ABC'S OF ASHLEY RIVER CREATIVE ARTS

We are an **ARTS-INTEGRATED** school! This means we use the arts as a tool to teach the state standards.

When students are **ABSENT**, a written note must come to school within three days, by parent/guardian or doctor, which must include: Student's Name, Teacher's Name, Date(s) of Absence, Reason for Absence, and Signature of Parent/Guardian. (please reference this handbook for an example)

Every student participates in an **ARTIST-IN-RESIDENCE** experience each year, which is paid for by PTA and State Grants.

ALLERGIES are a concern for some of our students. Please leave pets at home and check with your teacher before bringing in any snacks. All snacks should be store bought.

Students at Ashley River attend additional **ACADEMIC ARTS CLASSES** during the week. Most grade levels have two periods of Art, Music and PE each week; along with one period of Drama, Cultural Arts, Media and STEAM per week. Students can also elect to participate in Violin and Dance.

AWARD CEREMONIES will occur at the end of each nine weeks for students who make A Honor Roll in 4th and 5th grade.

The **BOOKFAIR** is held twice yearly and children have an opportunity to buy from the Scholastic Book Company.

Students in grades 1st-5th have the opportunity to take **BALLET** once a week.

The **BELL SCHEDULE** runs from 8:20 (**tardy bell rings at 8:30**) to 3:30.

BUS transportation is available but is not door-to-door. See CCSD website for more info on bus routes and stops. If you need to ride a different **BUS**, students must have a note from a parent in order to receive a bus pass.

BUS RIDERS must follow all bus rules and the directives of the bus driver. **Students must ride the bus that is designated to their address in PowerSchool.*

BIRTHDAYS are recognized on the school news show and students also receive a small gift. Check with the classroom teacher for more information about individual classroom celebrations. Parents are asked not to send in flowers or balloons.

BREAKFAST is available from 8:05-8:25.

BUS transportation is provided by First Student. The school will handle discipline issues on the bus and all other bus issues and concerns contact First Student at firstfeedback.com. An adult must be at the bus stop for all CD through Kindergarten students to be dropped off.

C

COMMUNICATION with parents includes: school website, weekly newsletters, e-mail, social media, and phone call-outs. Please check Friday folders for weekly information.

CONFERENCES are held for every child within the first Nine-Weeks. Additional conferences can be requested with the teacher.

4th and 5th Grade students can participate in **CLUBS** during the last period of the day. Information will be sent home about clubs during the first week of school.

If you need to change the way your child is getting home that day, **please call the front office before 2:00 pm**. Teachers do not always have time to check email, so calling the office is the best way to get the message to your child.

EARLY DISMISSAL requests must be made in writing and signed by the parent or guardian and given to the teacher in the morning. No student may be dismissed between **2:30 and 3:30**. Excessive early check-outs (3-4 per month without medical documentation) will count towards the students chronic absenteeism record.)

E

airplane (offline, standalone) mode while in the building. Smart watches should only be used for time and not sending or receiving calls and text messages. We discourage students from wearing smart watches and the school is not responsible for them if they get broken or lost.

- “Wireless electronic device” means a handheld electronic device having the ability to receive and/or transmit voice, text, or data messages without a cable connection, which may include, but is not limited to, mobile telephones, **smart phones, smart watches**, tablets and computer and communication devices currently in existence.

PBIS at ARCAE

PBIS is an ongoing process for creating safer and more effective schools. PBIS is a systems approach to enhancing the capacity of schools to educate all children by developing research-based school wide, and classroom discipline systems. The process focuses on improving a school's ability to teach and support positive behavior for all students. Rather than a prescribed program, PBIS provides systems for schools to design, implement, and evaluate effective school wide classroom, non-classroom, and student specific discipline plans.

PBIS includes school wide procedures and processes intended for:

- All students, All staff and in All settings
- Non-classroom settings within the school environment
- Individual classrooms and teachers
- Individual student supports for the estimated 3-7% of students who present the most challenging behaviors

All faculty, staff, and administration teach, re-teach, and model our ARCAE ARTS. They are as follows:

A= Able to create

R= Ready to learn

T= Take responsibility

S= Support others

Office & Classroom Referral Forms

As in all CCSD schools, ARCAE uses the Code of Conduct and the Progressive Discipline Plan to help students stay on track with appropriate behavior at school. You may receive a classroom or office form if a behavior issue occurs involving your child. You will automatically receive a follow-up phone call if the form is from the office. Our documentation system helps the school focus on frequency, severity, and type of behaviors occurring. We use several forms of interventions which include but are not limited to working with the school counselor or the mental health and wellness coach, reteaching expectations, apologizing, and making a behavior plan for success. Working to repair relationships and improve students' ability to work with others is a normal part of elementary school. If you receive a classroom or office form for your child, please work with us as a team to support your child as they learn and grow.

Bullying Procedures

Bullying is defined as a deliberate, repeated act with intent to hurt, insult or threaten another person in school, on school grounds, in school vehicles, or at school events. Bullying consists of an imbalance of power.

ARCAE believes in a safe learning environment for all students; therefore, we will not tolerate bullying in any form. If your child believes they are being bullied, have them report it to the school counselor or their classroom teacher immediately.

School Improvement Council (SIC)

Text messages and emails are acceptable. All documentation required by the school is subject to review and must be approved by the principal.
