

TIPS FOR PARENTS/STUDENTS

- When waiting for the bus, stay away from traffic. Line up at least five giant steps away from the curb or the roadway to wait for the bus.
- Never run after the school bus if it has already left the bus stop.
- Never push when getting on or off of the school bus.
- Always walk at least 10 feet in front of the bus when crossing so that the school bus driver can see you.
- Be aware—cross with care! Wait until the school bus has stopped all traffic before stepping out onto the road.
- Never put your head, arms or hands out of the window.
- Talk quietly; do not distract your school bus driver.
- Never speak to strangers at the bus stop and never get into the car with a stranger.
- Never play with the emergency exits. Backpacks, band instruments, or sports equipment may not block the aisle or emergency exits. If there is an emergency, listen to the driver and follow instructions.
- When getting off of the school bus, make sure that all drawstrings and other loose objects are secure so that they don't get caught on the handrail or the door.
- Never cross the street behind the school bus.
- If you leave something on the bus or drop something outside of the bus, never go back for it. The driver may not see you and begin moving the bus.
