RE: Proposed FY 2025 Budget

Dear Chair Grybowski, Honorable Members of the Board of Trustees, and Interested Citizens:

We are pleased to present to you the proposed FY 2025 budget for consideration. In accordance with District policy, the budget is balanced. The revenues included in the proposed budget were compiled using a number of assumptions, including assessment data for real property from Charleston County, projections from the South Carolina Department of Education on State funding, and detailed analysis of prior year actual revenues and other trends.

The House and Senate proposed budgets include teacher salary increases and health insurance increases. Under both proposed budgets, Districts are required to provide a percentage of local support based on the state aid to classroom formula and the District's index of taxpaying ability. As a result of this formula, when District costs increase beyond the state's allocation, the District can levy millage increases to cover the cost of educating students. Under current State law, local taxes for school districts' general funds cannot be levied on owner occupied homes. The recommended FY 2025 budget includes a 3.9 mill increase on operating millage and a 3 mill reduction on the debt service millage, which has been reallocated to the General Operating Fund.

The FY2025 Proposed Budget focuses on the District's financial plan on the existing goals and guardrails supported by the District's three "pillars" that uphold the District's mission of educating and supporting every child in achieving college, career, and citizenship readiness. The three pillars are:

This will guide the District towards achieving Vision 2027 where all students will read on grade level by fifth grade in 2027.

- 1. The following priorities are included in the proposed FY 2025 budget:
 - Increasing teacher salaries by \$7,500 across every cell of the pay scale as well as funding step increases. This increase will bring the District to lead teacher compensation in South Carolina.
 - Providing increases to all non-teachers and classified employees at 100% of market, which is equivalent to a 6% increase to every cell on the classified scale, plus a step increase.
 - Reclassification of school-based positions and teacher assistants.
 - Expansions for School Support, CERDEP, CD, and Head Start programs which provides additional teachers, additional employee early childhood daycare, and support for chronic absenteeism.
 - Recurring funding for the Leadership Pipeline and Alternative Pipeline program.
 - Elimination of overlay positions with the creation of new standard allocations, subject to annual review. This assures a 1.0 full-time employee for guidance counselors at each school, additional CTE teachers, high school credit recovery, and co-teacher support at Pinehurst Elementary School.
 - Support for programs that were previously funded by ESSER and not subject to support from the new Weighted Student Funding formula.
- 2. The most notable expansion in the FY 2025 budget is the implementation of the Weighted Student Funding formula, which will be the first implementation of such a formula in South Carolina. Funding totals \$32.8 Million and is provided as an additional allocation above what schools usually receive, based on the number of pupils in poverty, multilingual learners, and students with disabilities. This funding will fully offset the sunset of ESSER and is able to be implemented with the support of funding that was set aside in prior fiscal years to ease pressures on the General Operating Fund.
- 3. The proposed budget reflects continual rising costs for expenditures related to operations such as property and flood insurance, student bus transportation, custodians, maintenance materials, and increases in utilities.

- 4. To enable the balancing of the budget, the following strategies were used:
 - a. Projected savings in the FY 2024 budget will cause an increase to the District's unassigned fund balance in the amount of approximately \$42 Million. This fund balance increase is proposed to be re-appropriated to balance the FY 2025 budget and is reflected in the long-range financial plan.
 - b. ESSER Sustainability Funds (General Operating Fund set aside) in the amount of \$20 Million are being proposed to offset the cost of implementing the Weighted Student Funding formula. This funding will taper off through FY 2027 to enable the implementation of the formula without a tax increase, now or in the future.
 - c. Central office reductions were made in the approximate amount of \$8 Million, inclusive of the elimination of over 30 positions and decreases in purchased services. Where reductions were made to areas that have traditionally underspent budgets, thought was given to create a risk pooling initiative, which will insulate the budget from unanticipated costs throughout the year.
 - d. While the base budget is able to be balanced without a tax increase, staff has proposed a strategy to promote long-range sustainability and cause a more substantial increase to teacher and non-teacher compensation. Therefore, a 3.9 mill increase is included in the proposed budget, which brings the teacher compensation increase from \$5,000 to \$7,500 and the non-teacher increase from 99% to 100% of market. Future millage increases are not contemplated in the long-range plan to sustain this direction.
 - e. The proposed Fund Balance maintains the fund at or above the Board's Fund Balance Policy of 16.67%.
 - f. The increase in fund balance over the last few years has improved the District's financial position. This strong financial position allowed for the use of a portion of the fund balance to balance the budget. Strategically, future year budgets will employ a use of fund balance, with a goal to sustain operations in FY 2029 without a use of fund balance while maintaining the requirements of the Fund Balance Policy.

Overall, we believe that this budget will provide the most positive impacts to students in Charleston County schools, while looking out for our most vulnerable populations. The ability to provide teachers and non-teachers alike with competitive pay remains a strong focus and our long-range estimates point to the ability to sustain these increases in alignment with the local market. In the case of non-teachers, it has been a goal for more than ten-years to achieve 100% of market

compensation, which we believe will aid in the recruitment and retention of top talent to support both our schools and central office functions. While this budget also required tough decisions to be made with reductions, we feel that the operations of the District will be streamlined with continued focus and cooperation. It is our hope that this spending plan sets the tone for K-12 education in the State of South Carolina while we locally work to continue to improve student outcomes and set our children up for their future success.

Best Regards,

Anita W. Huggins, Superintendent of Schools

Limit on millage increases: The South Carolina State Code of Laws 6-1-320 limits the annual percentage increase in the operating millage rate to the increase in the Consumer Price Index plus the annual projected increase in population. There may also be added to the operating millage increase any such increase, allowed but not previously imposed, from the three property tax years preceding the year to which the current limit applies. The millage rate limitation may be suspended with a two-thirds vote of the membership of the local governing body for specific and limited circumstances in accordance with SC Code of Laws 6-1-320.

Revenue Notes:

1 Bridge Funding - 2017-2022 Capital Program (Phase IV) FINAL pay-off of Bridge Funding using Sales Tax Proceeds

2 One Cent Sales Tax - 2017-2022 Capital Program (Phase IV) FINAL Sales Tax collections for Phase IV end 12/31/22 (receive 2/28/23) - Total 6 Year Program collections = \$731.6M.

3 Bridge Funding - 2023-2028 Capital Program (Phase V) Sales Tax Extension Referendum passed on 11/3/2020. Board Approved Funding Early Out + Bridge Funding = \$122.6M, FY25 budgeted to borrow +\$20M PFM Advisors

Based on current cashflow model projections using the most recent quarterly cost curves (Q4-Dec 2023) - reduced sales tax collections below current estimates

would result in increased BAN funding needed to complete projects at the current pace

4 One Cent Sales Tax - 2023-2028 Capital Program (Phase V) Sales Tax Extension Referendum passed on 11/3/2020. PFM projected revenues at \$763M in 2020, at \$811M in 2022 and currently at \$995M

PFM Advisors Sales Tax Estimates based on the most recent collections with 2% growth over prior year - not a recession scenario

5 Long Term Debt - 2023-2023 Capital Program (Phase V) 4/26/21 Board Approved adding Morningside MS (\$52.5M) using the District's 8% debt capacity for Long Term Debt Funding funding

6/28/21 Board Approved adding Deer Park M (\$8.75M), A.C. Corcoran ES (\$12.5M), and Midland Park Land (\$3.75) - Total Long Term Debt \$77.5M

10/24/22 Board Approved Reallocation in the additional amount of \$22M - Total Long Term Debt \$99.5M

PFM Advisors Borrowed \$44,578,254, FY25 Budgeted to borrow + \$50M

6 Fixed Cost of Ownership Assumes 4% increase over prior year

To calculate an annual salary:

^{1.} Find the corresponding DBM (pay grade) and step.

^{2.} Use the following calculation: Hourly Rate * 8 hours per day * # of contract days * FTE (Full Time Equivalent)
