Source: 2018 Future Ready Index; IS = Insufficient Sample

As reported on the 2018 Future Ready Index, The New Academy Charter School either did not have a sufficient sample of tested students or did not meet statewide goals/interim targets on assessment performance and growth for All students and the Black, Economically Disadvantaged, and Students with Disabilities subgroups (tables above).

The school also did not meet regular attendance performance standard.

The school also did not meet High School Graduation rate interim goals/improvement targets for the All, Black, and Economically Disadvantaged student groups.

The school does meet or exceed the interim targets for Career Standards Benchmark for the All, Black, Economically Disadvantaged, and Student with Disabilities student groups.
