

Cub Scouts are at the magical age where everything is new and possible and, most important, fun. They build things. Play with purpose. Make friends and work together. The life lessons learned in Scouting help to form a foundation to embrace opportunity and overcome obstacles in life.

Pack 457, our local Cub Scout Pack, is made up of *boys and girls* in *Kindergarten through Fifth Grade* from around the Zelenople, Evans City, and northern Cranberry Township areas. Our members participate in activities such as fishing, science experiments, biking, launching rockets, camping, archery, learning about our communities and more all while learning important values to help kids to do their best.

- Your Scout's **DEN** (group of Scouts in the same school grade) will meet 1 or 2 times each month to complete adventures and work towards their rank requirements.
