

Looking for a preschool? Check us out!

(This is not a Seneca Valley sponsored event)

CCUPC PRESCHOOL

Where learning is fun!

Winner 7 years in a row of
"Best in Cranberry " Award

We have a bright, open, spacious facility.

Your children will feel comfortable and cared for with our experienced, certified teachers and staff. Our staff is the type of people you want working with children of this age. They are nurturing and engaging. Your children will love them just as much as they will love and care for your children.

Curriculum: Our program emphasizes learning through play and exploration. The activities are hands-on, fun and challenging. PA Standards for Early Childhood are incorporated into the curriculum to ensure that your child will be well prepared for a successful kindergarten experience. Our curriculum provides a balance of different experiences: self-initiated and guided, group and individual, active and quiet, creative and instructive. We foster development in pre-reading, math, language skills, science, fine and gross motor, music, art, nature, culture, self-expression, creativity and social skills. As a ministry of our church, our preschool provides an excellent Christian education that is woven into the curriculum.
