1. Navigate to <http://www.sketchup.com/download/all>  
NOTE: Hold Control Key and Click on the Link to open a web browser

2. Create Login

- a. Click on Create Account

The screenshot shows the SketchUp website's login and account creation page. At the top, there is a navigation bar with the SketchUp logo on the left and links for PRODUCTS, PLANS & PRICING, INDUSTRIES, and RESOURCES in the center. On the right, there is a Trimble logo and a 'Sign In' link, along with a 'Try SketchUp' button. Below the navigation bar, the main heading is 'Welcome to SketchUp!' followed by the text 'Your great idea is waiting to come to life. First, we need some credentials.' There are two buttons: a blue 'Sign In to Trimble ID' button and a smaller 'or Create Account' link below it. Below this, there is a section titled 'Are you in a Primary or Secondary school?' with the text 'No need to log in. Learn more about the options for your school.' and a 'Learn More' button.

- b. Use your Brightonk12.com email account
- c. Fill Out Information

The screenshot shows the SketchUp account creation form. At the top, there is the Trimble logo and the text 'Sign in to all things SketchUp'. Below this, there is a message: 'A user with the given email doesn't exist. Please signup below.' There is a link for '< Change Email'. The email field contains 'mjourden@gmail.com'. There are three input fields: 'First name', 'Last name', and 'Password'. Below these fields, there is a checkbox for 'I'm not a robot' and a 'Create new account' button.
