GROUP POLICY SCHEDULE

Effective Date: October 1, 2017

Policy Anniversary: July 01

Premiums: The amount that the Policyholder must pay to Horizon BCBSNJ for the insurance under this Policy.

Premium Due Dates: October 1, 2017, the Effective Date, and the **1st** day of each month starting with **November 2017**.

Governing Jurisdiction: State of New Jersey

INCLUDED EMPLOYERS

Included Employers under the Policy are the Policyholder and its Affiliated Companies, if any.

An Employee of more than one included Employer will be considered an Employee of only one of those employers for the purpose of the Policy. That Employee's service with all other included Employers will be treated as service with that one.

On any date when an employer ceases to be an included Employer, the Policy will be considered to end for Employees of that employer. This applies to all of those Employees except those who, on the next day, are still within the Covered Classes of a plan of benefits of the Policy as Employees of another included Employer. The plan of benefits for Covered Classes are listed in the Policy's Schedule of Plans.

The Policyholder must let Horizon BCBSNJ know, in writing, when an employer listed as an Affiliated Company is no longer affiliated with the Policyholder.

PREMIUMS

A. PREMIUM AMOUNTS

The Premium due on each Premium Due Date is the sum of the premium charges for the insurance under the coverage(s). Those charges are determined from the Premium rates then in effect and the Employees then insured. Premiums may be determined in another way. But it must produce about the same amounts and be agreed to by the Policyholder and Horizon BCBSNJ.

The Policyholder acknowledges and agrees that We may, in Our determination, appropriate any Premium payments made by the Policyholder to any invoiced Premium payment due.

It is the Policyholder's responsibility to promptly inform Horizon BCBSNJ of all additions to or deletions of persons from the coverage(s). If one or more Premiums paid include Premium charges for a person whose coverage has ended before the due date of that Premium, Horizon BCBSNJ may credit the Premium paid for the person, but not more than the amount of (a) minus (b):

- (a) The amounts of the Premium charges for the person that were included in the total Premiums paid for the two-month period immediately prior to the date on which Horizon BCBSNJ received written notice from the Policyholder that the person's coverage ended.
- (b) The amount of any claims paid or the value of any services provided to the person (or, in the event that it is the coverage that ended, to a member of his /her family) after the date that the coverage ended.

If the amount of (a) minus (b) results in a negative amount, no Premium credit will be made.

B. PREMIUM RATE CHANGES

The Premium rates in effect on the Policy Date are shown on the rate sheet applicable to this Policy, presented by the Policyholder and incorporated herein by reference. Horizon BCBSNJ has the right to change Premium rates:

1. As of any Premium Due Date; as those dates are defined in the Group Policy Schedule;
2. As of any date that an employer becomes, or ceases to be, an Included Employer;
3. For an insurance coverage, as of any date that the extent or nature of the risk under that coverage is changed:
 - a. by amendment of the Policy;
 - b. by reason of any provision of law or any governmental program or regulation;
 - c. due to a change in benefits provided by another insurer, non-profit hospital or medical service plan or health maintenance organization that the coverage under this Policy coordinates with or supplements;
 - d. due to a change in the size of the group by 10% or more.
4. At the discovery of a clerical or other error or misstatement, as described in this Policy.

5. As of the date that the nature of the Policyholder's or an Affiliated Company's business changes.

C. PAYMENT OF PREMIUMS - GRACE PERIOD

Premiums are to be paid by the Policyholder to Horizon BCBSNJ. Each may be paid at a Horizon BCBSNJ office or to one of its authorized agents. One is due on each Premium Due Date stated in the Group Policy Schedule. The Policyholder may pay each Premium other than the first Premium within 31 days of the Premium Due Date without being charged interest. Those days are defined as the Grace Period.

During the Grace Period, the Policy will stay in force. But this will not apply if, prior to the date payment was due, the Policyholder gave at least 31 days advance notice of the Policyholder's intention to cancel the Policy. Notwithstanding any such cancellation request, the Policyholder will be liable to pay Premiums to the Policyholder is liable to pay Premiums to Horizon BCBSNJ for the time the Policy is in force.

Premiums unpaid after the end of the Grace Period are subject to a late payment interest charge. See "D Late Charges and Termination for late payment" below.

D. LATE CHARGES AND TERMINATION FOR LATE PAYMENT

If the Policyholder fails to make payment of any Premium amount required under the Policy and the amount due is not paid on or before the end of the Grace Period, the Policyholder will pay a late charge of an annual percentage of the unpaid amount until receipt of the amounts due. The annual percentage shall be determined by Us in Our discretion but shall not be more than the maximum permitted by law.

If the Premium is not paid by the end of the Grace Period, Horizon BCBSNJ may terminate the Policy retroactively to the last paid date of coverage.

The Policyholder will remain liable to Horizon BCBSNJ for all amounts due, including any late charges.

E. DISPUTED BILLINGS

The Policyholder must notify Horizon BCBSNJ, in writing, of any disputed billings within 60 days of the billing date. Failure to dispute a billing during this time frame will be deemed as the Policyholder's acceptance of the billing. The Policyholder must pay amounts that are not disputed. A disputed amount will not be deemed late until Horizon BCBSNJ reviews the disputed amount and notifies the Policyholder of the results of the review, in writing.

GENERAL RULES

A. AMENDING THE POLICY

This Policy may be amended at any time without the consent of Covered Persons or anyone else with a beneficial interest in it. This can be done through written request that is: (a) made by the Policyholder at least 60 days in advance of the proposed effective date; and (b) agreed to by Horizon BCBSNJ. But, an amendment that changes benefits under a Coverage will not affect claims Incurred before the date of the change.

Only an authorized officer of Horizon BCBSNJ has the power, on behalf of Horizon BCBSNJ, to: (a) waive any condition or restriction of the Policy; (b) to extend the time in which a Premium may be paid; or (c) to make any other change in the Policy.

No change in the Policy is valid unless shown in: (a) an endorsement signed by an authorized officer of Horizon BCBSNJ; or (b) an amendment to it signed by the Policyholder and an officer of Horizon BCBSNJ.

However, there are certain changes that may be made automatically in an amendment or endorsement to the Policy that is signed only by an officer of Horizon BCBSNJ. For example, Horizon BCBSNJ may amend the Policy in this manner as described in Subsection "C. Premium Rate Changes" of the Section "Premiums", or to change an address or phone number. However, except as needed to meet the requirements of a state or federal law or regulation that applies to the Policy, Horizon BCBSNJ will not amend the Policy in this manner to: (a) change Covered Services and Supplies; amounts payable; Deductibles; exclusions; frequency limits; or maximums, or (b) change general policy provisions (e.g., eligibility requirements, termination provisions, coordination of benefits, appeal rights, etc.). Furthermore, except for revisions needed to meet the requirements of a state or federal law or regulation or minor administrative changes, no such unilateral change will be made: (i) without at least 30 days advance notice; or (ii) as of any date other than an Anniversary Date. No changes may be made unless the revised text has been approved by the New Jersey Department of Banking and Insurance.

B. ASSIGNMENT

An assignment or transfer of the Policyholder's interest under this Policy will not bind Horizon BCBSNJ without Horizon BCBSNJ's advance written consent to it.

C BLUECARD

Overview

Horizon BCBSNJ has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Arrangements." These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever Covered Persons access healthcare services outside the geographic area we serve, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside the geographic area we serve, Covered Persons obtain care from healthcare providers that have a contractual agreement ("participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, Covered Persons may obtain care from healthcare providers in the Host Blue geographic area that do not have a contractual agreement ("nonparticipating providers") with the Host Blue. Horizon BCBSNJ

remains responsible for fulfilling our contractual obligations to the Covered Person. Horizon BCBSNJ's payment practices in both instances are described below.

This disclosure describes how claims are administered for Inter-Plan Arrangements and the fees that are when charged in connection with Inter-Plan Arrangements. Note that Dental Care Benefits that are not paid as medical claims/benefits, and those Prescription Drug Benefits or Vision Care Benefits that may be administered by a third party contracted by Horizon BCBSNJ to provide the specific service or services, are not processed through Inter-Plan Arrangements.

BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this Inter-Plan Arrangement, when Covered Persons access Covered Services and Supplies within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its participating healthcare providers. The financial terms of the BlueCard® Program are described generally below.

Liability Calculation Method Per Claim - In General

Covered Person Liability Calculation

Unless subject to a fixed dollar copayment, the calculation of the Covered Person's liability on claims for Covered Services and Supplies will be based on the lower of the participating provider's billed Covered Charges or the negotiated price made available to Horizon BCBSNJ by the Host Blue.

Claims Pricing

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's healthcare provider contracts. The negotiated price made available to us by the Host Blue may be represented by one of the following:

- i An actual price. An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or
- ii An estimated price. An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, provider refunds not applied on a claim-specific basis, retrospective settlements and performance-related bonuses or incentives; or
- iii An average price. An average price is a percentage of billed Covered Charges in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its healthcare providers or a similar classification of its providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

The Host Blue determines whether it will use an actual, estimated or average price. Host Blues using either an estimated price or an average price may prospectively increase or reduce such prices to correct for over- or underestimation of past prices (i.e., prospective adjustment may mean that a current price reflects additional amounts or credits for claims already paid or anticipated to be paid to providers or refunds received or anticipated to be received from providers). However, the BlueCard® Program requires that the amount paid by the Covered Person is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims. The method of claims payment by Host Blues is taken into account by Horizon BCBSNJ in determining the Policyholder's premiums.

Special Cases: Value-Based Programs

Value-Based Programs Overview

The Covered Person may access Covered Services and Supplies from providers that participate in a Host Blue's Value-Based Program. Value-Based Programs may be delivered either through the BlueCard® Program or a Negotiated National Account Arrangement(s).

Value-Based Programs under the BlueCard® Program

Horizon BCBSNJ has included a factor for bulk distributions from Host Blues in a Policyholder's premium for Value-Based Programs when applicable under this Policy.

Return of Overpayments

Recoveries of overpayments from a Host Blue or its participating and nonparticipating providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, audits, utilization review refunds and unsolicited refunds. Recoveries will be applied so that corrections will be made, in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to Horizon BCBSNJ they will be credited to the Covered Person's account. In some cases, the Host Blue will engage a third party to assist in identification or collection of overpayments. The fees of such a third party may be charged to the Covered Person as a percentage of the recovery. If recovery is made for overpayment, the Host Blue or its participating and nonparticipating providers has the right to recover the amount overpaid within 18 months after the date the first payment on the claim was made.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

In some instances federal or state laws or regulations may impose a surcharge, tax or other fee that applies to insured accounts. If applicable, Horizon BCBSNJ will include any such surcharge, tax or other fee in determining a Policyholder's premium.

Non-Participating Healthcare Providers Outside Horizon BCBSNJ's Service Area

Covered Person Liability Calculation

a. In General

When Covered Services and Supplies are provided outside of Horizon BCBSNJ's service area by nonparticipating providers, the amount(s) a Covered Person pays for such services will be based on either the Host Blue's nonparticipating healthcare provider local payment or the pricing arrangements required by applicable state law. In these situations, the Covered Person may be responsible for the difference between the amount that the nonparticipating provider bills and the payment Horizon BCBSNJ will make for the Covered Services and Supplies as set forth in this paragraph. Payments for out-of-network emergency services will be provided as if the care was provided by a participating healthcare provider.

b. Exceptions

In some exception cases, at the Policyholder's direction Horizon BCBSNJ may pay claims from nonparticipating healthcare providers outside of Horizon BCBSNJ's service area based on the provider's billed charge. This may occur in situations where a Covered Person did not have reasonable access to a participating provider, as determined by Horizon BCBSNJ in Horizon

BCBSNJ's sole and absolute discretion in accordance with this Policy or by state and/or federal law, as applicable. In other exception cases, at the Covered Person's direction, Horizon BCBSNJ may pay such claims based on the payment Horizon BCBSNJ would make if Horizon BCBSNJ were paying a nonparticipating provider inside of Horizon BCBSNJ's service area, as described elsewhere in this Policy. This may occur where the Host Blue's corresponding payment would be more than Horizon BCBSNJ's in-service area nonparticipating provider payment. Horizon BCBSNJ may choose to negotiate a payment with such a provider on an exception basis.

Unless otherwise stated, in any of these exception situations, the Covered Person may be responsible for the difference between the amount that the nonparticipating healthcare provider bills and the payment Horizon BCBSNJ will make for the Covered Services and Supplies as set forth in this paragraph.

BlueCard Worldwide® Program

General Information. If Covered Persons are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: BlueCard service area), they may be able to take advantage of the BlueCard Worldwide® Program when accessing Covered Services and Supplies. The BlueCard Worldwide® Program is unlike the BlueCard® Program available in the BlueCard® service area in certain ways. For instance, although the BlueCard Worldwide® Program assists Covered Persons with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when Covered Persons receive care from providers outside the BlueCard® service area, the Covered Persons will typically have to pay the providers and submit the claims themselves to obtain reimbursement for these services.

- **Inpatient Services**

In most cases, if Covered Persons contact the BlueCard Worldwide® Service Center for assistance, hospitals will not require Covered Persons to pay for covered inpatient services, except for their cost-share amounts. In such cases, the hospital will submit Covered Persons claims to the BlueCard Worldwide® Service Center to initiate claims processing. **However, if Covered Persons paid in full at the time of service, the Covered Persons must submit a claim to obtain reimbursement for Covered Services and Supplies. Covered Persons must contact Horizon BCBSNJ to obtain precertification for non-emergency inpatient services.**

- **Outpatient Services**

Physicians, urgent care centers and other outpatient providers located outside the BlueCard® service area will typically require Covered Persons to pay in full at the time of service. Covered Persons must submit a claim to obtain reimbursement for Covered Services and Supplies.

- **Submitting a BlueCard Worldwide® Claim**

When Covered Persons pay for Covered Services and Supplies outside the BlueCard® service area, they must submit a claim to obtain reimbursement. For institutional and professional claims, Covered Persons should complete a BlueCard Worldwide® International claim form and send the claim form with the provider's itemized bill(s) to the BlueCard Worldwide® Service Center address on the form to initiate claims processing. The claim form is available from Horizon BCBSNJ, the BlueCard Worldwide® Service Center, or online at www.bluecardworldwide.com. If Covered Persons need assistance with their claim submissions, they should call the BlueCard Worldwide Service Center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week.

D. CERTIFICATES OF COVERAGE

Horizon BCBSNJ will give the Policyholder an individual certificate to give to each insured Employee. It will describe the Employee's insurance under the Policy. It will include: (a) to whom Horizon BCBSNJ pays benefits; (b) any protection and rights when the insurance ends; and (c) claim rights and requirements.

E. CLERICAL ERRORS; MISSTATEMENTS

Horizon BCBSNJ's errors in keeping records pertaining to coverage under this Policy, or Horizon BCBSNJ's delays in making entries about those records, will not: (a) invalidate coverage that would otherwise be in force, or (b) serve to continue coverage that would otherwise have ended. If such an error or delay occurs, Horizon BCBSNJ will make an equitable adjustment in Premium.

Horizon BCBSNJ shall be liable to the Policyholder for any Premium adjustments involving a return of unearned Premium to the Policyholder, to the extent that Horizon BCBSNJ determines such adjustments to be warranted.

If a Policyholder's clerical error causes coverage to be provided under this Policy that would not have been provided if the error did not occur, the Policyholder shall be liable to Horizon BCBSNJ for the cost of any and all claims paid by Horizon BCBSNJ due to the error before the date that the error was discovered.

If: (a) an age or any other relevant fact about a person is used to determine the Premium for the person's insurance under this Policy; and (b) the age or that fact is found to be in error; and (c) the error affects the Premium, the Premium will be adjusted to reflect the correct age or fact. If the error involves whether or not the person would be covered under this Policy, or the amount of the person's coverage, the true facts will be used to determine if such coverage is in force, and in what amounts, subject to the Policy's Incontestability provision.

F. CONFORMITY WITH LAW

Any provision of this Policy that conflicts with the requirements of an applicable law or regulation of the State of New Jersey or the federal government is automatically changed to conform with the minimum requirements of that law or regulation.

G. CONTINUING RIGHTS

Horizon BCBSNJ's failure to apply terms and conditions of this Policy does not mean that Horizon BCBSNJ waives or gives up any future rights under this Policy.

H. END OF THE GROUP POLICY

Horizon BCBSNJ has the right not to renew this Policy, subject to any statutory notification or other requirements, if:

- a. Horizon BCBSNJ ceases to do business in the large group market or to offer the type of insurance provided under the Policy;
- b. the Policyholder fails to meet this Policy's participation rules, as set forth under L. "Participation Rules", below.

Horizon BCBSNJ also has the right to cancel this Policy subject to 30 days advance written notice to the Policyholder if the Policyholder commits fraudulent acts or makes misrepresentations about persons eligible for insurance under the Policy.

Horizon BCBSNJ's right to end this Policy is not affected by the health of anyone covered under it. This means that any Illness, Injury, or other condition that any Covered Person may have will not limit Horizon BCBSNJ's right to end this Policy. Horizon BCBSNJ cannot end this Policy due to health status related factors of any Covered Person.

The Policyholder may end this Policy or Coverage under it as of any Anniversary Date of the Policy. If the Policyholder wishes to terminate the Policy or Coverage under it on other than an Anniversary Date, the Policyholder must give Horizon BCBSNJ 30 days advance written notice. If the Policyholder does not provide the 30 days advance notice, the Policyholder must reimburse Horizon BCBSNJ in full for all claims Incurred and paid under the Policy or Coverage after termination date. Horizon BCBSNJ agrees to document these paid claims via a detailed claims listing. The Policyholder agrees to reimburse Horizon BCBSNJ within 30 days of being billed. Late payment charges will be assessed for each day payment is made beyond the due date.

I. IDENTIFICATION CARDS

Any identification cards ("ID cards") issued by Horizon BCBSNJ in connection with the insurance under the Policy are for identification only and remain the property of Horizon BCBSNJ. Possession of an ID card does not convey any rights to benefits under the Policy. If any Covered Person permits another person to use the Covered Person's ID card, Horizon BCBSNJ may invalidate that Covered Person's ID card.

J. INDEMNIFICATION BY THE POLICYHOLDER

The Policyholder agrees to indemnify and defend Horizon BCBSNJ against, and to hold Horizon BCBSNJ harmless from and against:

- (1) any and all actions; claims; demands; judgments; or awards which may be brought or obtained against Horizon BCBSNJ by any Covered Person for whom the Policyholder makes benefits under this Policy available; and
- (2) any and all liabilities; damages; losses; costs; or expenses of any kind (including, without limitation, attorneys' fees and financial or consequential damages);

which may be suffered by Horizon BCBSNJ due to: (a) fraud by the Policyholder; or (b) any other breach of the terms of this Policy by the Policyholder.

The Policyholder agrees to pay the costs and attorneys' fees incurred by Horizon BCBSNJ in collecting any amounts due under this subsection. Any attorney retained by the Policyholder to defend Horizon BCBSNJ shall be subject to approval by Horizon BCBSNJ, which will not be unreasonably withheld. For the purposes of this subsection, "Horizon BCBSNJ" shall be deemed to include: (a) Horizon BCBSNJ; (b) its affiliates; (c) its officers; (d) its directors; (e) its employees; and (f) its representatives.

K. NOTICES AND OTHER INFORMATION

Any notices, documents or other information regarding this Policy may be sent by U.S. mail, postage prepaid, addressed as follows:

If to Horizon BCBSNJ: To the last address on record with the Policyholder.

If to the Policyholder: To the last address of the Policyholder on file with Horizon BCBSNJ.

L. PARTICIPATION RULES

There must be at least 51 Employees eligible for coverage under this Policy. Also, at least 75% of the Employees eligible for insurance must be enrolled for coverage. (If an eligible Employee is not covered by this Policy because:

- a. the Employee is covered as a dependent under a Spouse's coverage, other than individual coverage; or
- b. the Employee is covered under any health benefits plan offered by the Employer;
- c. the Employee is entitled to coverage under Medicare.

Horizon BCBSNJ will count that Employee as being covered by this Policy for the purpose of meeting participation rules.)

M. THE POLICY; INCONTESTABILITY OF THE POLICY; CLAIMS

The entire Policy consists of: (a) the certificate(s) of coverage listed in the Schedule of Plans, copies of which are attached to this Policy; (b) all modifications, amendments, endorsements and riders which are attached to and made a part of the Policy; (c) the Policyholder's application, a copy of which is attached to the Policy; and (d) the individual applications or enrollment forms, if any, of the persons insured. Statements made by the Policyholder or Covered Persons shall be deemed representations and not warranties. No statement of the Policyholder or Covered Persons shall be used in any contest of the insurance under the Policy unless contained in a written statement signed by the insured.

There will be no contest of the validity of the Policy after it has been in force for one year, except: (a) for not paying Premiums; or (b) if the Policyholder commits fraudulent acts or makes misrepresentations about persons eligible for insurance under the Policy.

Either the Policyholder or Horizon BCBSNJ, as they agree, will keep a record of the insured Employees. It will contain the key facts about their insurance.

Horizon BCBSNJ will furnish claim forms to the Policyholder for delivery to Covered Persons. If the Covered Person does not receive such forms within 15 days of Horizon BCBSNJ's receipt of notice of claim, timely written proof covering the occurrence, character, and extent of loss shall be accepted in lieu of the claim form.

N. RECORDS - INFORMATION TO BE FURNISHED

At the times set by Horizon BCBSNJ, the Policyholder will send the data required by Horizon BCBSNJ to perform its duties under the Policy, and to determine the Premium rates. All records of the Policyholder or of an Affiliated Company, if any, which bear on the insurance, must be open to Horizon BCBSNJ for its inspection at any reasonable time.

Horizon BCBSNJ will not have to perform any duty that depends on such data before it is received in a form that satisfies Horizon BCBSNJ. The Policyholder may correct wrong data given to Horizon BCBSNJ. An Employee's insurance under the Group Policy will not be made invalid by failure of Horizon BCBSNJ or the Policyholder, due to clerical error, to record or report the Employee for that insurance.

The Policyholder must notify Horizon BCBSNJ, within 60 days, of any event, including a change in eligibility that causes a Covered Person's insurance under Coverage to end. If this is not done, the applicable procedure for crediting premiums described in Section "B. Premium amounts" of form GRP 2002 PRE 100 will apply.

If at any time Horizon BCBSNJ requests verification and/or evidence of a Covered Person's eligibility for the insurance under Coverage, that information must be furnished in writing within 14 days after the date of the request.

O. RELATION BETWEEN HORIZON BCBSNJ AND THE BLUE CROSS AND BLUE SHIELD ASSOCIATION

The Policyholder also acknowledges and agrees that no person, entity or organization other than Horizon BCBSNJ shall be held liable to the Policyholder for any of Horizon BCBSNJ's obligations to the Policyholder. This provision shall not create any additional obligations on the part of Horizon BCBSNJ other than those created under this Policy. The Horizon® name and symbols are registered marks of Horizon Blue Cross Blue Shield of New Jersey.

R. SUMMARIES OF BENEFITS AND COVERAGE

Section 2715 of the Public Health Service Act, part of the federal Patient Protection and Affordable Care Act, makes issuers of health insurance coverage and group health plans (e.g., employer sponsored health plans) that: (a) are subject to certain federal laws, including the Employee Retirement Income and Security Act; and (b) purchase such coverage for the benefit of Eligible Persons, responsible for the preparation and issuance of a summary of health coverage information, called "Summaries of Benefits and Coverage" (SBCs).

For the purposes of this subsection, "Eligible Persons" shall mean: Covered Persons under this Policy; and any other persons who are eligible for, but not currently covered by, the benefits of this Policy.

The Policyholder and Horizon BCBSNJ mutually agree that their individual and shared responsibilities in complying with the final rule regarding SBCs are as described below.

Responsibilities of Horizon BCBSNJ:

- a. Horizon BCBSNJ shall prepare and deliver to the Policyholder, while this Policy is in full force and effect, SBCs that accurately and in a culturally and linguistically appropriate manner describe the benefits provided under this Policy upon request and upon renewal of this Policy by the Policyholder. Where the Policyholder has purchased additional coverage from Horizon BCBSNJ in addition to the group health benefits under this Policy, and such coverage is within the scope of benefits to be included in the SBC, Horizon BCBSNJ shall also accurately and in a culturally and linguistically appropriate manner describe the benefits provided under such additional coverage.
- b. Horizon BCBSNJ shall deliver the SBC to Horizon BCBSNJ Covered Persons upon a Covered Person's request. - c. The SBC(s) provided by Horizon BCBSNJ to the Policyholder shall be delivered in hard copy, unless the Policyholder directs otherwise. If electronic delivery by Horizon BCBSNJ is available, and the Policyholder so directs, the SBCs will be delivered to the Policyholder electronically, subject to any applicable federal requirements regarding such delivery.
- d. If the Policyholder wishes to prepare the final SBC with additional materials beyond information describing the benefits under this Policy (e.g., inclusion of non-Horizon BCBSNJ benefits), and Horizon BCBSNJ agrees, Horizon BCBSNJ shall provide in a timely and appropriate manner, consistent with applicable federal rules, the information to be included in the SBC. The Policyholder must make a specific request in writing. Horizon BCBSNJ shall not be responsible for, and the Policyholder shall hold Horizon BCBSNJ harmless from, the Policyholder's misuse of such information and the preparation and distribution of the SBC containing such information.
- e. With respect to parts a., b., c. and d., above, Horizon BCBSNJ's responsibilities shall be performed in accordance with all applicable federally-imposed time frames.

Responsibilities of the Policyholder:

- a. The Policyholder shall deliver to all Eligible Persons, including Horizon BCBSNJ Covered Persons, the SBC for the group health benefits provided under this Policy, as required by federal law or regulations, in a timely and appropriate manner. The Policyholder shall distribute SBCs under this provision: to all Eligible Persons with any written application materials for enrollment

(including open enrollment); to special enrollees; and upon renewal of coverage; and upon request.

- b. The Policyholder shall distribute applicable SBCs, upon request and at any other times, to Eligible Persons who are not currently enrolled with Horizon BCBSNJ.
- c. Solely for the purpose of the delivery of the SBC, as applicable, the Policyholder shall allow Horizon BCBSNJ reasonable access to its Eligible Persons.

Such services include, but are not necessarily limited to: (a) the inclusion in the SBC of required information about group coverage(s) not provided by Horizon BCBSNJ; or (b) the distribution of the SBC to certain Eligible Persons when such distribution would otherwise be the Policyholder's responsibility.

Indemnification:

In addition to any other indemnifications that apply under this Policy, the Policyholder and Horizon BCBSNJ agree to defend, indemnify and hold each other harmless against all claims, including: legal fees; judgments; administrative expenses; and any applicable civil penalties and damages, that may result at any time arising from or is solely attributable to: the negligence, omission, or failure to comply with the terms of this subsection; or any applicable laws or regulations that affect this subsection. Experimental or Investigational: Any: treatment; procedure; Facility; equipment; drug; device; or supply (collectively, "Technology") which, as determined by Horizon BCBSNJ, fails to meet any one of these tests:

- a. The Technology must either be: (a) approved by the appropriate federal regulatory agency and have been in use for the purpose defined in that approval; or (b) proven to Horizon BCBSNJ's satisfaction to be the standard of care.

This applies to drugs, biological products, devices and any other product or procedure that must have final approval to market from: (i) the FDA; or (ii) any other federal government body with authority to regulate the Technology. But, such approval does not imply that the Technology will automatically be deemed by Horizon BCBSNJ as Medically Necessary and Appropriate and the accepted standard of care.

- b. There must be sufficient proof, published in peer-reviewed scientific literature, that confirms the effectiveness of the Technology. That proof must consist of well-designed and well-documented investigations. But, if such proof is not sufficient or is questionable, Horizon BCBSNJ may consider opinions about and evaluations of the Technology from appropriate specialty advisory committees and/or specialty consultants.
- c. The Technology must result in measurable improvement in health outcomes, and the therapeutic benefits must outweigh the risks, as shown in scientific studies. "Improvement" means progress toward a normal or functional state of health.
- d. The Technology must be as safe and effective as any established modality. (If an alternative to the Technology is not available, Horizon BCBSNJ may, to determine the safety and effectiveness of a Technology, consider opinions about and evaluations of the Technology from appropriate specialty advisory committees and/or specialty consultants.)
- e. The Technology must demonstrate effectiveness when applied outside of the investigative research setting.

Services and supplies that are furnished for or in connection with an Experimental or Investigational Technology are not Covered Services and Supplies under this Program, even if they would otherwise be deemed Covered Services and Supplies. But, this does not apply to: (a) services and supplies needed to treat a patient suffering from complications secondary to the Experimental or Investigational Technology; or (b) Medically Necessary and Appropriate services and supplies that are needed by the patient apart from such a Technology.

Regarding a., above, Horizon BCBSNJ will evaluate a Prescription Drug for uses other than those approved by the FDA. For this to happen, the drug must be recognized to be Medically Necessary and Appropriate for the condition for which it has been prescribed in one of these:

- The American Hospital Formulary Service Drug Information.
- The United States Pharmacopeia Drug Information.

Even if such an "off-label" use of a drug is not supported in one or more of the above compendia, Horizon BCBSNJ will still deem it to be Medically Necessary and Appropriate if supportive clinical evidence for the particular use of the drug is given in a clinical study or published in a major peer-reviewed medical journal. But, in no event will this Program cover any drug that the FDA has determined to be Experimental, Investigational or contraindicated for the treatment for which it is prescribed.

Also, regardless of anything above, this Program will provide benefits for services and supplies furnished to a Covered Person for medical care and treatment associated with: (i) an approved cancer clinical trial (Phase I, II, III and/or IV); or (ii) an approved Phase I, II, III and/or IV clinical trial for another life threatening condition. This coverage will be provided if: (a) the Covered Person's Practitioner is involved in the clinical trial; and (b) he/she has concluded that the Covered Person's participation would be appropriate. It can also be provided if the Covered Person gives medical or scientific information proving that such participation would be appropriate.

This coverage for clinical trials includes, to the extent coverage would be provided other than for the clinical trial: (a) Practitioners' fees; (b) lab fees; (c) Hospital charges; (d) treating and evaluating the Covered Person during the course of treatment or regarding a complication of the underlying illness; and (e) other routine costs related to the patient's care and treatment, to the extent that these services are consistent with usual and customary patterns and standards of care furnished whenever a Covered Person receives medical care associated with an approved clinical trial.

This coverage for clinical trials does not include: (a) the cost of Experimental or Investigational drugs or devices themselves; (b) non-health services that the patient needs to receive the care and treatment; (c) the costs of managing the research; or (d) any other services, supplies or charges that this Program would not cover for treatment that is not Experimental or Investigational.

With respect to coverage for clinical trials, Horizon BCBSNJ will not:

- Deny a qualified Covered Person participation in an approved clinical trial;
- Deny or impose additional conditions on the coverage of routine patient costs for items and services furnished in connection with an approved clinical trial; or
- Discriminate against the Covered Person on the basis of his/her participation in such a trial.

Eye Examination: A comprehensive medical exam of the eye performed by a Practitioner, including: a diagnostic ophthalmic exam, with or without definitive refraction as medically indicated, with medical

diagnosis and initiation of diagnostic and treatment programs; prescription of medication and lenses; post-cycloplegic Visit if needed; and verification of lenses if prescribed.

Facility: An entity or institution: (a) which provides health care services within the scope of its license, as defined by applicable law; and (b) which Horizon BCBSNJ either: (i) is required by law to recognize; or (ii) determines in its sole discretion to be eligible under the Program.

Horizon BCBSNJ will recognize it if it: (a) is licensed by the state in which it operates; or (b) is certified to take part in Medicare as a Home Health Agency.

Home Health Care: Nursing and other Home Health Care services rendered to a Covered Person in his/her home. For Home Health Care to be covered, these rules apply:

- a. The care must be given on a part-time or intermittent basis, except if full-time or 24-hour services are Medically Necessary and Appropriate on a short-term basis.
- b. Continuing Inpatient stay in a Hospital would be needed in the absence of Home Health Care.
- c. The care is furnished under a physician's order and under a plan of care that: (a) is established by that physician and the Home Health Care Provider; (b) is established within 14 days after Home Health Care starts; and (c) is periodically reviewed and approved by the physician.

Home Health Care Services: Any of these services needed for the Home Health Care plan: nursing care; physical therapy; occupational therapy; medical social work; nutrition services; speech therapy; home health aide services; medical appliances and equipment, drugs and medicines, lab services and special meals, to the extent these would have been Covered Services and Supplies if the Covered Person was a Hospital Inpatient; diagnostic and therapeutic services (including Surgical services) performed in a Hospital Outpatient department, a physician's office, or any other licensed health care Facility, to the extent these would have been Covered Services and Supplies under this Program if furnished during a Hospital Inpatient stay.

Among other things, a Hospital is not any of these: a convalescent home; a rest or nursing Facility; an infirmary; a Hospice; a Substance Abuse Center; or a Facility (or part of it) which mainly provides: domiciliary or Custodial Care; educational care; non-medical or ineligible services or supplies; or rehabilitative care. A facility for the aged is also not a Hospital. GENERAL INFORMATION

How To Enroll

If you meet your Employer's and Horizon BCBSNJ's eligibility rules, including any Waiting Period established by the Employer, you may enroll by completing an enrollment card. If you enroll your eligible Dependents at the same time, their coverage will become effective on the same date as your own. Except as otherwise provided below, if you or an eligible Dependent is not enrolled within 31 days after becoming eligible for the coverage under this Program, that person is deemed a Late Enrollee.

Your Identification (ID) Card

You will receive an ID card to show to the Hospital, physician or other Provider when you receive services or supplies. Your ID card shows: (a) the group through which you are enrolled; (b) your type of coverage; and (c) your ID number. All of your covered Dependents share your identification number as well.

Always carry this card and use your ID number when you or a Dependent receive Covered Services or Supplies. If you lose your card, you can still use your coverage if you know your ID number. The inside back cover of this Booklet has space to record your ID number, along with other information you will need when asking about your benefits. You should, however, contact your benefits representative quickly to replace the lost card.

You cannot let anyone other than you or a Dependent use your card or your coverage.

Types Of Coverage Available

You may enroll under one of the following types of coverage:

- **Single** - provides coverage for you only.
- **Family** - provides coverage for you, your Spouse and your Child Dependents.
- **Husband and Wife/Two Adults** - provides coverage for you and your Spouse only.
- **Parent and Child(ren)** - provides coverage for you and your Child Dependents, but not your Spouse.

Change In Type Of Coverage

If you want to change your type of coverage, see your benefits representative. If you marry, you should arrange for enrollment changes within 31 days before or after your marriage.

If: (a) you gain or lose a member of your family; or (b) someone covered under this Program changes family status, you should check this Booklet to see if coverage should be changed. This can happen in many ways, e.g., due to the birth or adoption of a child, divorce, or death of a Spouse.

For example:

- If you are already enrolled, your newborn infant or adopted child is automatically included. However, if you are enrolled for Family or Parent and Child(ren) coverage, you must still submit an enrollment form to notify us of the addition. If you are enrolled for Single coverage, you must enroll your child and pay any required additional premium within 31 days in order to continue the child's coverage beyond that period.
- If you have Single coverage and marry, your new Spouse will be covered from the date you marry if you apply for Husband and Wife or Family coverage within 31 days.

Except as provided below, anyone who does not enroll within a required time will be considered a Late Enrollee. Late Enrollees may enroll only during the next open-enrollment months. Coverage will be effective as of the open-enrollment effective date.

Enrollment of Dependents

Horizon BCBSNJ cannot deny coverage for your Child Dependent on the grounds that:

- The Child Dependent was born out of wedlock;
- The Child Dependent is not claimed as a dependent on your federal tax return; or
- The Child Dependent does not reside with you or in the Service Area.

If you are the non custodial parent of a Child Dependent, Horizon BCBSNJ will:

- Provide such information to the custodial parent as may be needed for the Child Dependent to obtain benefits through this Program;
- Permit the custodial parent, or the Provider, with the authorization of the custodial parent, to submit claims for the Child Dependent for Covered Services and Supplies, without your approval; and
- Make payments on such claims directly to: (a) the custodial parent; (b) the Provider; or (c) the Division of Medical Assistance and Health Services in the Department of Human Services, which administers Medicaid, as appropriate.

If you are a parent who is required by a court or administrative order to provide health coverage for your Child Dependent, Horizon BCBSNJ will:

- Permit you to enroll your Child Dependent, without any enrollment restrictions;
- Permit: (a) the Child Dependent's other parent; (b) the Division of Medical Assistance and Health Services; or (c) the Division of Family Development as the State IV D agency, in the Department of Human Services, to enroll the Child Dependent in this Program, if the parent who is the Covered Person fails to enroll the Child Dependent; and
- Not terminate coverage of the Child Dependent unless the parent who is the Covered Person provides Horizon BCBSNJ with satisfactory written proof that:
 - the court or administrative order is no longer in effect; or
 - the Child Dependent is or will be enrolled in a comparable health benefits plan which will be effective on the date coverage under this Program ends.

Special Enrollment Periods

Persons who enroll during a Special Enrollment Period described below are not considered Late Enrollees.

Individual Losing Other Coverage

If you and/or an eligible Dependent, are eligible for coverage, but not enrolled, you and/or your Dependent must be allowed to enroll if each of the following conditions is met:

- a. The person was covered under a group or other health plan at the time coverage under this Program was previously offered.

- b. You stated in writing that coverage under the other plan was the reason for declining enrollment when it was offered.
- c. The other health coverage:
 - (i) was under a COBRA (or other state mandated) continuation provision and the COBRA or other coverage is exhausted; or
 - (ii) was not under such a provision and either: (a) coverage was terminated as a result of: loss of eligibility for the coverage (including as a result of legal separation; divorce; death; termination of employment; or reduction in the number of hours of employment); or (b) employer contributions toward such coverage ended.
- d. Enrollment is requested within 31 days after: (a) the date of exhaustion of the coverage described in item (c)(i) above; or (b) termination of the coverage or employer contributions as described in item (c)(ii) above.

In this case, coverage under this Program will be effective as of the date that the prior health coverage ended.

New Dependents

If the following conditions are met, Horizon BCBSNJ will provide a Dependent Special Enrollment Period during which the Dependent (or, if not otherwise enrolled, you) may enroll or be enrolled:

- a. You are covered under the Program (or have met any Waiting Period and are eligible to enroll but for a failure to enroll during a previous enrollment period).
- b. The person becomes your dependent through marriage, birth, or adoption (or placement for adoption).

The Dependent Special Enrollment Period is a period of no less than 31 days starting on the later of: (a) the date dependent coverage is made available pursuant to this section; or (b) the date of the marriage, birth, or adoption/placement.

Special Enrollment Due to Marriage

You may enroll a new Spouse under this Program. If you are eligible, but previously declined coverage, you are also eligible to enroll at the same time that your Spouse is enrolled.

You must request enrollment of your Spouse within 31 days after the marriage.

The coverage becomes effective not later than the first day of the month next following the date of the completed request.

Special Enrollment Due to Newborn/Adopted Children

You may enroll a newly born or newly adopted Child Dependent. Horizon BCBSNJ will cover your newborn child for 31 days from the date of birth. Health benefits may be continued beyond such 31-day period as stated below:

- (a) If you are already covered for dependent child coverage on the date the child is born, coverage automatically continues beyond the initial 31 days, provided the premium required for the coverage is still paid.
- (b) If you are not covered for dependent child coverage on the date the child is born, you must:
- make written request to enroll the child; and
 - pay the premium for the coverage within 31 days after the date of birth.

If you do not make the request and the premium is not paid within such 31-day period, the newborn child will be a Late Enrollee.

Multiple Employment

If you work for both the Policyholder and an Affiliated Company, or for more than one Affiliated Company, Horizon BCBSNJ will treat you as if employed only by one Employer. You will not have multiple coverage.

Eligible Dependents

Your eligible Dependents are your Spouse and your Child Dependents.

Coverage for your Spouse will end: (a) on the date of your Spouse's death; (b) at the end of the Benefit Month in which you divorce; or (c) at the end of the Benefit Month in which you tell us to delete your Spouse from coverage following marital separation.

Coverage for a Child Dependent ends at the last day of the Calendar Year in which the Child Dependent reaches age 26.

Coverage will continue for a Child Dependent beyond the age of **26** if, immediately prior to reaching that age(1) the child is unmarried; and (2) he/she was enrolled under this Program or another policy/contract and is incapable of self-sustaining employment by reason of Developmental Disability. For your handicapped Child Dependent to remain covered, you must submit proof of his/her inability to engage in self-sustaining employment by reason of Developmental Disability within 31 days of the child's attainment of age **26**. The proof must be in a form that meets our approval. Such proof must be resubmitted every two years within 31 days before or after the Child Dependent's birth date.

Coverage for a Developmentally Disabled Child Dependent will end on the last day of the month in which the first of these occurs: (a) the end of your coverage; (b) the failure of your Child Dependent to meet the definition of Child Dependent for any reason other than age; or (c) the end of your Child Dependent's inability to engage in self-sustaining employment by reason of Developmental Disability.

If your child was enrolled as a Developmentally Disabled Child Dependent under prior coverage with Horizon BCBSNJ and there has been no interruption in coverage, the child may be covered as a Child Dependent under this Program, regardless of age.

When Coverage Ends

Your coverage under this Program ends when the first of these occurs:

- The end of the Benefit Month in which you cease to be eligible due to termination of your employment or any other reason.
- The date on which the Group Policy ends for the class of which you are a member.

- You fail to make, when due, any required contribution for the coverage.

Coverage for a Dependent ends:

- When your coverage ends.
- When coverage for Dependents under this Program ends.
- When you fail to make, when due, any required contribution for the Dependent coverage.
- As otherwise described under "Eligible Dependents", above.

In addition to the above reasons for the termination of coverage under the Program, an act or omission by a Covered Person which, as determined by Horizon BCBSNJ shows intent to defraud Horizon BCBSNJ (such as: (a) the intentional and/or repeated misuse of Horizon BCBSNJ's services; or (b) the omission or misrepresentation of a material fact on a Covered Person's application for enrollment, health statement or similar document)), upon 30 days prior written notice, will result in the cessation of the Covered Person's coverage under this Program. Such an act includes, but is not limited to:

- The submission of any claim and/or statement with materially false information.
- Any information which conceals for the purpose of misleading.
- Any act which could constitute a fraudulent insurance act.

Any termination for fraud will be retroactive to the Coverage Date. Horizon BCBSNJ retains the right to recoup from any involved person all payments made and/or benefits paid on his/her behalf.

Also, coverage under this Program will end for any Covered Person who misuses an ID card issued by Horizon BCBSNJ.

Benefits After Termination

If you or a Dependent are confined as an Inpatient in a Facility on the date coverage ends, the Program's benefits will be paid, subject to the Program's terms, for Covered Services and Supplies furnished during the uninterrupted continuation of that stay.

If You Leave Your Group Due To Total Disability

If you lose your job or become ineligible due to Total Disability, you can arrange to continue the Program's coverage for you and your covered Dependents, IF any, if:

- You were continuously enrolled under the Program for the three months immediately prior to the date your employment or eligibility ended;
- You notify your Employer in writing that you want to continue your coverage (within 31 days of the date your coverage would otherwise end);
- You make any required contribution toward the group rate for the continued coverage.

The continued coverage under this Program for you and your covered Dependents, IF any, will end at the first of these to occur:

- Failure by you to make timely payment of any contribution required by your Employer. If this happens, coverage stops at the end of the period for which contributions were made.

- The date you become employed and eligible for benefits under another group health plan; or, in the case of a Dependent, the date the Dependent becomes employed and eligible for such benefits.
- The date this Program ends for the class of which you were a member.
- In the case of a Dependent, the date that he/she ceases to be an eligible Dependent.

Coverage under this Program is also available to you (and any eligible Dependents), subject to the above requirements, if you are a Totally Disabled former Employee whose group health coverage for you and those Dependents under your Employer's plan provided by another carrier was continued without interruption pursuant to state law.

Extension Of Coverage Due To Termination of the Group Policy

This applies if you or a covered Dependent are Totally Disabled on the date coverage under this Program ends due to termination of the Group Policy. In this event, benefits will continue to be available for that person for Covered Services and Supplies needed due to the Illness or Injury that caused the disability. Benefits will continue to be paid during the uninterrupted period of the disability, but not for more than 12 months from the date the coverage ends.

Continued Coverage Under The Federal Family And Medical Leave Act

If you take a leave that qualifies under the Federal Family and Medical Leave Act (FMLA) (e. g., to care for a sick family member, or after the birth or adoption of a Child Dependent), you may continue coverage under this Program. You may also continue coverage for your Dependents.

You will be subject to the same Program rules as an Active Employee. But, your legal right to have your Employer pay its share of the required premium, as it does for Active Employees, is subject to your eventual return to Active work.

Coverage that continues under this law ends at the first to occur of the following:

- The date you again become Active.
- The end of a total leave period of 12 weeks in any 12 month period.
- The date coverage for you or a Dependent would have ended had you not been on leave.
- Your failure to make any required contribution.

Consult your benefits representative for application forms and further details.

Continued Coverage For Surviving Dependents

Covered Dependents of a deceased Employee may have coverage continued under this Program until the first to occur of the following:

- The date which is 180 days after the Employee's death.
- The date the Dependent fails to make any required contribution for the continued coverage.
- The date on which the Dependent is no longer an eligible Dependent.
- The date the Program's coverage for the deceased Employee's class ends.

Consult your benefits representative for further details.

Continuation of Coverage under COBRA

Under a federal law called the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA), you and your enrolled Dependents, and any newborn or newly adopted child may have the opportunity to continue group health care coverage which would otherwise end, if any of these events occur:

- Your death;
- Your work hours are reduced;
- Your employment ends for a reason other than gross misconduct.*

Each of your enrolled Dependents has the right to continue coverage if it would otherwise end due to any of these events:

- Your death;
- Your work hours are reduced;
- Your employment ends for reasons other than gross misconduct;*
- You became entitled to Medicare benefits;
- In the case of your Spouse, the Spouse ceased to be eligible due to divorce or legal separation; or
- In the case of a Child Dependent, he/she ceased to be a Child Dependent under this Program's rules.

* (See "If You Leave Your Group Due To Total Disability" above for your continuation rights if your employment ends due to total disability.)

You or your Dependent must notify your benefits representative of a divorce or legal separation, or when a child no longer qualifies as a Child Dependent. This notice must be given within 60 days of the date the event occurred. If notice is not given within this time, the Dependent will not be allowed to continue coverage.

You will receive a written election notice of the right to continue the insurance. In general, this notice must be returned within 60 days of the later of: (a) the date the coverage would otherwise have ended; or (b) the date of the notice. You or the other person asking for coverage must pay the required amount to maintain it. The first payment must be made by the 45th day after the date the election notice is completed.

If you and/or your Dependents elect to continue coverage, it will be identical to the health care coverage for other members of your class. It will continue as follows:

- Up to 18 months in the event of the end of your employment or a reduction in your hours. Further, if you or a covered Dependent are determined to be disabled, according to the Social Security Act, at the time you became eligible for COBRA coverage, or during the first 60 days of the continued coverage, that person and any other person then entitled to the continued coverage may elect to extend this 18-month period for up to an extra 11 months. To elect this extra 11 months, the person must give the Employer written proof of Social Security's determination before the first to occur of: (a)

the end of the 18 month continuation period; or (b) 60 days after the date the person is determined to be disabled.

- Up to 36 months for your Dependent(s) in the event of: your death; your divorce or legal separation; your entitlement to Medicare; or your child ceasing to qualify as a Child Dependent.

Continuation coverage for a person will cease before the end of a maximum period just described if one of these events occurs:

- This Program ends for the class you belong to.
- The person fails to make required payments for the coverage.
- The person becomes covered under any other group health plan. But, coverage will not end due to this rule until the end of any period for which benefits for them are limited, under the other plan.
- The person becomes entitled to Medicare benefits.

If: a person's COBRA coverage was extended past 18 months due to total disability; and there is a final determination (under the Social Security Act) that the person, before the end of the additional continuation period of 11 months, is no longer disabled, the coverage will end on the first of the month that starts more than 30 days after that determination.

If: (a) this Program provides coverage for Retirees and their eligible Dependents; and (b) their Employer has entered into a bankruptcy proceeding under Title XI, United States Code, COBRA contains provisions for continued coverage for Retirees and Dependents who may be affected by the bankruptcy. If you think that these provisions may apply to you, see your benefits representative for details.

The above is a general description of COBRA's requirements. If coverage for you or a Dependent ends for any reason, you should immediately contact your benefits representative to find out if coverage can be continued. Your Employer is responsible for providing all notices required under COBRA.

If you get divorced, your former Spouse may also have the option to transfer to direct payment coverage at the end of this extended period of coverage. See the "Conversion Coverage" section below.

Continuation of Coverage under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA)

If the Employee is absent from work due to performing service in the uniformed services, this federal law gives the Employee the right to elect to continue the health coverage under this Policy (for himself/herself and the Employee's Dependents, if any). If the Employee so elects, the coverage can be continued, subject to the payment of any required contributions, until the first to occur of the following:

- The end of the 24-month period starting on the date the Employee was first absent from work due to the service.
- The date on which the Employee fails to return to work after completing service in the uniformed services, or fails to apply for reemployment after completing service in the uniformed services.
- The date on which this Policy ends.

If the Employee elects to continue the coverage, the Employee's contributions for it are determined as follows:

- a) If the Employee's service in the uniformed services is less than 31 days, his/her contribution for the coverage will be the same as if there were no absence from work.
- b) If the service extends for 31 or more days, the Employee's contribution for the coverage can be up to 102% of the full premium for it.

For the purposes of this provision, the terms "uniformed services" and "service in the uniformed services" have the following meanings:

Uniformed services: The following:

1. The Armed Services.
2. The Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty.
3. The commissioned corps of the Public Health Service.
4. Any other category of persons designated by the President in time of war or national emergency.

Service in the uniformed services: The performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority. This includes:

1. Active duty.
2. Active and inactive duty for training.
3. National Guard duty under federal statute.
4. A period for which a person is absent from employment: (a) for an exam to determine the fitness of the person to perform any such duty; or (b) to perform funeral honors duty authorized by law.
5. Service as: (a) an intermittent disaster-response appointee upon activation of the National Disaster Medical System (NDMS); or (b) a participant in an authorized training program in support of the mission of the NDMS.

Continued Coverage for Over-Age Dependents

Under this provision, an Employee's Over-Age Dependent has the opportunity to elect continued coverage under this Policy after his/her group health coverage ends due to attainment of a specific age.

For the purposes of this provision, an "Over-Age Dependent" is an Employee's child by blood or law who:

- is 30 years of age or younger;
- is not married, or in a Civil Union;
- has no dependents of his/her own;
- is either a New Jersey resident or enrolled as a full-time student at an accredited school;
- is not covered under any other group or individual health benefits plan; group health plan; church plan; or health benefits plan; and is not entitled to Medicare on the date the Over-Age Dependent continuation coverage begins.

If a Dependent Is Over the Limiting Age for Dependent Coverage

If a Child Dependent is over the limiting age for dependent coverage under this Policy, and:

- (a) the Dependent's group health benefits are ending or have ended due to his/her attainment of that age; or
- (b) the Dependent has proof of receipt of benefits,

he/she may elect to be covered under this Policy until his/her 31st birthday, subject to the following subsections.

Conditions for Election

An Over-Age Dependent is only entitled to make an election for continued coverage pursuant to this provision if both of these conditions are met.

- The Over-Age Dependent must provide receipt of benefits under: a group or individual health benefits plan; group health plan; church plan; health benefits plan; or Medicare. Such prior coverage must have been in effect at some time prior to making an election for this Over-Age Dependent coverage.
- Unless a parent of an Over-Age Dependent has no other Dependents eligible for coverage under this Policy, or has a Spouse or Civil Union who is covered elsewhere, the parent must be enrolled for Dependents coverage under this Policy at the time the Over-Age Dependent elects continued coverage.

Election of Continuation

To continue group health benefits, the Over-Age Dependent must make written election to Horizon BCBSNJ. If this is done, the effective date of the continued coverage will be the latest of these dates:

- The date the Over-Age Dependent gives written notice to Horizon BCBSNJ.
- The date the Over-Age Dependent pays the first premium for it.
- The date the Over-Age Dependent would otherwise lose coverage due to attainment of the limiting age.

For a Dependent whose coverage has not yet terminated due to attainment of the limiting age, the written election must be made within 30 days prior to termination of the coverage due to that attainment if the child seeks to maintain continuous coverage. The written election may be made later, but if this is done, there will be a lapse in coverage.

For a Dependent who was not covered on the date he/she reached the limiting age, the written election may be made at any time.

For a person who did not qualify as an Over-Age Dependent due to failure to meet the requirements to be an Over-Age Dependent, but who later meets all of those requirements, the written election may be made at any time after the requirements are met.

Payment of Premiums

Horizon BCBSNJ will set the premiums for the continued coverage, in a manner that is consistent with the requirements of applicable New Jersey law.

The first month's premium must be paid within 30 days of the date the Over-Age Dependent elects continued coverage.

Subsequent premiums must be paid monthly, in advance, and will be remitted by the Policyholder.

Grace Period for the Payment of Premiums

An Over-Age Dependent's premium payment is timely as follows:

- With respect to the first due payment, if it is made within 30 days after the election for continued coverage;
- With respect to later payments, if they are made within 30 days of the date they become due.

Scope of Continued Coverage

The continued coverage will be identical to the coverage provided to the Over-Age Dependent's parent who is covered as an Employee under this Policy and will be evidenced by a separate Booklet and ID card being issued to the Over-Age Dependent. Subject to the following subsection, if this Policy's coverage for other dependents who are Covered Persons is modified, the coverage for Over-Age Dependents will be modified in like manner. Evidence of insurability is not required for the continued coverage.

Single Coverage for Over-Age Dependents

The continued coverage for an Over-Age Dependent is single coverage. Any Deductible, Coinsurance and/or Copayment required of and payable by an Over-Age Dependent during a period of continued coverage pursuant to this provision is independent of any Deductible, Coinsurance and/or Copayment required of and payable by the other covered family members. Regardless of anything above to the contrary, any current or future provision of this Policy allowing for a family deductible limit, family out-of-pocket maximum or any other similar provision that aggregates the experience of a covered family does not apply to the continued coverage for the Over-Age Dependent.

When Continuation Ends

An Over-Age Dependent's continued coverage ends as of the first to occur of the following:

- The date on which the Over-Age Dependent fails to meet any one of the conditions to be an Over-Age Dependent.
- The end of a period during which a required premium payment for the continued coverage is not made when due, subject to the "Grace Period for the Payment of Premiums" subsection above.
- The date on which the Employee's coverage ends.
- The date on which this Policy coverage for Dependents is ended.
- The date on which the Employee waives this Policy's Dependents coverage. However, if the Employee has no other Dependents, the Over-Age Dependent's coverage under this Policy will not end due to that waiver.

Inapplicability of Other Continuation Provisions

Regardless of anything in this Policy to the contrary, for an Over-Age Dependent who has continued coverage pursuant to this provision, this provision supersedes any other continuation right(s) that would otherwise be available to him/her under this Policy. Such an Over-Age Dependent is not entitled to continuation under any such other provision either while this provision's continuation is in force or after it ends.

Conversion Coverage

If coverage under this Program for your Spouse ends due to divorce, the former Spouse may apply to Horizon BCBSNJ for individual non group health care coverage. To do so, he/she must apply to Horizon BCBSNJ in writing no later than 31 days after the coverage under this Program ends.

The former Spouse does not need to prove he/she is in good health.

The coverage will be at least equal to the basic benefits under contracts then being issued by Horizon BCBSNJ to new non-group applicants of the same age and family status. This coverage is called "conversion coverage." The conversion coverage, if provided, may be different than the coverage provided by this Program. We will provide details of this conversion coverage upon request.

If Horizon BCBSNJ determines that the former Spouse is entitled to conversion coverage (according to the above rules), it will go into effect on the day after his/her coverage under this Program ends, if the application is furnished timely and the premium for the coverage is paid when due.

If the former Spouse is not located in New Jersey when he/she becomes eligible for this conversion coverage, we will provide information whereby the former Spouse can apply for any individual health coverage made available by the Blue Cross/Blue Shield plan in the area where the Spouse is located.

Continuation of Care

Horizon BCBSNJ will provide written notice to each Covered Person at least 30 business days prior to the termination or withdrawal from Horizon BCBSNJ's Network of a Covered Person's PCP or any other Provider currently treating the Covered Person, as reported to Horizon BCBSNJ. The 30 day prior notice may be waived in cases of immediate termination of a Provider based on: breach of contract by the Provider; a determination of fraud; or our medical director's opinion that the Provider is an imminent danger to the patient or the public health, safety or welfare.

Horizon BCBSNJ shall assure continued coverage of Covered Services and Supplies by a terminated Provider for up to four months in cases where it is Medically Necessary and Appropriate for the Covered Person to continue treatment with that Provider. In the case of pregnancy of a Covered Person: (a) the Medical Necessity and Appropriateness of continued coverage by that Provider shall be deemed to be shown; and (b) such coverage can continue to the postpartum evaluation of the Covered Person, up to six weeks after the delivery.

In the event that a Covered Person is receiving post-operative follow-up care, Horizon BCBSNJ shall continue to cover services rendered by the Provider for the duration of the treatment, up to six months. In the event that a Covered Person is receiving oncological or psychiatric treatment, Horizon BCBSNJ shall continue to cover services rendered by the Provider for the duration of the treatment, up to one year. If the services are provided in an acute care Facility, Horizon BCBSNJ will continue to cover them regardless of whether the Facility is under contract or agreement with Horizon BCBSNJ.

Covered Services and Supplies shall be covered to the same extent as when the Provider was employed by or under contract with Horizon BCBSNJ. Payment for Covered Services and Supplies shall be made

based on the same methodology used to reimburse the Provider while the Provider was employed by or under contract with Horizon BCBSNJ.

Horizon BCBSNJ shall not allow continued services in cases where the Provider was terminated due to: (a) our Medical Director's opinion that the Provider is an imminent danger to a patient or to the public health, safety and welfare, (b) a determination of fraud; or (c) a breach of contract.

Medical Necessity And Appropriateness

We will make payment for benefits under this Program only when:

- Services are performed or prescribed by your attending physician;
- Services, in our judgment, are provided at the proper level of care (Inpatient; Outpatient; Out-of-Hospital; etc.);
- Services or supplies are Medically Necessary and Appropriate for the diagnosis and treatment of an Illness or Injury.

THE FACT THAT YOUR ATTENDING PHYSICIAN MAY PRESCRIBE, ORDER, RECOMMEND OR APPROVE A SERVICE OR SUPPLY DOES NOT, IN ITSELF, MAKE IT MEDICALLY NECESSARY AND APPROPRIATE FOR THE DIAGNOSIS AND TREATMENT OF AN ILLNESS OR INJURY OR MAKE IT AN ELIGIBLE MEDICAL EXPENSE.

Cost Containment

If we determine that an eligible service can be provided in a medically acceptable, cost effective alternative setting, we reserve the right to provide benefits for such a service when it is performed in that setting.

Managed Care Provisions

Member Services

The Member Services Representatives who staff Horizon BCBSNJ Member Services Departments are there to answer Covered Persons' questions about the Program and to assist in managing their care. To contact Member Services, a Covered Person should call the number on his/her Identification (ID) Card.

The Care Manager

In order to receive In-Network benefits, a Horizon BCBSNJ Care Manager must manage treatment for Mental or Nervous Disorders, Alcoholism and Substance Abuse. A Covered Person must contact the Care Manager when there is a need for these types of care. The phone number is shown on his/her ID card.

Miscellaneous Provisions

- a. This Program is intended to pay for Covered Services and Supplies as described in this booklet. Horizon BCBSNJ does not provide the services or supplies themselves, which may, or may not, be available.
- b. Horizon BCBSNJ is only required to provide its Allowance for Covered Services and Supplies, to the extent stated in the Group Policy. Horizon BCBSNJ has no other liability.

- c. Benefits are to be provided in the most cost-effective manner practicable. If Horizon BCBSNJ determines that a more cost-effective manner exists, Horizon BCBSNJ reserves the right to require that care be rendered in an alternate setting as a condition of providing payment for benefits.

Your Horizon Program

Your Horizon BCBSNJ Program is a tiered network plan that encourages you to get care from OMNIA Tier 1 designated doctors, hospitals and other health care professionals. Your plan also covers care provided or arranged by Tier 2 doctors and other health care professionals participating as an In-Network Provider in the Horizon network of plans. In order to receive benefits under this Program, You must use In-Network Providers. Generally, no benefits will be provided for the services of Out-of-Network Providers.

Under this Program, you are not required to choose a Primary Care Practitioner (PCP.) but when you pre-select an In-Network PCP, he or she can help You obtain the most appropriate services and treatment in the proper setting.

Some of the In-Network Providers are classified as OMNIA Tier 1 or Tier 2. The cost sharing (Copayment, Deductible and/or Coinsurance) is lower for use of OMNIA Tier 1 In-Network Providers than for Tier 2 In-Network Providers within Our Service Area. In order to take advantage of the lower e cost sharing for the use of a OMNIA Tier 1 Hospital it will be necessary to select an In-Network Provider who has admitting privileges at the OMNIA Tier 1 Hospital when hospitalization becomes necessary. Where there are no OMNIA Tier 1 In- Network Providers available within the geographic accessibility standards established under N.J.A.C 11:24-6.1 et seq., Horizon BCBSNJ will provide an in-plan exception to make Tier 2 In-Network Providers available at the OMNIA Tier 1 cost-share.

This section explains what you pay, and how Deductible, Coinsurance and Copayments work together.

Note: Coverage will be reduced if a Covered Person does not comply with the Utilization Review and Management provisions contained in this Program.

BENEFIT PROVISIONS

Tier 2 Deductible

The Tier 2 Deductible is for treatment, services or supplies given by a Tier 2 In-Network Provider . Preventive care Services are not subject to a Deductible.

Each Deductible is shown in the Schedule of Covered Services and Supplies.

Tier 2 Single Deductible Limit

Each Calendar Year, the sum of the Covered Charges for each Covered Person for treatment, services or supplies from a Tier 2 In-Network Provider must exceed the Tier 2 Deductible before Horizon BCBSNJ pays for Tier 2 Covered Charges to that Covered Person. Only Covered Charges incurred by the Covered Person for treatment, services or supplies from Tier 2 In-Network Provider, while insured by this Policy, can be used to meet this Deductible. Once the Tier 2 Deductible is met, Horizon BCBSNJ pays benefits for other such Covered Charges above the Tier 2 Deductible incurred by that Covered Person, less any applicable Coinsurance or Copayments, for the rest of that Calendar Year.

The Tier 2 Deductible cannot be met with Non-Covered Charges. Only Covered Charges incurred by the Covered Person while insured under this Program can be used to meet the Deductible. What Horizon BCBSNJ pays is based on all the terms of this Program.

Family Deductible Limit

The Family Deductible is a cumulative Deductible for all family members for each Calendar Year.

Each Deductible is shown in the Schedule of Covered Services and Supplies.

Tier 2 Family Aggregate Deductible Limit

When the Covered Person and each covered Dependent incurs Covered Charges that apply towards the Tier 2 Individual Deductibles, these Covered Charges will also count toward the Tier 2 Family Deductible Limit. The Tier 2 Family Deductible Limit can be met by a combination of family members with no single individual within the family contributing more than the Tier 2 Individual Deductible limit amount in a Calendar Year. Once this Tier 2 Family Deductible is met in a Benefit Period/ Calendar Year, Horizon BCBSNJ provides coverage for all Tier 2 Covered Charges for all Covered Persons who are part of the covered family, less any applicable Coinsurance or Copayments, for the rest of the Calendar Year.

OMNIA Tier 1 Individual Out-of-Pocket Maximum

OMNIA Tier 1 Out-of-Pocket Maximum means the annual maximum dollar amount that a Covered Person must pay as Copayment, Deductible and Coinsurance for all OMNIA Tier 1 Covered Services and Supplies in a Calendar Year. All amounts paid as Copayment, Deductible and Coinsurance for OMNIA Tier 1 Covered Services and Supplies shall count toward the OMNIA Tier 1 Out-of-Pocket Maximum. Once the OMNIA Tier 1 Out-of-Pocket Maximum has been reached, the Covered Person has no further obligation to pay any amounts as Copayment, Deductible and Coinsurance for OMNIA Tier 1 Covered Services and Supplies for the remainder of the Calendar Year.

OMNIA Tier 1 Family Out-of-Pocket Maximum

Once any combination of Covered Persons in a family meet an amount equal to two times the OMNIA Tier 1 Individual Out-of-Pocket Maximum, no Covered Person in that family will be required to pay any amounts as Copayments, Deductible or Coinsurance for OMNIA Tier 1 Covered Services and Supplies for the remainder of the Calendar Year.

Tier 2 Individual Out-of-Pocket Maximum

Tier 2 Out-of-Pocket Maximum means the annual maximum dollar amount that a Covered Person must pay as Copayment, Deductible and Coinsurance for all OMNIA Tier 1 and Tier 2 Covered Services and Supplies in a Calendar Year. All amounts paid as Copayment, Deductible and Coinsurance, regardless of whether the services are OMNIA Tier 1 or Tier 2 shall count toward the Tier 2 Out-of-Pocket Maximum. Once the Tier 2 Out-of-Pocket Maximum has been reached, the Covered Person has no further obligation to pay any amounts as Copayment, Deductible and Coinsurance for OMNIA Tier 1 or Tier 2 Covered Services and Supplies for the remainder of the Calendar Year.

Tier 2 Family Out-of-Pocket Maximum

Once any combination of Covered Persons in a family meet an amount equal to two times the Tier 2 Individual Out-of-Pocket Maximum, no Covered Person in that family will be required to pay any amounts as Copayments, Deductible or Coinsurance for OMNIA Tier 1 and Tier 2 Covered Services and Supplies for the remainder of the Calendar Year.

An Out-of-Pocket Maximum cannot be met with Non-Covered Charges. But solely for the purposes of this subsection, a Covered Person's or covered family's Prescription Drug Cost Share Amount shall be applied towards the applicable In-Network Out-of-Pocket Expense Maximum under this Program.

Payment Limits

The Horizon BCBSNJ limits what it will pay for certain types of charges. See the Schedule of Covered Services and Supplies for these limits.

Benefits From Other Plans

The benefits Horizon BCBSNJ will provide may also be affected by benefits from Medicare and other health benefit plans. Read The Effect of Medicare on Benefits and Coordination of Benefits and Services sections of this Booklet for an explanation of how this works.

If This Plan Replaces Another Plan

The Policyholder that provides this Program may have purchased it to replace a prior plan of group health benefits.

The Covered Person may have Incurred charges for Covered Charges under that prior plan before it ended. If so, these Covered Charges will be used to meet this Program's Deductible if:

- a. they were Incurred during the Calendar Year in which this Program starts;
- b. this Program would have paid benefits for them, if this Program had been in effect;
- c. the Covered Person was covered by the prior plan when it ended and enrolled in this Program on its Effective Date; and
- d. this Program starts right after the prior plan ends.

SUMMARY OF COVERED SERVICES AND SUPPLIES

This section lists the types of services and supplies that Horizon BCBSNJ will consider as Covered Services or Supplies, up to its Allowance and subject to all the terms of this Program. These terms include, but are not limited to, Medical Necessity and Appropriateness, Utilization Review and Management features, the Schedule of Covered Services and Supplies, benefit limitations and exclusions.

A. COVERED BASIC SERVICES AND SUPPLIES

Acupuncture

Acupuncture services and supplies are covered when: (a) the Acupuncture is performed for anesthetic purposes by a Practitioner; and (b) the services are given Prior Authorization by Horizon BCBSNJ as being Medically Necessary and Appropriate.

Alcoholism

This Program covers the treatment of Alcoholism the same way it would any other illness, if the treatment is prescribed by a Practitioner.

Inpatient or Outpatient treatment may be furnished as follows:

- a. Care in a health care Facility licensed pursuant to P.L. 1971, c. 136 (N.J.S.A. 26:2H-1 et seq.);
- b. At a Detoxification Facility; or
- c. As an Inpatient or Outpatient at a licensed, certified or State approved residential treatment Facility, under a program which meets minimum standards of care equivalent to those prescribed by the Joint Commission.

Treatment or a stay at any Facility shall not prevent further or additional treatment at any other eligible Facility, if the Benefit Days used do not exceed the total number of Benefit Days provided for any other illness under the Program.

Allergy Testing and Treatment

This Program covers allergy testing and treatment, including routine allergy injections and immunizations, but not if solely for the purpose of travel or as a requirement of a Covered Person's employment.

Ambulatory Surgery

This Program covers Ambulatory Surgery performed in a Hospital Outpatient department or Out-of-Hospital, a Practitioner's office or an Ambulatory Surgical Center in connection with covered surgery.

Anesthesia

This Program covers anesthetics and their administration.

Audiology Services

This Program covers audiology services rendered by a physician or licensed audiologist or licensed speech-language pathologist. The services must be: (a) determined to be Medically Necessary and Appropriate; and (b) performed within the scope of the Practitioner's practice.

Birthing Centers

As an alternative to the conventional Hospital delivery room care, Horizon BCBSNJ has entered into special agreements with certain Birthing Centers:

Deliveries in Birthing Centers, in many cases, are deemed an effective cost saving alternative to Inpatient Hospital care. At a Birthing Center, deliveries take place in "birthing rooms", where decor and furnishings are designed to provide a more natural, home like atmosphere.

All care is coordinated by a team of certified nurse midwives and pediatric nurse practitioners. Obstetricians, pediatricians and a nearby Hospital are available in case of complications. Prospective Birthing Center patients are carefully screened. Only low risk pregnancies are accepted. High risk patients are referred to a Hospital maternity program.

The Birthing Center's services, including pre natal, delivery and post natal care, will be covered. If complications occur during labor, delivery may take place in a Hospital because of the need for emergency and/or Inpatient care. If, for any reason, the pregnancy does not go to term, we will not provide payment to the Birthing Center.

Dental Care and Treatment

This Program covers:

- a. the diagnosis and treatment of oral tumors and cysts; and
- b. the surgical removal of bony impacted teeth; and
- c. Surgical and non-Surgical treatment of Temporomandibular joint dysfunction syndrome (TMJ) in a Covered Person. But, this Program does not cover charges for orthodontia, crowns or bridgework. "Surgery", if needed, includes the pre-operative and post-operative care connected with it.

This Program also covers charges for the treatment of Accidental Injury to sound natural teeth or the jaw that are Incurred within 12 months after the accident. But, this is only if the Injury was not caused, directly or indirectly, by biting or chewing. Treatment includes replacing sound natural teeth lost due to Injury. But, it does not include orthodontic treatment.

For a Covered Person who is severely disabled or who is a Child Dependent under age six, coverage shall also be provided for the following:

- a. general anesthesia and Hospital Admission for dental services; or
- b. dental services rendered by a dentist, regardless of where the dental services are rendered, for medical conditions that: (a) are covered by this Program; and (b) require a Hospital Admission for general anesthesia.

This coverage shall be subject to the same Utilization Review and Management rules imposed upon all Inpatient stays.

Diagnosis and Treatment of Autism and Other Developmental Disabilities

This Program provides coverage for charges for the screening and diagnosis of autism and other Developmental Disabilities.

If a Covered Person's primary diagnosis is autism or another Developmental Disability, and regardless of anything in the Program to the contrary, the Program provides coverage for the following Medically Necessary and Appropriate Therapy Services, as prescribed in a treatment plan:

- a. Occupational Therapy needed to develop the Covered Person's ability to perform the ordinary tasks of daily living;
- b. Physical Therapy needed to develop the Covered Person's physical functions; and
- c. Speech Therapy needed to treat the Covered Person's speech impairment.

Notwithstanding anything in the Program to the contrary, the foregoing Therapy Services as prescribed in a treatment plan will not be subject to benefit visit maximums.

Also, if a Covered Person's primary diagnosis is autism, in addition to coverage for certain Therapy Services, as described above, the Program also covers Medically Necessary and Appropriate: (a) Behavioral Interventions Based on Applied Behavioral Analysis (ABA); and (b) Related Structured Behavioral Programs. Such interventions and programs must be prescribed in a treatment plan.

Benefits for these services are payable on the same basis as for other conditions, and they are available under this provision whether or not the services are restorative. Benefits for the above Therapy Services available pursuant to this provision are payable separately from those payable for other conditions and will not operate to reduce the Therapy Services benefits available under the Program for those other conditions.

Any treatment plan referred to above must: (a) be in writing; (b) be signed by the treating Practitioner; and (c) include: (i) a diagnosis; (ii) proposed treatment by type, frequency and duration; (iii) the anticipated outcomes stated as goals; and (iv) the frequency by which the treatment plan will be updated. With respect to the covered behavioral interventions and programs mentioned above, the term "Practitioner" shall also include a person who is credentialed by the national Analyst Certification Board as either: (a) a Board Certified Behavior Analyst-Doctoral; or (b) a Board Certified Behavior Analyst.

Horizon BCBSNJ may request more information if it is needed to determine the coverage under the Program. Horizon BCBSNJ may also require the submission of an updated treatment plan once every six months, unless Horizon BCBSNJ and the treating physician agree to more frequent updates.

If a Covered Person:

- a. is eligible for early intervention services through the New Jersey Early Intervention System;
- b. has been diagnosed with autism or other Developmental Disability; and
- c. receives Physical Therapy; Occupational Therapy; Speech Therapy; ABA; or Related Structured Behavioral Programs;

the portion of the family cost share attributable to such services is a Covered Charge under the Program. Any Deductible, Coinsurance or Copayment that applies under the Program to a non-specialist Practitioner Visit for treatment of an Illness or Injury will apply to the family cost share.

Therapy Services a Covered Person received through New Jersey Early Intervention will not reduce the Therapy Services otherwise available to the Covered Person under this provision.

Diagnostic X-rays and Lab Tests

This Program covers diagnostic X-ray and lab tests.

Emergency Room

This Program covers services provided by a Hospital emergency room to treat a Medical Emergency or provide a Medical Screening Examination. Each time a Covered Person uses the Hospital emergency room, he/she must pay a Copayment, as shown in the Schedule of Covered Services and Supplies. But, this does not apply IF the Covered Person is admitted to the Hospital within 24 hours. No benefits are payable if a Covered Person uses the Hospital emergency room for other than a Medical Emergency, unless previously authorized.

Facility Charges

This Program covers Hospital semi-private room and board and Routine Nursing Care provided by a Hospital on an Inpatient basis. Horizon BCBSNJ limits what it covers each day to the room and board limit shown in the Schedule of Covered Services and Supplies.

If a Covered Person Incurs charges as an Inpatient in a Special Care Unit, this Program covers the charges the same way it covers charges for any Illness.

This Program also covers: (a) Outpatient Hospital services, including services furnished by a Hospital Outpatient clinic; and (b) emergency room care, as described above.

If a Covered Person is an Inpatient in a Facility at the time this Program ends, this Program will continue to cover that Facility stay, subject to all other terms of this Program.

A Covered Person must pay a Per-Admission Deductible/Inpatient Copayment as shown in the Schedule of Covered Services and Supplies.

Fertility Services

This Program covers services relating to Infertility (defined below), including, but not limited to, the following services and procedures recognized by the American Society for Reproductive medicine or the American College of Obstetricians and Gynecologists:

MEDICAL APPROPRIATENESS REVIEW PROCEDURE

This Program requires a Covered Person or his/her Provider to obtain Prior Authorization for certain Covered Services and Supplies. When a Covered Person or his/her Provider does not comply with this rule, Horizon BCBSNJ reduces benefits for Covered Charges Incurred with respect to that Covered service or Supply. **If Horizon BCBSNJ does not give its Prior Authorization, benefits for the Covered Service or Supply will be reduced by 20%.**

The Covered Person or his/her Provider must request a required review from Horizon BCBSNJ at least five business days before the Covered Service or Supply is scheduled to be furnished, or as soon before as reasonably possible. If the treatment or procedure is being performed in a Hospital/Facility on an Inpatient basis, only one authorization for both the Inpatient Admission and the treatment or procedure

is needed. If Prior Authorization is required for a supply, the request must be made before the supply is obtained.

When Horizon BCBSNJ receives the request, We determine the Medical Necessity and Appropriateness of the treatment, procedure or supply, and either:

- a. approve the request, or
- b. require a second opinion regarding the need for the treatment, procedure or supply.

Horizon BCBSNJ notifies the Covered Person, his/her Practitioner or Hospital/Facility, by phone, of the outcome of the review. We also confirm the outcome of the review in writing.

The treatments, procedures and supplies needing Prior Authorization are listed in the Schedule of Treatments, Procedures and Supplies Requiring Prior Authorization, at the end of this Booklet.

ALTERNATE TREATMENT FEATURES/INDIVIDUAL CASE MANAGEMENT

Important Notice: No Covered Person is required, in any way, to accept an Alternate Treatment/Individual Case Management Plan recommended by Horizon BCBSNJ.

Definitions

"Alternate Treatment": Those services and supplies that meet both of these tests:

Alternate Treatment/Individual Case Management Plan

Horizon BCBSNJ will identify cases of Catastrophic Illness or Injury. To maintain or enhance the quality of patient care for the Covered Person, Horizon BCBSNJ will develop an Alternate Treatment/Individual Case Management Plan.

- a. An Alternate Treatment/Individual Case Management Plan is a specific written document. It is developed by Horizon BCBSNJ through discussion and agreement with:
 - 1. the Covered Person, or his/her legal guardian if necessary;
 - 2. the Covered Person's attending Practitioner; and
 - 3. Horizon BCBSNJ or its designee.
- b. The Alternate Treatment/Individual Case Management Plan includes:
 - 1. treatment plan objectives;
 - 2. a course of treatment to accomplish those objectives;
 - 3. the responsibility of each of these parties in carrying out the plan:
 - (a) Horizon BCBSNJ;
 - (b) the attending Practitioner;

 - (d) the Covered Person's family, if any; and
 - 4. the estimated cost of the plan and savings.

If Horizon BCBSNJ, the attending Practitioner and the Covered Person agree in writing on an Alternate Treatment/Individual Case Management Plan, the services and supplies needed for it will be deemed to be Covered Charges under this Program.

The agreed upon alternate treatment must be ordered by the Covered Person's Practitioner.

COORDINATION OF BENEFITS AND SERVICES

PURPOSE OF THIS PROVISION

A Covered Person may be covered for health benefits or services by more than one plan. For instance, he or she may be covered by this Program as an Employee and by another plan as a Dependent of his or her Spouse. If he or she is, this provision allows Horizon BCBSNJ to coordinate what Horizon BCBSNJ pays or provides with what another plan pays or provides. This provision sets forth the rules for determining which is the primary plan and which is the Secondary Plan. Coordination of benefits is intended to avoid duplication of benefits while at the same time preserving certain rights to coverage under all plans under which the Covered Person is covered.

DEFINITIONS

The terms defined below have special meanings when used in this provision. Please read these definitions carefully. Throughout the rest of this provision, these defined terms appear with their initial letter capitalized.

Allowable Expense: The charge for any health care service, supply or other item of expense for which the Covered Person is liable when the health care service, supply or other item of expense is covered at least in part under any of the Plans involved, except where a statute requires another definition, or as otherwise stated below.

Horizon BCBSNJ will not consider the difference between the cost of a private hospital room and that of a semi-private hospital room as an Allowable Expense unless the stay in a private room is Medically Necessary and Appropriate.

When this Program is coordinating benefits with a Plan that restricts coordination of benefits to a specific coverage, Horizon BCBSNJ will only consider corresponding services, supplies or items of expense to which coordination of benefits applies as an Allowable Expense.

Claim Determination Period: A Calendar Year, or portion of a Calendar Year, during which a Covered Person is covered by this Program and at least one other Plan and incurs one or more Allowable Expense(s) under such Plans.

Plan: Coverage with which coordination of benefits is allowed. Plan includes:

- a. Group insurance and group subscriber contracts, including insurance continued pursuant to a Federal or State continuation law;
- b. Self-funded arrangements of group or group-type coverage, including insurance continued pursuant to a Federal or State continuation law;
- c. Group or group-type coverage through a Health Maintenance Organization (HMO) or other prepayment, group practice and individual practice plans, including insurance continued pursuant to a Federal or State continuation law;
- d. Group hospital indemnity benefit amounts that exceed \$150.00 per day
- e. Medicare or other governmental benefits, except when, pursuant to law, the benefits must be treated as in excess of those of any private insurance plan or non-governmental plan.

Plan does not include:

- a. Individual or family insurance contracts or subscriber contracts;
- b. Individual or family coverage through a Health Maintenance Organization HMO or under any other prepayment, group practice and individual practice plans;
- c. Group or group-type coverage where the cost of coverage is paid solely by the Covered Person except when coverage is being continued pursuant to a Federal or State continuation law;
- d. Group hospital indemnity benefit amounts of \$150.00 per day or less;
- e. School accident-type coverage;
- f. A State plan under Medicaid

Primary Plan: A Plan under which benefits for a Covered Person's health care coverage must be determined without taking into consideration the existence of any other Plan. There may be more than one Primary Plan. A Plan will be the Primary Plan if either "a" or "b" below exist:

- a. The Plan has no order of benefit determination rules, or it has rules that differ from those contained in this Coordination of Benefits and Services provision; or
- b. All Plans which cover the Covered Person use order of benefit determination rules consistent with those contained in the Coordination of Benefits and Services provision and under those rules, the Plan determines its benefit first.

Reasonable and Customary: An amount that is not more than the usual or customary charge for the service or supply, based on a standard which is most often charged for a given service by a Provider within the same geographic area.

Secondary Plan: A Plan which is not a Primary Plan. If a Covered Person is covered by more than one Secondary Plan, the order of benefit determination rules of this Coordination of Benefits and Services provision shall be used to determine the order in which the benefits payable under the multiple Secondary Plans are paid in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which, under this Coordination of Benefits and Services provision, has its benefits determined before those of that Secondary Plan.

PRIMARY AND SECONDARY PLAN

Horizon BCBSNJ considers each Plan separately when coordinating payments.

The Primary Plan pays or provides services or supplies first, without taking into consideration the existence of a Secondary Plan. If a Plan has no coordination of benefits provision, or if the order of benefit determination rules differ from those set forth in these provisions, it is the Primary Plan.

A Secondary Plan takes into consideration the benefits provided by a Primary Plan when, according to the rules set forth below, the Plan is the Secondary Plan. If there is more than one Secondary Plan, the order of benefit determination rules determines the order among the Secondary Plans. The Secondary Plan(s) will pay the person's remaining unpaid Allowable Expenses that have been Incurred during that Claim Determination Period, but no Secondary Plan will pay more in a Claim Determination Period than it would have paid if it had been the Primary Plan. The method the Secondary Plan uses to determine

the amount to pay is set forth below in the **Procedures to be Followed by the Secondary Plan to Calculate Benefits** section of this provision.

The Secondary Plan shall not reduce Allowable Expenses for Medically Necessary and Appropriate services and supplies on the basis that pre-authorization, Pre-Approval, or Second Surgical Opinion procedures were not followed.

RULES FOR THE ORDER OF BENEFIT DETERMINATION

The benefits of the Plan that covers the Covered Person as an Employee, Member, subscriber or Retiree shall be determined before those of the Plan that covers the Covered Person as a Dependent. The coverage as an Employee, Member, subscriber or Retiree is the Primary Plan.

The benefits of the Plan that covers the Covered Person as an Employee who is neither laid off nor retired, or as a Dependent of such person, shall be determined before those of the Plan that covers the Covered Person as a laid off or retired Employee, or as such a person's Dependent. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.

The benefits of the Plan that covers the Covered Person as an Employee, Member, subscriber or Retiree, or as the Dependent of such person, shall be determined before those of the Plan that covers the Covered Person under a right of continuation pursuant to Federal or State law. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.

If a Child is covered as a Dependent under Plans through both parents, and the parents are neither separated nor divorced, the following rules apply:

- a. The benefits of the Plan of the parent whose birthday falls earlier in the Calendar Year shall be determined before those of the parent whose birthday falls later in the Calendar Year.
- b. If both parents have the same birthday, the benefits of the Plan which covered the parent for a longer period of time shall be determined before those of the Plan covering the parent for a shorter period of time
- c. Birthday, as used above, refers only to month and day in a Calendar Year, not the year in which the parent was born.
- d. If the other plan contains a provision that determines the order of benefits based on the gender of the parent, the birthday rule in this provision shall be ignored.

If a Child is covered as a Dependent under Plans through both parents, and the parents are separated or divorced, the following rules apply:

- a. The benefits of the Plan of the parent with custody of the Child shall be determined first.
- b. The benefits of the Plan of the spouse of the parent with custody shall be determined second.
- c. The benefits of the Plan of the parent without custody shall be determined last.
- d. If the terms of a court decree state that one of the parents is responsible for the health care expenses for the Child, and if the entity providing coverage under that Plan has knowledge of the terms of

the court decree, then the benefits of that Plan shall be determined first. The benefits of the Plan of the other parent shall be considered as secondary. Until the entity providing coverage under the Plan has knowledge of the terms of the court decree regarding health care expenses, this portion of this provision shall be ignored.

If the above order of benefits does not establish which Plan is the Primary Plan, the benefits of the Plan that covers the Employee, Member or subscriber for a longer period of time shall be determined before the benefits of the Plan(s) that covered the person for a shorter period of time.

PROCEDURES TO BE FOLLOWED BY THE SECONDARY PLAN TO CALCULATE BENEFITS

In order to determine which procedure to follow it is necessary to consider:

- a. The basis on which the Primary Plan and the Secondary Plan pay benefits; and
- b. Whether the Provider who provides or arranges the services and supplies is in the network of either the Primary Plan or the Secondary Plan.

Benefits may be based on the Reasonable and Customary Charge (R&C), or some similar term. This means that the Provider bills a charge and the Covered Person may be held liable for the full amount of the billed charge. In this section, a Plan that bases benefits on a Reasonable and Customary Charge is called a "Reasonable and Customary Charge Plan."

Benefits may be based on a contractual fee schedule, sometimes called a negotiated fee schedule, or some similar term. This means that although a Provider, called an In- Network Provider, bills a charge, the Covered Person may be held liable only for an amount up to the negotiated fee. In this section, a Plan that bases benefits on a negotiated fee schedule is called a "Fee Schedule Plan." If the Covered Person uses the services of an Out-of-Network Provider, the Plan will be treated as a Reasonable and Customary Charge Plan even though the Plan under which he or she is covered allows for a fee schedule.

Payment to the provider may be based on a capitation. This means that the carrier pays the Provider a fixed amount per member. The Covered Person is liable only for the applicable Deductible, Coinsurance and/or Copayment. In this section, a Plan that pays Providers based upon capitation is called a "Capitation Plan."

In the rules below, "Provider" refers to the provider who provides or arranges the services or supplies.

Primary Plan is Fee Schedule Plan and Secondary Plan is Fee Schedule Plan

If the Provider is an In-Network Provider in both the Primary Plan and the Secondary Plan, the Allowable Expense shall be the fee schedule of the Primary Plan. The Secondary Plan shall pay the lesser of:

- a. The amount of any Deductible, Coinsurance and/or Copayment required by the Primary Plan; or
- b. The amount the Secondary Plan would have paid if it had been the Primary Plan

The total amount the Provider receives from the Primary Plan, the Secondary Plan and the Covered Person shall not exceed the fee schedule of the Primary Plan. In no event shall the Covered Person be responsible for any payment in excess of the Copayment, Coinsurance and/or Deductible of the Secondary Plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is Reasonable & Customary Plan

If the Provider is an In-Network Provider in the Primary Plan, the Allowable Expense considered by the Secondary Plan shall be the fee schedule of the Primary Plan. The Secondary Plan shall pay the lesser of:

- a. The amount of any Deductible, Coinsurance or Copayment required by the Primary Plan; or
- b. The amount the Secondary Plan would have paid if it had been the Primary Plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is Reasonable & Customary Plan or Fee Schedule Plan

If the Primary Plan is an HMO Plan that does not allow for the use of Out-of-Network Providers except in the event of Urgent Care or a Medical Emergency and the service or supply the Covered Person receives from an Out-of-Network Provider is not considered as Urgent Care or a Medical Emergency, the Secondary Plan shall pay benefits as if it were the Primary Plan.

Primary Plan is Capitation Plan and Secondary Plan is Fee Schedule Plan or Reasonable & Customary Plan

If the Covered Person receives services or supplies from a Provider who is in the network of both the Primary Plan and the Secondary Plan, the Secondary Plan shall pay the lesser of:

- a. The amount of any Deductible, Coinsurance and/or Copayment required by the Primary Plan; or
- b. The amount the Secondary Plan would have paid if it had been the Primary Plan.

Primary Plan is Capitation Plan or Fee Schedule Plan or Reasonable & Customary Plan and Secondary Plan is Capitation Plan

If the Covered Person receives services or supplies from a Provider who is in the network of the Secondary Plan, the Secondary Plan shall be liable to pay the capitation to the Provider and shall not be liable to pay the Deductible, Coinsurance and/or Copayment imposed by the Primary Plan. The Covered Person shall not be liable to pay any Deductible, Coinsurance and/or Copayment of either the Primary Plan or the Secondary Plan

BENEFITS PAYABLE FOR AUTOMOBILE RELATED INJURIES

This section applies when expenses are Incurred by a Covered Person due to an Automobile Related Injury.

Definitions

"Automobile Related Injury": Bodily injury of a Covered Person due to an accident while occupying, entering into, alighting from or using an auto; or if the Covered Person was a pedestrian, caused by an auto or by an object propelled by or from an auto.

"Allowable Expense": A Medically Necessary and Appropriate, reasonable and customary item of expense that is at least in part a Covered Charge under this Program or PIP.

"Eligible Expense": That portion of expense Incurred for treatment of an Injury which is covered under this Program without application of Deductibles or Copayments, if any.

"Out-of-State Automobile Insurance Coverage" or "OSAIC": Any coverage for medical expenses under an auto insurance contract other than PIP. This includes auto insurance contracts issued in another state or jurisdiction.

"PIP": Personal injury protection coverage (i.e., medical expense coverage) that is part of an auto insurance contract issued in New Jersey.

Application of this Provision

When expenses are Incurred as a result of an Automobile Related Injury, and the injured person has coverage under PIP or OSAIC, this provision will be used to determine whether this Program provides coverage that is primary to such coverage or secondary to such coverage.

Determination of Primary or Secondary Coverage

This Program provides secondary coverage to PIP unless this Program's health coverage has been elected as primary by or for the Covered Person. This election is made by the named insured under a PIP contract. It applies to that person's family members who are not themselves named insured under other auto contracts. This Program may be primary for one Covered Person, but not for another if the persons have separate auto contracts and have made different selections regarding the primary of health coverage.

This Program is secondary to OSAIC. But, this does not apply if the OSAIC contains provisions that make it secondary or excess to the Covered Person's other health benefits. In that case, this Program is primary.

If the above rules do not determine which health coverage is primary, or if there is a dispute as to whether this Program is primary or secondary, this Program will provide benefits for Covered Charges as if it were primary.

Benefits This Program Will Pay if it is Primary to PIP or OSAIC

If this Program is primary to PIP or OSAIC, it will pay benefits for Covered Charges in accordance with its terms. If there are other plans that: (a) provide benefits to the Covered Person; and (b) are primary to auto insurance coverage, then this Program's rules regarding the coordination of benefits will apply.

Benefits This Program Will Pay if it is Secondary to PIP

If this Program is secondary to PIP, the actual coverage will be the lesser of:

- a. the Allowable Expenses left uncovered after PIP has provided coverage (minus this Program's Deductibles, Copayments, and/or Coinsurance); or
- b. the actual benefits that this Program would have paid if it provided its coverage primary to PIP.

Medicare

To the extent that this Program provides coverage that supplements Medicare's, then this Program can be primary to automobile insurance only insofar as Medicare is primary to auto insurance.

THE EFFECTS OF MEDICARE ON BENEFITS

IMPORTANT NOTICE

For the purposes of this Booklet's "Coordination of Benefits and Services" provision, the benefits for a Covered Person may be affected by whether he/she is eligible for Medicare and whether the "Medicare as Secondary Payer" rules apply to the Program. This section, on "Medicare as Secondary Payer", or parts of it, may not apply to this Program. The Employee must contact the Policyholder to find out if the Policyholder is subject to Medicare as Secondary Payer rules.

For the purpose of this section:

- a. "Medicare" means Part A and B of the health care program for the aged and disabled provided by Title XVIII of the United States Social Security Act, as amended from time to time.
- b. A Covered Person is deemed to be eligible for Medicare by reason of age from the first day of the month during which he/she reaches age 65. But, if the Covered Person is born on the first day of a month, he/she is deemed to be eligible for Medicare from the first day of the month that is immediately prior to his/her 65th birthday. A Covered Person may also be eligible for Medicare by reason of disability or End-Stage Renal Disease (ESRD).
- c. Under the rules for coordination of benefits and services described earlier, a "Primary Plan" pays benefits for a Covered Person's Covered Charges first, ignoring what the Covered Person's "Secondary Plan(s)" pays. The "Secondary Plan(s)" then pays the remaining unpaid Allowable Expenses in accordance with the provisions of the Covered Person's secondary health plan.

The following rules explain how this Program's group health benefits interact with the benefits available under Medicare as Secondary Payer rules. A Covered Person may be eligible for Medicare by reason of age, disability or ESRD. Different rules apply to each type of Medicare eligibility as explained below:

In all cases where a person is eligible for Medicare and this Program is the secondary plan, the Allowable Expenses under this Program and for the purposes of the Coordination of Benefits and Services rules, will be reduced by what Medicare would have paid if the Covered Person had enrolled for full Medicare coverage. But this will not apply, however, if; (a) the Covered Person is eligible for, but not covered, under Part A of Medicare; and (b) he/she could become covered under Part A only by enrolling and paying the required premium for it.

Medicare Eligibility by Reason of Age (Generally for Employers with at least 20 Employees.)

This part applies to a Covered Person who:

- a. is the Employee or covered Spouse; and
- b. is eligible for Medicare by reason of age; and
- c. has coverage under this Program due to the current employment status of the Employee.

Under this part, such a Covered Person is referred to as a "Medicare eligible".

This part does not apply to:

- a. a Covered Person, other than an Employee or covered Spouse;

- b. a Covered Person who is under age 65; or
- c. a Covered Person who is eligible for Medicare solely on the basis of ESRD.

When a Covered Person becomes eligible for Medicare by reason of age, he/she must choose one of these options:

Option (A) - Choose this Program as the primary health plan.

When (a) a Medicare eligible person chooses this Program as the primary health plan; and (b) Incurs a Covered Charge for which benefits are payable under this Program and Medicare, this Program is deemed primary. This Program pays first, ignoring Medicare. Medicare is deemed the secondary health plan.

Option (B) - Choose Medicare as the primary health plan.

When a Medicare eligible person chooses Medicare as the primary health plan, he/she will no longer be covered by this Program, as required by Medicare's rules. Coverage under this Program will end on the date the Covered Person elects Medicare as his/her primary health plan.

If the Medicare eligible person fails to choose either option when becoming eligible for Medicare by reason of age, Horizon BCBSNJ will pay benefits as if he/she had chosen Option (A).

If the Medicare eligible person chooses Option (B), he/she can subsequently change the election and choose Option (A), subject to the Policyholder's requirements for enrolling in this Program.

Medicare Eligibility by Reason of Disability

(Generally for Employers with at least 100 Employees.)

This part applies to a Covered Person who:

- a. is under age 65;
- b. is eligible for Medicare by reason of disability; and
- c. has coverage under this Program due to the current employment status of the Employee.

This part does **not** apply to:

- a. a Covered Person who is eligible for Medicare by reason of age; or
- b. a Covered Person who is eligible for Medicare solely on the basis of ESRD.

When a Covered Person becomes eligible for Medicare by reason of disability, this Program is the primary plan; Medicare is the secondary plan.

Medicare Eligibility by Reason of End Stage Renal Disease

(Applies to all Employers.)

This part applies to a Covered Person who is eligible for Medicare solely on the basis of ESRD.

This part does not apply to a Covered Person who is:

- a. eligible for Medicare by reason of age ; or
- b. eligible for Medicare by reason of disability.

When (a) a Covered Person becomes eligible for Medicare solely on the basis of ESRD; and (b) Incurs a charge for the treatment of ESRD for which benefits are payable under both this Program and Medicare, this Program is deemed the Primary Plan for a specified time, referred to as the "coordination period". This Program pays first, ignoring Medicare. Medicare is the Secondary Plan. The coordination period is 30 consecutive months.

The coordination period starts on the earlier of:

- a. the first month of a Covered Person's Medicare Part A entitlement based on ESRD; or
- b. the first month in which he/she could become entitled to Medicare if he/she filed a timely application.

After the 30-month period described above ends, if an ESRD Medicare eligible person Incurs a charge for which benefits are payable under both this Program and Medicare, Medicare is the Primary Plan and this Program is the Secondary Plan.

Dual Medicare Eligibility

This part applies to a Covered Person who is eligible for Medicare on the basis of ESRD and either age or disability.

When a Covered Person who is eligible for Medicare due to either age or disability (other than ESRD) has this Program as the primary payer, then becomes eligible for Medicare based on ESRD, this Program continues to be the primary payer for the first 30 months of dual eligibility. After the 30-month period, Medicare becomes the primary payer (as long as Medicare dual eligibility still exists).

When a Covered Person who is eligible for Medicare due to either age or disability (other than ESRD) has this Program as the secondary payer, then becomes eligible for Medicare based on ESRD, this Program continues to be the secondary payer.

When a Covered Person who is eligible for Medicare based on ESRD also becomes eligible for Medicare based on age or disability (other than ESRD), this Program continues to be the primary payer for 30 months after the date of Medicare eligibility based on ESRD.

How To File A Claim If You Are Eligible For Medicare

Follow the procedure that applies to you or the Covered Person from the categories listed below when filing a claim.

New Jersey Providers:

- The Covered Person should give the Practitioner or other Provider his/her identification number. This number is shown on the Medicare Request for Payment (claim form) under "Other Health Insurance";
- The Provider will then submit the Medicare Request for Payment to the Medicare Part B carrier;
- After Medicare has taken action, the Covered Person will receive an Explanation of Benefits form from Medicare;

- If the remarks section of the Explanation of Benefits contains this statement, no further action is needed: "This information has been forwarded to Horizon Blue Cross Blue Shield of New Jersey for their consideration in processing supplementary coverage benefits;"
- If the above statement does not appear on the Explanation of Benefits, the Covered Person should include his/her Identification number and the name and address of the Provider in the remarks section of the Explanation of Benefits and send it to us.

Out-of-State Providers:

- The request for Medicare payment should be submitted to the Medicare Part B carrier in the area where services were performed. Call your local Social Security office for information;
- Upon receipt of the Explanation of Benefits, show the Identification Card number and the name and address of the Provider in the remarks section and send the Explanation of Benefits to us for processing.

CLAIMS PROCEDURES

Generally, since this Program requires the use of In-Network Providers for most Covered Services and Supplies, Covered Persons will not need to file claims. But there are some services, e.g., treatment for a Medical Emergency by an Out-of-Network Provider, for which a claim will need to be filed. New Jersey requires Providers to file claims on behalf of Covered Persons, unless the Covered Person elects to file a claim on his/her own behalf.

To the extent they are needed, claim forms and instructions for filing claims will be provided to Covered Persons by the Employer. Completed claim forms and any other required materials must be submitted to Horizon BCBSNJ or its designees for processing.

If Horizon BCBSNJ fails to furnish claim forms to the Employer for delivery to Covered Persons, or if the Covered Person fails to receive them from the Employer within 15 days after requesting them, the Covered Person making a claim will be deemed to have met the requirements for giving proofs of loss (see item b. under "Submission of Claims", below) if he/she submits written proof of loss covering the occurrence, character and extent of the loss within the time limit for submitting such proof.

Alternatively, claim forms can be accessed at and downloaded from Horizon BCBSNJ's web site (www.horizonblue.com).

Submission of Claims

These procedures apply to the filing of claims, when necessary. All notices from Horizon BCBSNJ will be in writing.

- a. If a Deductible applies under the Program, we recommend that it should be met before a claim is filed. Once the first claim is filed, we recommend that you send later claims: (a) when you or a covered Dependent Incurs \$100.00 or more in Covered Charges; or (b) whenever a lesser amount has been Incurred and four months have passed from the time you submitted your first claim.
- b. Claim forms must be filed no later than 18 months after the date the services were Incurred.
- c. Itemized bills must accompany each claim form. A separate claim form is needed for each claim filed. In general, the bills must contain enough data to identify: the patient; the Provider; the type of service and the charge for each service and the Provider's license number.

Any bills for Prescription Drugs must contain: the prescription number; and the name, strength and quantity of the drug dispensed.

Bills for Private Duty Nursing must state that the Nurse is a Registered Nurse (R.N.) or a Licensed Practical Nurse (L.P.N.) and must contain the Nurse's license number.

- d. Horizon BCBSNJ will pay all Clean Claims no later than 30 calendar days of receipt. If the claim is not a Clean Claim, we will pay any part of it that is complete and proper according to these time limits.
- e. If a claim is disputed or denied due to missing information or documentation, Horizon BCBSNJ will pay the claim within 30 calendar days after receipt of the missing information or documentation.
- f. If a claim is denied or disputed, in whole or in part, Horizon BCBSNJ will notify the claimant (or his/her agent or designee) of it within the applicable time frame specified in the section "Appeals Process".

The denial notice will set forth:

1. the reason(s) the claim is denied;
 2. specific references to the main Program provision(s) on which the denial is based;
 3. a specific description of any further material or information needed to complete the claim, and why it is needed;
 4. a statement that the claim is disputed, if this is so. If the dispute is about the amount of the claim, we will explain why and also explain any change of coding that we make;
 5. a statement of the special needs to which the claim is subject, if this is the case;
 6. an explanation of the Program's claim review procedure, including any rights to pursue civil action;
 7. if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the decision, either the specific rule or a statement that such a rule was relied upon in making the decision, and that a copy of such rule will be provided free of charge upon request;
 8. if the decision is based on Medical Necessity and Appropriateness or an Experimental or Investigational (or similar) exclusion or limitation, either an explanation of the scientific or clinical judgment for the decision, applying the terms of the Program to the medical circumstances, or a statement that such explanation will be provided free of charge upon request;
 9. if the decision involves a Medical Emergency or Urgent Care, a description of the expedited review process applicable to such claims; and
 10. the toll free number that the Covered Person or his/her Provider can call to discuss the claim.
- g. If Horizon BCBSNJ does not process claims within any applicable time frame, Horizon BCBSNJ will pay interest on the claims as and to the extent required by law.
- h. This applies if an Employee is the non-custodial parent of a Child Dependent. In this case, Horizon BCBSNJ will give the custodial parent the information needed for the Child Dependent to obtain benefits under the Program. We will also permit the custodial parent, or the Provider with the authorization of the custodial parent, to submit claims for Covered Services and Supplies without the Employee's approval.

To Whom Payment Will Be Made

- a. Payment for services of an In-Network Provider or a BlueCard Provider will be made directly to that Provider if the Provider bills Horizon BCBSNJ, as Horizon BCBSNJ determines.
- b. Payment for any Covered Services and Supplies provided by Out-of-Network Providers will be made to you.
- c. Except as stated above, in the event of a Covered Person's death or total incapacity, any payment or refund due will be made to his/her heirs, beneficiaries, trustees or estate.

- d. If an Employee is the noncustodial parent of a Child Dependent, Horizon BCBSNJ will pay claims filed as described in paragraph d of the section "Submission of Claims" directly to: the Provider or Custodial parent; or the Division of Medical Assistance and Health Services in the Department of Human Services which administers the State Medicaid program, as appropriate.

If Horizon BCBSNJ pays anyone who is not entitled to benefits under this Program, Horizon BCBSNJ has the right to recover those payments during the 18 months period starting with the date that the first payment on the claim was made. If Horizon BCBSNJ has made an overpayment, Horizon BCBSNJ will provide 45 days advance notice and a right of appeal prior to recovery. Horizon BCBSNJ will not offset against future claims prior to the later of: (a) 45 days from the date of notice; or (b) the exhaustion of any such appeal right.

OUT OF AREA SERVICES

Horizon BCBSNJ has a variety of relationships with other Blue Cross and/or Blue Shield Licensees. These are referred to generally as "Inter-Plan Programs." When you obtain Covered Services and Supplies outside of Horizon BCBSNJ's Service Area, the claims for these services and supplies may be processed through one of these Inter-Plan Programs. These programs include the BlueCard Program, described below.

Typically, when you access medical care outside Horizon BCBSNJ's Service Area, you will obtain it from healthcare Providers that have a contractual agreement (i.e., are "participating Providers") with the local Blue Cross and/or Blue Shield Licensee in that other area ("Host Blue"). But in some cases, you may obtain care from non-participating Providers. Horizon BCBSNJ's payment practices when you obtain out-of-area Covered Services and Supplies from such participating Providers are described generally below. Other parts of your Booklet describe what happens when you obtain Covered Services and Supplies from non-participating Providers.

A. BlueCard® Program

Under the BlueCard® Program, when you obtain Covered Services and Supplies within the geographic area served by a Host Blue, Horizon BCBSNJ will still fulfill its contractual obligations. But the Host Blue is responsible for: (a) contracting with its Providers; and (b) handling its interactions with those Providers.

When you obtain Covered Services and Supplies outside Horizon BCBSNJ's Service Area and the claim is processed through the BlueCard Program, the amount you pay, if not a flat Copayment, is calculated based on the lower of:

- The billed Covered Charges for the Covered Services or Supplies; or
- The negotiated price that the Host Blue makes available to Horizon BCBSNJ.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the Provider. Sometimes it is an estimated price that takes into account a special arrangement with that Provider or Provider group. Sometimes, such an arrangement may be an average price, based on a discount that results in expected average savings for services provided by similar types of Providers. Estimated and average pricing arrangements may also involve: types of settlements; incentive payments; and/or other credits or charges.

Estimated and average pricing arrangements also take into account certain adjustments to their basic rates. These may be made to correct for an over- or underestimation of changes of the past

pricing for the types of transactions noted above. But, such adjustments will not affect the price on the claim that Horizon BCBSNJ will use to determine the amount you pay.

Also, laws in a small number of states may require the Host Blue to add a surcharge to a claim calculation. If any state law mandates other liability calculation methods, including a surcharge, Horizon BCBSNJ calculates a Covered Person's liability for any Covered Service or Supply according to applicable law.

B. Negotiated (non-BlueCard Program) National Account Arrangements

As an alternative to the BlueCard Program described above, a Covered Person's claims for Covered Services and Supplies may be processed through a negotiated national account arrangement with one or more Host Blues.

If Horizon BCBSNJ has arranged with one or more Host Blues to provide customized networks with respect to the Policy, then the terms of any such arrangement shall apply.

The amount you pay for Covered Services and Supplies under such an arrangement will be calculated based on the lower of either: (a) billed Covered Charges; or (b) the price that Horizon BCBSNJ has negotiated with the Host Blue under that arrangement. (Please refer to the description of negotiated price under section A. BlueCard Program.)

Determinations of Covered Healthcare Services

If Horizon BCBSNJ determines that healthcare services are covered under the Policy, coverage of those services cannot be denied based on the Host Blue's network protocols. Also, under the BlueCard Program, you cannot be denied coverage of healthcare services received outside of the geographic area served by Horizon BCBSNJ if those services: (a) are covered by the network protocols of the Host Blue; and (b) are not specifically limited or excluded by the Policy.

Summary

To summarize the above, the BlueCard Program is basically a means by which you can benefit from the discounts that another Blue Cross and Blue Shield Association Licensee has negotiated with Providers in its area of operation when you obtain Covered Services and Supplies outside of Horizon BCBSNJ's Service Area. The Program in no way affects the terms of the Policy with respect to your contractual liability for charges Incurred for a Covered Service or Supply. The calculation of that liability will be based on the lower of: (a) the billed charge for the Covered Service or Supply received in the other Licensee's area; or (b) a negotiated price that the Host Blue makes available to Horizon BCBSNJ. The calculation of your liability can also be affected by regulatory requirements of the state in which you obtain the Covered Service or Supply.

APPEALS PROCESS

For the purposes of this "Appeals Process" section, the following terms used below have these meanings:

Adverse Benefit Determination (ABD): A denial, reduction or termination of, or a failure to make payment (in whole or in part) for, a benefit. This includes such a denial, reduction, termination or failure that is due to: (a) eligibility; (b) a Rescission; (c) a policy exclusion or limitation that is not based on medical judgment or necessity; and/or (d) a decision involving the use of medical judgment.

Adverse Benefit Determination that is benefits based (ABD-Benefits): An ABD decision that: (a) is based on eligibility; (b) involves a Rescission; or (c) involves a policy exclusion or limitation that is not based on medical judgment.

Adverse Benefit Determination involving medical judgment (ABD-Medical): An ABD decision involving the use of medical judgment, e.g., that an item or service is deemed by the plan to be: not Medically Necessary or Appropriate; Experimental or Investigational; a Cosmetic Service; a dental item or service and therefore excluded.

Claim: A request by a Covered Person or Provider for payment relating to health care services or supplies.

Final Internal Adverse Benefit Determination: An Adverse Benefit Determination:

- (a) that has been upheld by Horizon BCBSNJ at the completion of the internal review process;
- (b) with respect to which Horizon BCBSNJ has waived its right to conduct an internal review;
- (c) for which Horizon BCBSNJ did not fully comply with internal appeals process requirements within the regulations promulgated by the State of New Jersey; or
- (d) for which the Covered Person or his/her Provider has applied for an expedited external review at the same time as applying for an expedited internal review.

Post-service Claim: Any Claim for a benefit that is not a Pre-service Claim.

Pre-service Claim: Any Claim for a benefit with respect to which the terms of the plan condition receipt of the benefit, in whole or in part, on its approval in advance of obtaining medical care.

Rescission: A cancellation or discontinuance of coverage that has a retroactive effect. This does not include a loss of coverage due to a failure to timely pay: (a) required premiums; or (b) contributions to the cost of the coverage.

Urgent Care Claim: A Claim for medical care or treatment with respect to which application of the time periods for making a non-urgent determination:

- (a) could, in the judgment of a prudent layperson possessing an average knowledge of health and medicine, seriously jeopardize the life or health of the Covered Person, or the ability of the Covered Person to regain maximum function; or
- (b) would, in the opinion of a physician with knowledge of the Covered Person's medical condition, subject him/her to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Time Frame for Initial ABDs

A Covered Person shall be notified of Horizon BCBSNJ's initial Adverse Benefit Determination as quickly as possible based on the medical circumstances, but in no event later than:

- (a) 72 hours from receipt of an Urgent Care Claim;
- (b) 15 days from receipt of a Pre-service Claim; or
- (c) 30 days from receipt of a Post-service Claim.

Horizon BCBSNJ will provide written notice of the decision within two business days and will include an explanation of the applicable appeals process.

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) may appeal Horizon BCBSNJ's ABD, as described below. Requests for administrative and utilization management determinations may be made by the Covered Person or by the attending health care provider acting on behalf of the member. The attending health care providers in those instances are deemed as the Covered Person's authorized representative. No Covered Person or Provider who files an appeal will be subject to disenrollment, discrimination or penalty by Horizon BCBSNJ.

Appeals Process for ABD-Benefits

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) may appeal an ABD-Benefits. Such an appeal must be filed within 180 days from the date of the ABD.

The appeal process for a ABD-Benefits consists of: (a) an informal internal review by Horizon BCBSNJ; and (b) if the initial decision is upheld, a formal second level internal review by Horizon BCBSNJ.

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) can appeal an ABD-Benefits by calling or writing Horizon BCBSNJ at the telephone number or address on the Covered Person's ID card. The Covered Person must include the following information:

- 1) the name(s) and address(es) of the Covered Person(s) or Provider(s) involved;
- 2) the Covered Person's ID number;
- 3) the date(s) of service;
- 4) the details regarding the actions in question;
- 5) the nature of and reason behind the appeal;
- 6) the remedy sought; and
- 7) the documentation to support the appeal.

Following the plan's review of the appeal, if the initial ABD-Benefits is upheld, the Covered Person, if still dissatisfied, can file an appeal for a formal second level review that will be decided by Horizon BCBSNJ professionals who were not involved in the prior decisions. All ABD-Benefits denials include a written explanation of the appeals process with instructions on how to proceed to the next level of the appeals process.

The time frames for deciding appeals for ABD-Benefits are as follows:

- (a) For ABD-Benefits involving: an Urgent Care Claim; an Inpatient admission; the availability of medical care; the continuation of an Inpatient Facility stay; or a Claim for medical services for a Covered Person who has received emergency care, but who has not been discharged from a Facility: 72 hours.
- (b) For all other ABD-Benefits: 15 calendar days for Pre-service Claims; 30 calendar days for Post-service Claims. The same time frames apply for the formal second level internal review.

For each level of appeal, Horizon BCBSNJ will provide the Covered Person and/or the Provider with notice of the outcome, and if the ABD-Benefits is upheld, instructions for filing for the next level of review. If the initial ABD-Benefits is upheld through both levels of the internal review process, no further remedies are available from Horizon BCBSNJ. In this event, Horizon BCBSNJ will provide the Covered Person with information regarding the availability of and contact information for the consumer assistance program of the New Jersey Department of Banking and Insurance. The Department's address and phone number appear below in subsection d. of the following section.

Appeals Process for ABD-Medical

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) may appeal an ABD-Medical. The appeal process for Adverse Benefit Determinations involving medical judgment (ABD-Medical) consists of: (a) an informal Stage 1 internal review by Horizon BCBSNJ; (b) a formal Stage 2 internal review by Horizon BCBSNJ; and (c) a formal external review by an Independent Utilization Review Organization (IURO). The initial appeal must be filed within 180 days after Horizon BCBSNJ's initial ABD-Medical.

Any ABD-Medical will be culturally and linguistically appropriate and will include the following timely information:

- 1) Information identifying the claim involved, including: the date of service; the health care Provider; the claim amount (if applicable); and a statement about the availability, upon request, of the diagnosis and treatment codes, and their corresponding meaning.
- 2) The reason(s) for the denial, including: the denial code and its meaning; and a description of the standard used by Horizon BCBSNJ in the denial.
- 3) Information regarding the availability of, and contact information for, the consumer assistance program of the New Jersey Department of Banking and Insurance. (The Department's address and phone number appear below in subsection d.)

Also, Horizon BCBSNJ will timely provide to the Covered Person and/or the Provider acting on his/her behalf, free of charge, any new or additional evidence or rationale, however generated, that Horizon BCBSNJ will rely upon, consider or use in connection with an ABD-Medical.

Except as otherwise provided below, a Covered Person must follow the steps for filing the three levels of appeal. If these steps are not followed, the Covered Person's appeal review may be delayed or forfeited.

a. First Level Appeal - Stage 1

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) can file a First Level Stage 1 Appeal by calling or writing Horizon BCBSNJ at the telephone number and

address on the Covered Person's ID card. At the First Level Appeal, a Covered Person may discuss the ABD-Medical directly with the Horizon BCBSNJ physician who made it, or with the medical director designated by Horizon BCBSNJ.

To submit a First Level Appeal, the Covered Person must include the following information:

- 1) the name(s) and address(es) of the Covered Person(s) or Provider(s) involved;
- 2) the Covered Person's ID number;
- 3) the date(s) of service;
- 4) the details regarding the actions in question;
- 5) the nature of and reason behind the appeal;
- 6) the remedy sought; and
- 7) the documentation to support the appeal.

Horizon BCBSNJ will decide First Level Appeals within 72 hours in the case of an ABD-Medical involving:

- (a) an Urgent Care Claim or a Medical Emergency;
- (b) an Inpatient admission;
- (c) the availability of medical care;
- (d) the continuation of an Inpatient Facility stay; or
- (e) a Claim for medical services for a Covered Person who has received emergency care, but who has not been discharged from a Facility.

Horizon BCBSNJ will decide all other First Level Stage 1 ABD- Medical Appeals within ten calendar days of receipt of the required documentation. Horizon BCBSNJ will provide the Covered Person and/or the Provider with: (a) written notice of the outcome; (b) the reasons for the decision; and (c) if the initial ABD-Medical is upheld, instructions for filing a Second Level Stage 2 Appeal.

b. Second Level Appeal - Stage 2

If a Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) is not satisfied with Horizon BCBSNJ's First Level Appeal decision, the Covered Person or Provider can file for, orally or in writing, a Second Level Stage 2 Appeal of the ABD-Medical to be decided by a panel of physicians and/or other health care professionals selected by Horizon BCBSNJ who were not involved in the original and First Level Appeal decisions. The panel shall have access to consultant Practitioners who are trained or who practice in the same specialty that would typically manage the case at issue being appealed. Upon the Covered Person's or Provider's request, such Consultant Practitioners will participate in the Second Level Stage 2 Appeal.

Horizon BCBSNJ will acknowledge the filing of Second Level Appeals in writing within ten business days of receipt and include instructions regarding the scheduling and how to participate in the Second Level

Stage 2 Appeal hearing. Following the hearing, Horizon BCBSNJ will then provide written notice of the final decision on the appeal within 72 hours in the case of an ABD-Medical involving:

- (a) an Urgent Care Claim or a Medical Emergency;
- (b) an Inpatient admission;
- (c) the availability of medical care;
- (d) the continuation of an Inpatient Facility stay; or
- (e) a Claim for medical services for a Covered Person who has received emergency care, but who has not been discharged from a Facility

Horizon BCBSNJ will decide all other Second Level Stage 2 Appeals of ABD-Medical within 20 business days.

If the Second Level Appeal is denied, Horizon BCBSNJ will provide the Covered Person and/or Provider with written notice of the reasons for the denial, together with a written notice of his/her right to proceed to an external appeal. Horizon BCBSNJ will include: (a) specific instructions as to how the Covered Person and/or Provider may arrange for such an external appeal; and (b) any forms needed to start the appeal.

c. Right to Waive Horizon BCBSNJ's Internal Appeal Process

In certain circumstances, a Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) may not have to complete Horizon BCBSNJ's internal appeals process with respect to an ABD-Medical, and may proceed directly to the external appeal process described below, if:

- (a) Horizon BCBSNJ does not meet a time frame described above for the First and Second Level Appeals;
- (b) Horizon BCBSNJ waives its right to an internal review; or
- (c) the Covered Person or his/her Provider has applied for an expedited external review at the same time as applying for an expedited internal review.

With respect to (a), above, this right to proceed to the external appeal without completing the internal appeals process will not apply if Horizon BCBSNJ can show that: (a) the violation did not cause, and is not likely to cause, prejudice or harm to the Covered Person and/or Provider; (b) the violation was for a good reason or due to matters beyond Horizon BCBSNJ's control; (c) the violation occurred in the context of an ongoing, good faith exchange of information between Horizon BCBSNJ and the Covered Person and/or Provider; and (d) the violation is not reflective of a pattern or practice of non-compliance by Horizon BCBSNJ.

If Horizon BCBSNJ claims this exception, the Covered Person or his/her Provider may ask for a written explanation of the violation from Horizon BCBSNJ. Horizon BCBSNJ must then provide the explanation within ten calendar days. It must include a description of the basis for the assertion that the violation should not cause the internal process to be waived. Questions regarding this exception shall be decided by an external reviewer.

If it is determined that Horizon BCBSNJ meets the standard for the exception to part (a), the Covered Person and/or his/her Provider may then resubmit and pursue the internal appeal. Horizon BCBSNJ

will then, within ten calendar days after that determination, notify the Covered Person and/or his/her Provider of that right. The time frame for refiling the Claim will start upon the Covered Person's and/or Provider's receipt of the notice.

d. External Appeal

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) who is dissatisfied with the results of Horizon BCBSNJ's internal appeal process with respect to a ABD-Medical can pursue an external appeal with an IURO assigned by the State of New Jersey Department of Banking and Insurance (the DOBI). Except as otherwise described above under part (c), the Covered Person's right to such an appeal depends on the Covered Person's full compliance with both stages of Horizon BCBSNJ's internal appeal process.

To start an external appeal, the Covered Person or Provider must submit a written request within four months from receipt of Horizon BCBSNJ's Final Internal Adverse Benefit Determination (or within four months from the date of an occurrence described in (a), (b) or (c) under "Right to Waive Horizon BCBSNJ's Internal Appeals Process", above).

The Covered Person or Provider must use the required forms and include both: (a) a **\$25.00** check made payable to "New Jersey Department of Banking and Insurance"; and (b) an executed release to enable the IURO to obtain all medical records pertinent to the appeal, to:

The \$25.00 fee will be refunded to the Covered Person or the Provider if the IURO reverses Horizon BCBSNJ's ABD-Medical decision.

If the Covered Person cannot afford to pay the fee, the fee will be waived if the Covered Person can show proof of financial hardship. Proof of financial hardship can be demonstrated through evidence that one or more members of the household are receiving aid or benefits under: Pharmaceutical Assistance to the Aged and Disabled; Medicaid; General Assistance; Social Security Insurance; NJ FamilyCare; or the New Jersey Unemployment Assistance program. Annual filing fees for anyone Covered Person shall not exceed \$75.00.

Upon receipt of the request for the appeal, together with the executed release and the appropriate fee, if any, the DOBI shall immediately assign the appeal to an IURO to conduct a preliminary review and accept it for processing. But this will happen only if the IURO finds that:

1. the person is or was a Covered Person of Horizon BCBSNJ;
2. the service or supply which is the subject of the appeal reasonably appears to be a Covered Service or Supply under the Covered Person's Program; and
3. the Covered Person has furnished all information needed by the IURO and the DOBI to make the preliminary determination. This includes: the appeal form; a copy of any information furnished by Horizon BCBSNJ regarding its Final Adverse Benefit Determination; and the fully executed release.

Upon completion of this review, the IURO will immediately inform the Covered Person or Provider, in writing, as to whether or not the appeal has been accepted for review. If it is not accepted, the IURO will give the reasons.

If the appeal is accepted, the IURO will notify the Covered Person and/or his/her Provider of the right to submit in writing, within five business days, any further information to be considered in the review. The IURO will provide Horizon BCBSNJ with any such information within one business day after its receipt.

The IURO will complete its review and issue its decision in writing within 45 calendar days from its receipt of the request for the review. But that time frame will be reduced to 48 hours if the appeal involves any of the following:

- (a) An Urgent Care Claim or a Medical Emergency.
- (b) An Inpatient admission
- (c) The availability of medical care.
- (d) The continuation of an Inpatient Facility stay.
- (e) A Claim for medical services for a Covered Person who has received emergency care, but who has not been discharged from a Facility.
- (f) A medical condition for which the standard time frame would seriously jeopardize the life or health of the Covered Person or his/her ability to regain normal function.

When the IURO completes its review, it will state its findings in writing and make a determination of whether Horizon BCBSNJ's denial, reduction, or termination of benefits deprived the Covered Person of Medically Necessary and Appropriate treatment. If a decision made within 48 hours was not in writing, the IURO will provide a written confirmation within 48 hours after the verbal decision.

If the IURO determines that the denial, reduction, or termination of benefits deprived the Covered Person of Medically Necessary and Appropriate treatment, this will be conveyed to the Covered Person and/or Provider and Horizon BCBSNJ. The IURO will also describe the Medically Necessary and Appropriate services that should be received. This determination is binding upon Horizon BCBSNJ and the Covered Person, except to the extent that other remedies are available to either party under state or federal law.

If all or part of the IURO's decision is in favor of the Covered Person, Horizon BCBSNJ will provide coverage for those Covered Services and Supplies that are determined to be Medically Necessary and Appropriate. This will be done without delay even if Horizon BCBSNJ intends to seek a judicial review or other remedies.

And within ten business days of its receipt of a decision in favor of the Covered Person, (or sooner, if the medical facts of the case indicate a more rapid response), Horizon BCBSNJ will send a written report to: the IURO; the Covered Person and/or Provider; and the DOBI that describes how Horizon BCBSNJ will implement the IURO's determination.
