

# Family changes everything

## **PREGNANCY SUPPORT SERVICES**

We help thousands of expectant parents every year through our Pregnancy Counseling, Reproductive Health, Independent Adoption, and ReNew Programs. We strive to empower individuals and families to make a plan. Only they can make the decision, but they don't have to make it alone.

## **POST PERMANENCY SERVICES**

If you are an adoptive parent, adoptee, birthparent, or have legal custodianship or a formal kinship agreement, our staff is here to provide support through our post-adoption services. Working with SWAN, our services may be available at no cost for children 18 and under.

## **FOSTER CARE SERVICES**

For foster families in our community that open their hearts and homes to children, we seek to provide ongoing support—every heartwarming and heartbreaking step of the way through our Domestic Foster Care Program, Kinship Care, and Foster to Adopt Programs.

## **REFUGEE SERVICES**

Every year, tens of thousands of refugees are resettled in the U.S., seeking safety and a chance at a new life. With your help, we surround refugees with welcome and support during one of the hardest times in their lives through our Resettlement, Match Grant, Employment, Support for Afghan Survivors of Combat, and Family Strengthening Programs.

## **FAMILY PRESERVATION SERVICES**

When parents are going through a temporary crisis, we find families to care for their children. Through our Safe Families for Children and Homebuilders program. This allows parents to take essential steps toward stability.
