

CTE Curriculum

Lesson Plans – Program Teachers

Lesson plans are to be completed by all CTE 3-period program teachers. The CTE Programs Lesson Plan, found in **Appendix 1**, is to be emailed to the teacher’s assigned supervisor each week.

Lesson plans are required to provide evidence of the following Academic Standards: Chapter 339.22(a), 339.22(a)(2), 339.22(a)(4), 339.30.

Per the Approved Program Evaluation (APE) Checklist, CTE programs must:

Identify specific Pennsylvania academic standards or anchor assessments (i.e., Math, English, Career Education and Work, Science) that are integrated into the program. (1.1)

Provide documentation that instruction in the approved program includes the development of human relations skills; knowledge of occupations; and leadership competencies and positive attitudes toward fulfilling occupational, civic, social and community responsibilities. (8.2).

CTE Grading Scale

The District Grading Scale has been set with the percentages of tasks to follow for CTE programs. CTE program teachers should use the following grading guidelines.

If you have questions on this, contact your CTE Supervisor or Career Counselor.
