- Help your child find appropriate reading and work games online.
- Keep a dictionary on hand. Help your child look up new words.

- Let your child see you reading!
- Have magazines and books in your home.

- Read mysteries with your child and try to figure out clues together.
- Movie version coming out? Read the book and then talk about which you liked better.
- Have your child draw a picture or comic strip of what happens in the story.

- Set aside a TIME and PLACE for your child to read, like a comfy chair and reading light.
- Look for books to read that were your favorites when you were a kid.
- Encourage your child to write.

Ask questions about what they are reading.

1. What is the story about? Who are the characters? Where does the story take place?
2. What do you think will happen next?
3. How did you know about...?
4. What did you learn from the story?
5. Would you recommend this book?
