EXCEL Through Athletics

Excel Through Athletics is an Ohio-based non-profit organization that provides qualifying Hillsdale school district youth (grades K-12) with supplemental financial assistance to help encourage their participation in athletic programs.

Teamwork • Sportsmanship • Discipline • Commitment

It is our goal to assist parents in making athletics a more affordable part of their child's life. Our organization believes that "real life" fundamentals are developed through our area's athletic programs, which will help our children learn such traits as teamwork, sportsmanship, discipline, and commitment, all of which will help our youth with their academics, social skills, and workmanship throughout their lives.

If your K-12 grade child is interested in giving an athletic program a shot, but your current financial situation does not allow this, please contact us. Every child should have the opportunity to participate should the interest exist.

We look forward to assisting you make your child's dream a reality!

PROGRAM CRITERIA

If your child or children currently are eligible and have been approved for the federal "free and reduced-price meals" program available through the Hillsdale school system, then your family qualifies for the Excel Through Athletics Program.

Our program will provide each qualifying child up to \$100 per year to assist with the purchase of equipment, clothing, or related registration fees. While this program only applies to children in the Hillsdale school district, the athletic activities or programs the child wishes to participate in do not have to be located in the Hillsdale area.

The \$100 assistance may apply to more than one child per household. Applications are accepted throughout the calendar year, however the program runs from July 1 through June 30. A child may apply and participate over multiple years.

Please email any questions to:

info@excelthroughathletics.com

or inquire in your school's principal's office.

CONFIDENTIALITY STATEMENT

Due to the confidential nature of the qualification process, Excel Through Athletics will not disclose any participant's name. The highly confidential participant database is stored on our secure server.

Excel Through Athletics is a private 501c3 non-profit organization, and is in no way financially affiliated with the Hillsdale schools systems or any other local, state, or federal funding. This organization is privately funded.
