GRISWOLD PUBLIC SCHOOLS
TECHNOLOGY DEPARTMENT

TECHNOLOGY INFORMATION FOR NEW STUDENTS

DESKTOP COMPUTER LOGIN (IN SCHOOL)

Log In: Year of Graduation, First Initial, Last Name (example: 25jsmith)
Password: password
You will be prompted to change your password once you have logged in. Please create a password that you will easily remember. Make a note of your password for future reference.
Please remember to log off of shared desktop computers when you are finished.

STUDENT GOOGLE ACCOUNT

Your Google Account is used to log on to your Chromebook and access School Email, Google Tools such as Docs, Slides, and more. Additionally, Google Classroom is used to share resources and announcements, as well as access and submit class/homework assignments for nearly every class. School Counseling and Upperclassmen Advisors use Google Classroom for each graduating class where important information and tons of opportunities are shared about internships, scholarships, college & career information, prom, graduation, and more.

Username: Your username is your GPS email address, which is your Year of Graduation, First Initial, Last Name @griswoldpublicschools.org. (example: 25jsmith@griswoldpublicschools.org)
Password: password
You will be prompted to change your password once you have logged in. Please create a password that you will easily remember. Make a note of your password for future reference.

INFINITE CAMPUS PORTAL ACCOUNT

Infinite Campus is used by students to view their schedule and locker information, as well as the monitoring of attendance, grades, credits, and community service hours.

Visit https://griswoldct.infinitecampus.org/campus/portal/griswold.jsp
