

## Duplin County Schools Student Device Repair Notice

Below are the prices for replacement part costs for DCS owned Chromebooks, iPads, Windows Laptops, and Hotspots. All students and parents have signed the Duplin County Schools Student/Parent Device Handbook Agreement Form which states the student and parent are solely responsible for the assigned technology device. If a device is damaged the student should contact their teacher and/or submit an online ticket for the damaged device at [https://1to1plus.com/login/Duplin\\_NC](https://1to1plus.com/login/Duplin_NC) . Before the device is returned to the student the school should collect the fee for the part that is needed for replacement.
