August 6, 2024 - Board Meeting Agenda Questions & Responses

### **5.5 ASA Fall & Law & Leadership Conferences**

Can you please include the agenda for these conferences? I'd like to see that for all conferences going forward, please.

The agendas for ASA and The Trust Law & Leadership conferences are not posted yet.

### **5.6 Vouchers – Please pull Hop Skip Drive 1122**

This voucher has been moved to an action item.

Hop Skip Drive

Do we have a contract with them? If so, can you please share? We do not have a contract with Hopskipdrive. Hopskipdrive is procured under a cooperative contract Mohave 19Q-HSD-0410.

Why the need for Hop Skip Drive? What changed from what we were previously using?

Hopskipdrive was used last school year and is also being used this year to transport McKinney-Vento students that cannot be transported by the current transportation staff due to staffing shortages. The district has also used Everdriven to transport McKinney-Vento students, but nothing has changed in our practice to contract out routes that the district cannot fill.

Are these students out of our boundary?

Yes, but were required by law to transport McKinney-Vento students.

### **Approval of License Agreement between Higley Unified and SL Saguario Solar I, LLC**

Please move the solar agreement out of consent.

We have not had time to review it.

What exactly are we being asked to approve for the solar contract? Just changing it from Sundial to Saguario?

What is being asked for approval is a new site license agreement between the district and the new owner Saguario Solar LLC. Nothing is changing with the solar agreement terms except the new owner. This allows Saguario Solar the rights to the equipment for maintenance and repairs.
