by clicking the corresponding link and following the simple instructions:

Grades Pre-K – 5: <https://www.read-a-thon.com/readers/r/vxeUGV/1>

Grades 6 – 8: <https://www.read-a-thon.com/readers/r/yCrupC/1>

We've chosen Read-a-thon because it will not take much of your time, gives your child a reason to read, and helps in the development of stronger reading skills. We can't think of a better event to help fundraise for our PTO!

Minutes your child spends reading in the classroom during the school day go towards his or her reading goal, in addition to reading done at home! And parents: time spent reading to or with your children counts as well!

There is a chance to win great prizes, including a trip for four to **Walt Disney World!**

Please follow Brielle Elementary PTO on Instagram and Facebook for more information and videos about our Read-a-thon.

Take a look (in real time) at how much we've raised, see our sponsors, and view our readers' latest well wishes! Go to:

Pre-K – 5: https://www.read-a-thon.com/school/Brielle-Elementary-PTO_48204

Grades 6 - 8: https://www.read-a-thon.com/school/Brielle-Elementary-6-8_48380

Do you own a local business or know of someone who does? For a small donation, starting at just \$100, your business ad will be featured on our Read-a-thon site! Please go to: www.read-a-thon.com/donate and enter code 48204. We truly appreciate your generosity and support!
